All four banks have ATMs at most of their branches. For example, Belize Bank has ATMs at nine of its eleven branches.

You can use your ATM/debit card to get cash (in Belize \$) from the Belize Bank or First State. It costs 2.5%. You do have to put your card in a slot to open the door to the machine. Also, banks and at least bigger businesses and shops accept. But there is a service charge that varies. Remember, that's Belize \$, not US dollars. You get 2000 Belize.

There is a daily limit on withdrawals, \$500 USD per day.
