

Taxi / Van service

Article Number: 438 | Rating: Unrated | Last Updated: Thu, Jun 2, 2016 6:25 AM

Do taxis or vans typically meet the water taxis when they arrive in San Pedro? If not, how would I best arrange for transportation for 6 persons to La Perla Del Caribe?

You could take the Coastal Xpress water taxi from town north to La Perla. Taxis and vans are also parked downtown that you could take, but the water taxi is very convenient. It is located right downtown.
