Communication with the General Service Office (G.S.O.) of A.A. in New York City

All communications, including email, are treated with the same level of care and attention and are answered in the order in which they are received. G.S.O. staff members are committed to respond as soon as possible, usually within ten (10) business days.

G.S.O. can serve you most efficiently if your email communications are routed to the staff member best able to handle your inquiry or sharing. Please begin this routing process by selecting one of the two choices provided below:
