

What is an easy way to get from Corozal to Chetumal (or vice versa)?

Article Number: 245 | Rating: Unrated | Last Updated: Tue, Feb 5, 2013 5:58 AM

If you can't take your car into Mexico I highly recommend Menzies for a no-hassle transfer between Corozal and Chetumal -- US\$45 for up to four people. Takes about an hour depending on how busy the border is. Saves worrying with buses and/or taxis, smooths things through customs and immigration. Well worth it.
