What is the quickest way to get from Belize City to the town of San Pedro

Marty Casado Thu, Dec 7, 2006   1 37439

The quickest way to get from Belize City to San Pedro is by flying from the airports. If you fly in from overseas and land at Belize City International Airport, then you can take a jumper flight via Maya Island Air or Tropic Air to San Pedro. The flights run every 20 minutes or so.

If you are in the city of Belize City, then fly to San Pedro from Belize Municipal Airport via Tropic Air or Maya Island Air.
