

Who does professional picture framing in Belize?

Article Number: 514 | Rating: Unrated | Last Updated: Sun, Dec 3, 2017 4:15 AM

The Framing Shop on Cleghorn Street in Belize City, you can have hardwood frames made from mouldings by Graniel in San Pedro, then order the glass yourself, and put the pictures together yourself too. Sort of 1/2 professional, 1/2happy hands at home.

You can also try Docie at 604 1200.
