

How much time to allow for Covid-19 tests at the airport?

Marty Casado Tue, Dec 29, 2020 [Coming in by air](#), [Travel to Belize & Ambergris Caye](#) 0

Need to book my Tropic Air flights as we arrive in 2 weeks....how much time between arriving and taking Covid tests should I space out the flights. (we will try to be tested here but not sure I can get results in time)

2 hours. They're good about work arounds, unless it's the last flight of the day.
