

I would like to visit Belize as a volunteer

Article Number: 358 | Rating: Unrated | Last Updated: Wed, Jan 14, 2015 9:20 AM

I would like to visit Belize as a volunteer and unfortunately I can't find any web sites and pages regarding my question. May be you have any information regarding this possibility-any sites or organisations. Preferable sphears-animals and wildlife.

You should contact Wildtracks!

They are fantastic, and you could work with a wide range of wildlife... Here's their blog, its fun to read and see other volunteers and their experiences....
