

FIRST GENERATION

1. **Ralph KEY**¹.

The foundation for this compilation was done by Catherine Ellen Key Ford in the 1950's. She provided about 250 names beginning with William Key and the corresponding family connections. A few corrections to Ford's work were provided by John Logan Key, my grandfather. The expansion from 250 names to well over 1100 names were obtained from data in the International Genealogy Index (IGI), Census Records, Soundex, AIS, a book on the Key and Allied Families by Julia Lane (our family was the unknown line), a family group sheet compiled by Vesta Lee, and data obtained from various CD's distributed by Automated Archives.

The family is laid out as presented by Vesta Cook Lee. There are several pieces of the puzzle missing and there are pieces which obviously belong to the family but I haven't found where to place them.

The following was copied from "Key and Allied Families" by Mrs. Julian Lane pages 324 and 325.

March 15, 1929.

The records of this office show that one Landon Key served in the Revolutionary War as a private of a company of the 8th Virginia Regiment in a battalion composed of the different regiments of the Virginia Line, commanded by Lieutenant Colonel Thomas Posey. Neither the date of his entry into service nor the date of his separation therefrom is shown by the records on file in this office. His name first appears on the company muster roll for the months of January to April, 1782, dated April 16, 1782, and is last borne on the company muster roll covering the period from April 1 to September 1, 1782, dated September 10, 1782, which last roll shows that he was sick in hospital.

The records also show that one Landon Key, possibly the same man, served in that war as a soldier of Virginia Infantry. Rank and organization not further indicated. His name appears on a record under the heading: "A List of Soldiers of the Virginia Line on Continental Establishment who have received Certificates for the balance of their full pay Agreeable to an Act of Assembly passed November Session 1781, " which shows that on May 15, 1783, the sum of L18 S4 (pound & shilling) was received by one French Strother.

The records further show that one Price Key served in said war as a private in Captain George Stubblefield's Company, 5th Virginia Regiment, command successively by Colonel Charles Scott and Lieutenant Colonel Josiah Parker. The date of enlistment is not shown. His name appears on the pay rolls of that company covering the period from September 28, 1776, to May 1, 1777, and on the company muster roll covering the period from August, 1776, to May 31, 1777, dated June 11, 1777, which muster roll bears remark: Light Horse.

The records also show that one Price Key (surname also borne as Keys) served in the Revolutionary War as a corporal, a sergeant and a quartermaster sergeant in Captain Moors Fauntleroy's Troops, 4th Regiment Light Dragoons, commanded by Colonel Stephen Moylan. A roll of that company dated Phillips Mannor September 23, 1778, shows that he enlisted March 4, 1777, for the war, and that he was recruited from Virginia. Another record shows that he enlisted in February, 1778, for 3 years; was mustered as a sergeant September 1, 1777, and as a quartermaster sergeant in September, 1778. The date of the termination of his service has not been found.

The KY IGI page 13,090 lists William as born abt 1771 in Warren Co, KY. This is believed to be in error since the Keys didn't move to Warren Co. until after 1790. It is further believed that when IGI states Warren,,OF they mean VA. William's statement in the 1850 census confirms that he was born in VA. William was a millwright by trade. He was employed in building the first steam mill in Princeton when he lost his balance and fell from the top of the building and broke his back from which he recovered but he could never walk. He learned the shoemaker's trade.

OLD ELM TREE-KEYSVILLE

Among the sixty-three settlers who were already living in Crawford County in January 1829, eleven of them had settled in the vicinity of Keysville. Four of the families were, Keys, hence it was natural that the place be called Keysville.

These eleven families, and others who were early arrivals on Crooked Creek are Obadiah, William, Lewis, and Elijah Key; Washington, John, and Reuben Carter; J. Givens, John Dunlap, John Stafford, Reuben Vaughan, and Oliver and Tom Bullock. Also coming early into the valley were the Browne, Laney, and Arthur families.

