

# Reservations

Article Number: 534 | Rating: Unrated | Last Updated: Thu, Mar 22, 2018 5:59 AM

Does your water taxi service typically fill up in March? We will be using the water taxi to go from Belize City to Caulker, from Caulker to Ambergris and then from Ambergris to Belize City. We'd rather not make reservations and keep our time flexible but curious to know if we will run into trouble with booked water taxis?

**The water taxi does not fill up typically, you will have no problem getting on without a reservation. Have fun!**
