There are several drug stores on the island. Ask your hotel for recommendations. It is a good idea to bring with you any prescription medicines you regularly need. You can fill US prescriptions in San Pedro if the products are available, if not Belize City should have most but not all name brands, more generic. There shouldn't be any trouble with bringing medication in with you.

Here are the email addresses for a few of them:

San Carlos Pharmacy : sancarlosmedicalcenter@yahoo.com

R & L Pharmacy : lerida@btl.net

Quality Discount Pharmacy : rslimit22@yahoo.com