In 1888 Goodspeed Publishing Company gave a brief history of the Cumberland Presbyterian Church at Keysville. The report as follows: "Crooked Creek Cumberland Presbyterian Church was organized about 1834, by Frank Braley. The first members were J. Givens and wife, Obadiah, William, Elijah and John Key, John D and wife, W. Carter and wife, Mary Key, Richard Stafford and wife, and Reuben Vaughan and wife. Originally the Baptists and Presbyterians built a union log house, but disagreeing, the Presbyterians built a church building of their own, also a log house, in which they have worshipped about forty-eight years. The pastors have been Reverends Jonathan Burris, Jacob Clark, Solomon Brown, John E. Braley, I. C. Richey, E. M. Johnson, George Brown, A. A. Johnson, J. W. Dobbs, James B. Braley, and Isaac Eaton. The membership is now about thirty-five."

The old church doors are now closed and as a grand old lady lately said "There is not a Presbyterian left in the valley."

From Tartt p57

Elisha, William, John and Jesse Barker, brothers, and James Stewart, a half brother--all natives of Kentucky--moved here in 1807, and settled in the Montgomery neighborhood, near Owensville. They all had families when they came but Jesse. He married Elizabeth, the daughter of William Key, who was an early resident of Gibson County. Jesse settled on the southwest 1/4 of Section 1, Township 3, Range 11, a little north of Owensville, where he lived until his death in 1863. Mary J., wife of Samuel Davis, of Patoka Township, Sarah, wife of Joseph Mhear of Johnson County, and Hiram Barker, born in 1824, now living on the old home place, are all the descendants of the original Barker family, living in the county.

Copied from "History of Gibson County, Indiana," by Tartt page 197.

Elias, William, John and Jesse Barker, brothers, and James Stewart, a half brother, all natives of Kentucky, also arrived and located in the Montgomery settlement in 1807. They all had families but Jesse, when they came, and he married Elizabeth, daughter of William Key, an early settler about three miles north of Owensville, and made his farm just at the north edge of that village, where he died in 1863. Mary J., wife of Samuel Davis, in Patoka Township, Sarah, wife of Joseph Mhear, and Hiram Baker, who was born February 25, 1824, on the old place and still continues to reside there, are all of the descendants of the Baker family in the county.

The following is taken from a family memoir, written by Wilson Hopkin Barker in October 15, 1901, while staying at the home of his son, B.F. Barker, Hood County, TX.

Birth and Native State I was born in Princeton, Gibson County, Indiana, February 19, 1819 My father's name was William Barker; my mother's maiden name was Abiah Hopkins They married in Kentucky about the beginning of the last century. Immigration About the same time my father and three of his brothers and two of his full sisters and one half-brother and one half-sister immigrated to Indiana, Gibson County. His brothers names, John, Elias, and Jesse; his sisters, Mary who married Joseph Skidmore who subsequently moved to White County, Indiana; and Mrs. Grishem, her given name I have forgotten; his half brother, James Stewart; his half sister, Polly, married William Hanks, a Primitive Baptist preacher. About the same time two of my mother's brothers moved to Indiana in Warrick County, their names Frank and Henry Hopkins. She had a cousin in William Hopkins, who came with them. He died soon after. His widow married Charles Juco.

Family Record:

John Barker, the oldest, I know but little about his family. He moved to the lead mines in Missouri as far back as I can remember. He had three sons, William, Allen, and Jackson who came back to Indiana. Uncle John froze to death in Missouri.

Elias Barker married Miss Polly Fitzgerald. They had five sons, James, John, Jesse, Stewart, and William. I remember but two daughters - their names forgotten. The oldest married Long John Woods as he was called. The other married Will Lagrange. Financially Uncle Elias was just a good liver. He died in Gibson County at a ripe old age.

Aunt Polly Stewart and William moved to Illinois about 1841 and settled on the Little Wabash where they were in 1846. William was cross-eyed; James had but one eye. John moved to Texas in 1844 or 5 and he saw a moccasin track, it was said, and he loaded his wagon and went back to his old neighborhood where he was last heard from, an influential citizen and successful farmer. He said he left Texas to save his wife and children from the scalping knife of the Indians.

