Julio for septic pumping, repairs, cistern cleaning/repairs, fresh water delivery. Call Olga at 602-8611 to discuss.

In town, it costs about \$500, but there are a lot of unknown factors that can factor into the cost.

There is no "Sewage Plant". BWSL just pumps all the raw sewage into some lagoons adjacent to Mahogany Bay and lets Mother Nature deal with it. The last pump station for sewage is right on the Mahogany Bay entrance road. Next time you fly out look for three rectangular ponds. From Google Maps...
