In Belize, departure tax is levied when you exit the country. The height of the Belize departure tax depends on the method you choose to leave the country. Please note, that the departure tax is not included in your visa for Belize, which you must pay when entering Belize. You are both charged when you enter the country, and once again when you exit the country.

Departure Tax can be paid ONLY in US Dollars (US\$), Belize Dollars (BZ\$) are not accepted.

When departing from the International Airport, an exit fee of US\$ 56 per person is charged. These departure costs can be included in the cost of your ticket.

When crossing the border over land, a **Belize departure tax** of BZ\$ 40 / US\$ 20 per person is charged. This includes:

Departure Processing Fee: \$30.00

PACT Fee: \$7.50

Border Development Fee: \$2.50

In both cases, children up to the age of 11 (under 12) can leave Belize without paying the tax.

The departure tax must be paid in cash. Credit cards are unfortunately not accepted as a means of paying for your tax. Bear this in mind when arriving at the airport or border crossing to avoid unpleasant surprises.