William, John Barker's son, moved to Texas from Missouri in 1848 and was drowned in Little River.

Jesse Barker, the youngest of the four brothers, married Miss Elizabeth Kee, by which was born four sons, and as many or more daughters. The boys were William, Stewart, Jackson, and Hiram; the youngest, was in Mount Vernon on the Ohio River, county forgotten, and a banker and rich when I last heard from him. The other two boys I know nothing about. Uncle Jesse lived 12 miles S.W. of Princeton, Gibson County, Indiana. He was a successful farmer and a lover of fine stock of all kinds, and did much in improving the same in that country. He and wife died on the place where I first knew them at a ripe old age. I will say here that Aunt Betsy as we called her had a brother, William Kee, who was employed in building the first steam mill at Princeton when he lost his balance and fell from the top of the building and broke his back from which he recovered but he could never walk. He learned the shoemaker's trade.

At the beginning of my sketch, I spoke of William Barker, my father, his marriage, etc. He and my mother had twelve children, nine girls and three boys.

A Ghost City by Cunningham

You have read with interest of the ghost cities of the west. These were cities that sprang up and flourished around a rich strike of gold or silver ore. When this was worked out and no longer paid, the city was abandoned to the elements and the wild coyotes. Did you know there are ghost cities in Gibson County? These cities sprang up in the early days at advantageous points for navigation and transportation and were rendered useless by the building of the railroads, Buena Vista (Giro) is one such place in Gibson County.

In about 1800 three brothers, Joseph, Jacob, and Luke Decker settled in what is now Washington Township, Gibson County, on the site of the future Buena Vista. They established and operated a ferry there (White River) under authority of Knox County for all south-western Indiana was Knox County until 1813 when Gibson County was created. This ferry was operated for over a century and most of the time was owned by some member of the Decker family. The settlement was known as "Decker Ferry" and as early as 1816 there was a general store there owned and operated by John Claypole. This was the first store in what is now Washington Tp. There was considerable business transacted there until the 1840's when business began, to grow by leaps and bounds. These were the days of flat and keel boats. The site was a good one for a town. It was high above flood waters. It was surrounded by a territory rich in valuable timber and farm products. For these reasons Samuel Decker and wife had the town platted in March 1848.

Just why the town was named Buena Vista is unknown to the writer. Probably it was named for the famous battle of the Mexican war fought the year before the town was platted. Washington Tp. had one soldier, Logan Gasaway, in this war and he probably had something to do with naming the town. He became a resident and lived there several years.

This town grew rapidly and prospered for 8 or 10 years. There were located there during the early 1850's four large general stores, two packing houses, one saw mill, a hotel and several boarding houses, a blacksmith shop, a wagon and carriage shop, a saddlery, two cooper shops, one shoe maker, one shoe repairer, two doctors, one saloon, one church, and one school house. A postoffice was established there in 1853 and John Cunningham was appointed to be the first postmaster, One of the large stores and packing houses was owned by the Cunningham brothers and will be described fully in a separate chapter.

The saw mill was owned by Key & Sons. They furnished lumber for every purpose including coffins and flat boats, About the

He was twice married, his second union being with Sarah Brunner, widow of William Key. She had three children by her first marriage and two by the second. James was living alone in 1870 census. His age is believed to be in error. His children Mary, Theodore and Delia were living in the Henry Geskie household.

Notes from W. J. Thomas:

Birth date is from the Federal census of Gibson County Indiana, Patoka Township, Page 1058 Line 30 which list him as being 63 years old in 1860 which would make him being born in 1797. James M. Thomas, Josephine (Gerdes) Ross, Margaret and Mary Grace Dumm and the other cousins whom I have spoken to say he was from Bath England as do my two Aunts Josephine (Thomas) Gerdes and Jane Thomas, who I spoke to on a trip to Pittsburgh in 1975. I have a letter dated August 19, 1996 from Mr. Adam Green the County Archivist of the Somerset County Council, Taunton England which holds all the church records for Bath, which states that James the son of Francis and Eleanora Thomas was baptised in Walcot parish on 23rd of July 1797. As there were no other James Thomas's baptised in Walcot parish for the years before and after (1796, 1798) and none in the surrounding parishes I believe this is our James Thomas.

