

What is the speed limit on Ambergris Caye?

Article Number: 482 | Rating: Unrated | Last Updated: Fri, May 5, 2017 1:32 PM

10mph in built up areas and 15mph everywhere else.

From the Traffic Department, May 2017:

Due to several recent accidents and the fact that some people, insist on driving with no respect for the laws and regulations of Belize with regards to speeding and driving in a reckless manner. We at the SPTD along with the SPTC and Police are going to enforce the speeding laws, which are, 10mph in a built up area and 15mph on other roads. We also will be targeting reckless drivers. To help drivers obey the law, we will be installing speed bumps at several locations including the Northern road and erecting speed limit signs across the island. All drivers are reminded that it is an offence to ignore posted speed limits and to avoid a speed bump; violators will be ticketed without exceptions.

We all must work together to make our roads safe for all who use them.

Thank you.

=====

Han Pasado varios accidentes en los meses pasados y la gente siempre insiste en manejar irresponsablemente y contra las leyes reglamentarias pertenentes al exceso de velocidad. El Departamento de Transito en colaboracion con la Policia de San Pedro van a efectuar operaciones dedicados a promover la eliminatcion de alta velocidad en toda la isla. En la zona Central de San Pedro (Boca Del Rio hasta Escalante) La velocidad maxima es 10mph, y en otras partes la velocidad maxima es 15mph. Estaran construidos topes de velocidad en diferentes partes de la Isla, como tambien letreros advirtiendo la velocidades permitidas. Todas las personas manejando estaran pendientes de que es una ofensa ignorer tales advirtencias/letreros igual como el rebasar por un lado los topes de velocidad. Cualquier persona (s) que comete infraccion al respeto de esas leyes seran multados/multadas sin excepcion.

Debemos de trabajar juntos para proteger las vidas de cada persona usando las calles.

Gracias.
