You can write, call (501-226-2198) or email (sptb@btl.net) to the San Pedro Town Board, give them the lot number and subdivision name.

They are collected by the cities and towns.

In San Pedro you pay here: <https://sanpedrotowncouncil.org/property-tax>

Here is some information on paying in Belize City:

You might ask at one of the above links if they know how to pay in your area.

Here is a video with general information and a real estate company that claims to be able to help

Corozal Lands Office doesn't have online payment service, have to physically pay it.