Steven K. Smith, a descendant of Henry W. Thomas, James Thomas's first child by Cynthea Key, while doing some research in the Somerset County archives in Taunton England found an Indenture dated the " Twenty sixth day of March 1807 in the forty seventh year of the Reign of our Sovereign Lord George the Third puting forth James Thomas, a poor child of the Parish, as an apprentice in Husbandry or some other lawful employment ". James might have been apprenticed to a gunsmith. Francis Thomas died the eighteenth of May in 1798 just nine months after James Thomas was born. Eleanora might have been under some financial pressure, hence she put James out to learn a trade. Steven Smith thinks this might explain where James was send after his father died. Just speculation but it seems likely.

Francis and Eleanor were married in the area covered by the Avon/Bath Somerset index I spoke to my Aunts Josephine (Thomas) Gerdes and Jane Thomas in a visit to Pittsburgh in 1975 and they said that "the Thomas's were Welsh and from Wales". A book in the Princeton Public Library in Princeton Indiana by Gilbert R. Stormont titled History of Gibson County Indiana has a sketch on Theodore Fleming Thomas a son of James Thomas and Cynthea Key and a brother to our Grandfather David. This sketch says "James Thomas was a prominent civil engineer having been a foreman during construction of one of the large bridges built over the Thames River". This sketch further states that "James came to New York with a brother, (Francis born 14 March 1791 in Walcot parish, Bath England see letter of April 26, 2000 from Somerset County Council) and the two separated in New York and James came to Princeton Indiana where he located and engaged in the manufacture of firearms". They left a sister (Harriet Elizabeth born 17 March 1793) in Walcot parish, Bath, England. "James had a natural genius as a mechanic and was actively engaged until the time of his death at Owensville Indiana while living with his son". James was married twice and had two children by his first wife, her name unknown. The children of this first marriage were

Franklin and Helen. The library in Washington County Indiana has an article on a Frank Thomas who was also a gunsmith. Washington County is the county just east of Gibson County. This is probably Franklin. I have no information on Helen who lived in Sparta Illinois. James Thomas was a gunsmith and also a blacksmith.

From the Vanderburgh County Indiana Circuit and Superior Court Book H Year 1850-53. Evansville, Indiana. "James Thomas declares his intention under oath to become a citizen of the United States October 8, 1852". James probably did not follow through on this as I could not find any naturalization papers in the court records.

The ceremony took place in Gasconade Co., Mo. Obadiah and Mary Ann Carter were the first settlers in the Keysville area, arriving in 1825. As the community grew Obadiah's skills as wagonmaker became well known, and an asset to the community. Obadiah served as County Judge and Magistrate and was a Justice of the Peace from 1838 until his death from loss of blood in 1843, when he was buried at Keysville. Obadiah and Mary Ann were members of the Crooked Creek Presbyterian Church.

Villages of Crawford County, Missouri - OLD ELM TREE-KEYSVILLE

Among the sixty-three settlers who were already living in Crawford County in January 1829, eleven of them had settled in the vicinity of Keysville. Four of the families were Keys, hence it was natural that the place be called Keysville.

These eleven families, and others who were early arrivals on Crooked Creek are Obadiah, William, Lewis, and Eli Key; Washington, John, and Reuben Carter; J. Givens, John Dunlap, John Stafford, Reuben Vaughan, and Oliver and Tom Bullock. Also coming early into the valley were the Browne, Laney, and Arthur families.

The earliest settler, whose date of coming is established, was Obadiah Key. He came with his young bride from Kentucky. They first settled briefly in Washington county but arrived in Crawford County in 1825.

