Article Number: 485 | Rating: Unrated | Last Updated: Sat, Mar 4, 2017 3:37 AM

Good morning,

I will be visiting Belize and staying in Aguacate with a Mayan family friend. I would like to give him a bow as a present. I read the gun laws and did not see any restriction on bows. Can you please shed on light on the subject.

Thanks

**I know of no laws against gifting a bow....**
