If you have questions about immigration processes to Belize you have found the right post.

Thanks to Dr. D. L.

Lawrence, it is no longer a mystery of how to live and work in Belize. She has researched and written *The Document Trail - The Unofficial Guide for Living and Working in Belize*.

By purchasing and downloading *The Document Trail* pdf you will receive up to date and useful information that will help you properly prepare such as...

- The main immigration route is identified for entry, extensions, work permits & residency. No more guessing.
- Current & accurate, written from experience and research downloadable booklet gives you all 3 sample forms free...
 - Sample of Work Permit Application
 - Sample of Permanent Residency Application Form

Sample of Medical Forms for Residency Application - Not available in print yet

The Document Trail is available for online purchases via .pdf download at [Belize Visas](#)

Downloadable form Samples are also available for purchase individually.