Obadiah's wife was Mary Carter and her relatives, the Carters, were among the pioneer settlers. Obadiah Key became a useful citizen in the Keysville community. He served as county judge and magistrate, both positions of trust in the early days. He was a good wagonmaker and this occupation proved a great asset to the community.

Keysville had its beginning on the south bank of Crooked Creek across and not far from the present site. It was first called Old Elm Tree, an unusual name, but called such from the presence of a very large wide spreading elm tree at the site.

When the Pilgrim Fathers landed at Plymouth Rock in 1620 they immediately began to build a meetinghouse; when the hardy pioneers came to the area of Old Elm Tree, they, too, built themselves a place to worship God. In 1834, scarcely ten years from the first arrival, the settlers had organized a union church to be used by people of all faiths. A short distance down the valley on the banks of Crooked Creek, George Washington Bullock and Oliver Bullock had set up a gristmill. In that day the gristmill was inevitable; it served one of man's first and foremost needs for survival.

Keysville was surveyed, laid out in streets, and deeded as a corporate village by Elijah Key and wife, Matilda, in 1873.

From 1870 to 1970 many changes were made in the ownership of the major portions of the Keysville area and especially was it true of the site of the mercantile activity.

The abstract records from 1873 to 1931 show the following transfers of property either in part or as a whole of the leading real estate in the locality.

The names may not be listed in chronological order but are as follow:

Peter Arnett, Thomas Key, Thomas Maxwell, John Bowers, F. J. Vaughan, James Davis, S. E. Vaughan, George Mayberry, Thomas Taff, W. T. Campbell, Sarah J. Dobbs, Peter Young, Charles Rogers, J. T. Maxwell, Samuel Key, J. A. Key, William Maxwell, William Arnett, M. E. Beers, Homer & Frank Branson, Haley & Obadiah Key, J. Russell Sites, Olata Morrison, Clarence M-Ldyett, Iva Martin, Jasper Tournbough, Elza Cottner, and Laura Armistead.

An accurate list of the Keysville postmasters is not available locally, but of those known who have served in the past are the names of J. T. Maxwell [1888], Olatha Morrison,, Elza Cotner, Laura Armistead, Homer Branson, Ethel Branson, and June Branson.

In 1931 there were two excellent stores in Keysville. One was owned by Melvin Beers and the other by Homer and Frank Branson. The Branson brothers had married sisters, Lorene and Ethel Taff, daughters in a well known Crawford County family.

Soon after acquiring land in the Keysville vicinity the brothers worked together and often-times were joint property holders. Both became very successful in farming and in business. In 1931 they purchased the Beers Store and moved their stock of merchandise to the Beers location. Mr. Beers moved to his farm up the valley.

About 1926, a Job high school was established in an effort to furnish two years of high school credit for the children who graduated from the Keysville Elementary School. The high school principal during the years was Theodore Leaver and the elementary teacher, his wife, Marie Beers Leaver.

When the other schools of this type in the county were closed Keysville also closed.

With the coming of the nineteen thirties Keysville appeared to be moving into an eclipse. After the financial crisis of 1929 abject poverty faced many in the valley. Often the residents of the community had not prepared for the "rainy day," had lived from day to day. The timber business was on the wane, employment was difficult to obtain at a living wage. Being diligent in business, Branson brothers had now acquired much of the land and the other property around Keysville. Through their resourcefulness and generous hospitality they were "good Samaritans" to others during the depression years.

The railroad was built through Keysville in 1873 and the tie and timber business had thrived for many years, but timber became more scarce and the demand less and less. About 1949 the two leading tie companies, Logribrink and the Egyptian Tie and Timber Company, closed their operations.

