They are open on working days from 8 am till 1 pm (and Atlantic till 3 pm). Or Atlantic and Alliance Bank are open until 3 pm with Atlantic Bank also opening on Saturdays from 8:30 am till 12 pm. Belize Bank has opened a spacious new building on Barrier Reef Drive where the Blake House (later Barrier Reef Hotel) once stood. Atlantic Bank has two locations, with a cash window at the Alijua Building on Buccaneer St. and their main branch newly located to Pescador Drive. The cash window facilitates bill payments, Western Union services, and other small cash transactions.

There's an ATM owned by Atlantic Bank located in the same Alijua Building on Buccaneer St. The ATM serves both local and international credit cards including Visa, Master Card, Cirrus, Plus and Visa Electron.

There are five commercial banks that serve the country of Belize. Banks are open in Belize City Monday

to Friday from 8:00am to 1:00pm (Atlantic Bank until 3:00 pm) and on Friday until 4:30pm. Most banks have branches in the six districts but services are more limited.

Most banks will issue an advance on your Visa or MasterCard. The fee for this is US\$5 and up, depending on the bank, plus whatever fees and interest your bank card charges. Getting a cash advance may take a little time and paperwork.

Smart travelers bring a combination of cash in small U.S. currency denominations, traveler's checks in U.S. dollars and credit cards. You will need to carry your passport, or memorize the number, to use your traveller's checks.
