

Where is the best place to buy exterior painting supplies that are of decent quality and affordable?

Article Number: 357 | Rating: Unrated | Last Updated: Sun, Jan 4, 2015 5:35 PM

You should go to the hardware stores and to Comex to see what they carry then choose the paint that fits your idea of decent and affordable. Those are very subjective terms.

Castillos carries the highest quality (Sherwin and Williams, branded as Best)

Comex (back street) is probably the cheapest.
