

Exit Fee

Article Number: 529 | Rating: Unrated | Last Updated: Wed, Feb 7, 2018 5:53 AM

Can the exit fee be paid with MasterCard at the airport?

If not, is there a bank machine where you can withdraw us\$ in the airport?

You will need to pay the exit fee in \$US. Double check to see if it was paid on your plane ticket. There is an ATM in the airport, and if it is not working, there is one at the Belize Bank in Ladyville, just near the entrance to the airport.
