

How and where would we rent golf carts once we arrive at San Pedro Airport? What is the cost and requirements?

Article Number: 476 | Rating: Unrated | Last Updated: Fri, Jan 6, 2017 3:40 AM

Take a look at this webpage:

<https://ambergiscaye.com/golfcarts/>

There are several golf cart rental places right around the airport, or you can call or email one of the companies on the above page before you arrive and make arrangements to have a cart for you at the airport.

For costs, check with the companies on the list above... Most of their websites have their prices. You will need a drivers license to rent a cart.
