

Burning of garbage

Article Number: 490 | Rating: Unrated | Last Updated: Thu, Apr 6, 2017 5:40 AM

It's illegal to burn yard garbage - Many residents have been complaining of daily hindrance of smoke. Report yard fires to the Fire department to assists neighborhoods to remain smoke free.

The San Pedro Town Council kindly advises the general public that any type of burning is an offence. If you wish to dispose of any garbage, you must notify and wait approval on behalf of the San Pedro Fire Department prior to burning your garbage. The Council strongly recommends that when burning any type of garbage, you do so in a controlled environment. Burning of any type of garbage is completely prohibited in residential areas since it is a health hazard and puts at risk any buildings in the surrounding area.
