

# How do I address a letter to San Pedro?

Marty Casado Wed, Dec 6, 2006 [Shipping](#) 0 20574

Send to person's name, address if known (or General Delivery) San Pedro, Bolina, Central America

The Postmaster, Angel, has specifically asked that you NOT put AC or CA on any other letter on the mail. Many times the "CA" marking has resulted in a lengthy delay to California. Or via Colombia. Angel said you should put Central America on the envelope as I mentioned above. He said do not put CA but do put Central America.
