When is best to get your passport extension stamped? Exact day it's due (if falls on week day) or a day or so beforehand? What is the location to update my passport?

Marty Casado Fri, Jan 15, 2021 Passports 0 2577

In San Pedro, Above Scotia Bank across from Tropic Air.

If you update early, that will become your new renewal date. We try to be within 1-2 days of expiration.
