

# FedEx, where and how does it work for receiving, will they call or email that something is there for pick up?

Fed Ex is delivered by Tropic Air to your nearest airstrip. Put that location as address. They don't call, even when there's a number on the package. At least in Placencia. But if you ask, they find it, just fine. Exodus International near Scotia Bank in San Ignacio is a FedEx branch. Email is [exodusbze@yahoo.com](mailto:exodusbze@yahoo.com), +501 824-4400, address 2 Burns Avenue in San Ignacio. [Facebook page](#).
