

My dad passed away. He was cremated, and I would like to bring him to Belize and spread his ashes. Who do I have to contact to find out what I have to do to make this happen? Please get back to me ASAP.

You will need a license to import remains and get it from health dept.

Better yet, contact David Coye at 011 501 224 4330 or coyefuneralhome@btl.net who can handle the government paperwork for you.

let me know if I can assist further.

My condolences to your family of course.
