

Ambergris Key-Zika

Marty Casado Sat, Oct 22, 2016 [Travel to Belize & Ambergris Caye](#) 0 6751

We are Traveling to Ambergris Key and staying at Ramon's Village in February 2017. I'm worried about the Zika virus. I'm not planning on getting pregnant but the mosquitos always bite me. Tell me more about this. How many cases of Zika were found in Ambergris Key?

===

Here are a couple threads on Zika in the forum containing lots of good information...
