

## Water Taxi from San Pedro to Long Caye

Marty Casado Mon, May 7, 2018 [Taxis, water taxi's, and ferries](#) 0 4287

We are a family of 5 that are interested in making a day trip to Long Caye from San Pedro. Is that possible? We can't find any direct transportation routes from San Pedro to Long Caye.

Any help would be greatly appreciated.

Thank you!

**If Long Caye at the south of Lighthouse Reef, only a fast boat charter will do. Most of the bigger dive shops like Amigos Del Mar can quote a price for such an outing.**