In 1888 Goodspeed Publishing Company gave a brief history of the Cumberland Presbyterian Church at Keysville. The report as follows:
"Crooked Creek Cumberland Presbyterian Church was organized about 1834, by Frank Braley. The first members were J. Givens and wife, Obadiah, William, Elijah and John Key, John Dunlap and wife, W. Carter and wife, Mary Key, Richard Stafford and wife, and Reuben Vaughan and wife. Originally the Baptists and Presbyterians built a union log house, but disagreeing, the Presbyterians built a church building of their own, also a log house, in which they have worshipped about forty-eight years. The pastors have been Reverends Jonathan Burris, Jacob Clark, Solomon Brown, John E. Braley, I. C. Richey, E. M. Johnson, George Brown, A. A. Johnson, J. W. Dobbs, James B. Braley, and Isaac Eaton. The membership is now about thirty-five."

The old church doors are now closed and as a grand old lady lately said, "There is not a Presbyterian left in the valley."

1907, Feb 21, CRAWFORD MIRROR - Obituary

Died, at the home of her daughter, Mrs W. R. Grayson, on Feb. 15, 1907, Mrs. Sarah Arthur, aged 93 years, 1 month and 19 days.

The remains were interred at the family cemetery on the old Luke Key place near Keysville.

Grandma Arthur was born Dec. 27, 1813. Her parents moved to what is known as the old Carter place, on Crooked Creek, in 1826, and she had been a resident of this locality ever since.

She was married to James Arthur on the 3rd day of Jan. 1830. Ten children were born to the union. Those still living are W. H. Arthur of Osaxaca, Mexico; E. J. Arthur of Camp, (Fulton Co), Ark.; Mrs L. C. Hooper of Black Rock, (Lawrence Co), Ark.; Mrs Myra King of Wilson Mills, and Mrs Eliza Grayson of Cook Station, (Crawford Co, MO).

"Grandma" had been at the home of her daughter, Mrs. King, for some time, when she decided to visit Mrs. Eliza Grayson, about two miles distant. She seemed in better health than usual when she had made the journey, and was able to walk about the premises, but in a few hours she suffered an attack of indigestion, from which she died the following day.

"Grandma" was the last of eleven children, among whom were Elijah, William and Luke Key, who spent their entire lives in this vicinity.

About twenty-seven years ago she professed the Christian faith and was baptized at Keyville, and had been a devout member of the Baptist church ever since.

She had of late often spoken of death, and had expressed herself as willing to lay down the cares of this world for the joys of the one beyond.

Long did she gaze and wishfully;
 Her dim eyes wet with tears.
 As if she found some sweet face lost within the jostling years;
 And in its narrow bounds aglow,
 Within rose-light, all the long ago.
 To Our Grandmother.

NOEL & EILEEN DEWING VAUGHN

Elijah Key and Sarah (Sally) Collins married Warren Co., Ky., 1799. According to Boddie article in "Historical Southern Families", Sarah Collins was granddaughter of Thomas Collins b. 1729. York, Eng., and the daughter of Capt. William Collins who served in many areas of the Rev. War. Her aunt, Jennie, has been listed heroine of that war, carrying dispatches at night past the enemy.

Elijah and Sarah were in Crawford Co. as early as 1813, and histories indicate the town of Keysville was given that name because of Elijah and/or some of his many children who settled there.

One daughter, Sarah Key, married James Arthur, 1830, Crawford Co. One of their children Myra Jane, married John Roberts in Crawford Co., and it was here that their child Myrtle married Henry Berry Vaughn (son of Charles B. Vaughn and Mary Emma (Roberts) Vaughn, and grandson of Thomas Roberts & Sarah J. (Farris) Roberts all buried at Roberts Cemetery near Cook Station).

Henry B. and Myrtle had a number of children many of whom are still living in or near Cuba, Mo. Children: Elmer, b. 10-30-1913; Noel, 10-22-1915; Lloyd & Floyd, b. 10-19-1917; May b. 5-20-1921; Everett, b. 4-6-1923; Earl 4-26-1925; Wilbur, b. 7-15-1929; and Charles 5-13-1931. Wilbur and Charles were born Cuba, Mo., the rest of the children born in Cook Station.

Floyd was killed in an airplane crash in Italy 11-11-1945, while in service of his country.

