

What is the difference between Atlantic Bank and Atlantic International Bank Limited.

Can you tell me how the areas of Atlantic Bank are different?

What each specializes in?

Article Number: 427 | Rating: Unrated | Last Updated: Mon, Mar 14, 2016 6:24 AM

We are two completely different banks. Atlantic Bank Ltd. is a domestic bank and AIBL is an offshore bank. Atlantic Bank also does not have any ownership interest in AIBL. I know the names make it confusing and the media as well sometimes reports incorrectly making it even more confusing.
