Belize is a wonderful place to enjoy fun in the warm, turquoise-blue waters of the Caribbean. Rent a jet ski and explore the coastline, ride the wake behind a wakeboarding boat, or take a parasail ride and get a bird's eye view of the whole island from 300 feet in the air! You can take a kayak to the reef or Chetumal Bay, or just kayak the area around the island. More and more folks are paddleboarding, even some fishermen!