The second eldest child, Noel, was born in Cook Station and attended Cuba High School, graduating in 1936. He attended Central Wesleyan College in Warrenton, Mo., 1936-37. Noel and Eileen Dewing (daughter of William and Frances Dewing of St. James) married in 1939 and within two years the couple had moved to St. Louis.

Noel served in the Asiatic Pacific theater, 131st Bn. 1RTC, during WW2. He is a retired Postal employee and he and his wife have had many accomplishments in their lives. They have set a life-long example of steadfast goodness and personal integrity that have inspired friends and family - and have served well their church and community.

Noel and Eileen have two children: a daughter born in Cuba, Darla (Vaughn) Parkes, who has been listed in "Who's Who in Information Science" and was recently honored by being chosen to be included in the "World's Who Who of Women" and a son, Gerald Vaughn, now a Methodist minister in Paola, KS. They have three grand children; Karen Vaughn, Sharon Parkes, and Debra Parkes.

Noel recently attended the 50th reunion of his Cuba High School class and has missed very few if the many reunions in between. He regularly visits friends and relatives in the Cuba area.--Submitted by Darla (Vaughn) Parkes

ALLENTA/ALLANEY WHEELER BROKAW (1828 -)

From the Census records the families of Wheelers, Brokaws, and Ingrams are related by marriages. While Elizabeth Ingram was thought to be a Wheeler (daughter of James and Elizabeth Welch Wheeler) no document has been found as certain evidence. There is very strong circumstantial evidence for it. First, her mother is also Elizabeth; second, she was born in Virginia. Third she is listed in the 1850 census with the Paten Wheeler family, also born Virginia. Finally, listed with George (brother of Isaac ?) & Sarah on the 1870 Census is Charles Wheeler (he is listed on the 1880 census as adopted). Also two Ingram children are enumerated with her, Bell and Columbus.

She was married to Issac J. BROKAW (son of Abraham BROKAW and Elizabeth EVERSOLE) on August 17, 1847 in Gibson Co., IN.⁷⁰ **Issac J. BROKAW**¹⁹ was born about 1821 in Gibson Co., IN.⁶⁹

The following affidavit was given in New Madrid County, Missouri, March 26, 1892:

"that he lost his hearing in the heavy cannonading at Chattanooga, Tenn., in the fall of 1863. Source is not due to vicious habits and is of a permnant disability. He further states that the instigation was first caused by the signal cannon of 100# was fired to advance and then kept up by artillery firing until the fight was over, the older I get the worse my hearing gets."

March 26, 1892" I futher declare I never have applied for a pension since 1891. I futher declare, I made application before Dr. Peck of Vincennes, Ind. and do not know his report. It was in the year 1867 and I had to travel for my health and could not attend to it.

"Civil War Soldier Wrote family Just before death."

"With the advent of Memorial day interest will attach to the following letter received by the late Minerva Wheeler from her husband, Harrison Wheeler a former resident of Princeton, while he was serving with the 58th Indiana Volunteer Infantry in the Civil War during 1862.

'Dear wife and children: I received your letters dated March 12 and 20 and was glad to hear you were all well. I am stouter and healthier than I have been in six months. I weight one hundred and thirty-six pounds in my shirt sleeves and gaining all the time now. I think the hard time is over now with us. I have sent my short coat home and your pictures and comfort and one pair of mitts for I could not carry them. And one tactic book in care of David Archer. Take good care of the tactic book. I am going to send my overcoat in two or three weeks. The paymaster is here now and we will get our money in a few days. We have drawn a new suit of clothes and will send all home that is worth sending. I want to come home when we draw our money if I can get a furlough but I don't know how it will be. Tell Mr. Sterns that I would like to see him and Mrs. Sterns. Tell William Archer I want to come home at hay harvest to beat him a-mowing. Tell Mr. Archer my best respects for him and all the rest. Friendship has stood true with them and I could live and die with them. I know that no better neighbors could ever be. I got one letter from Mont yesterday and was glad to hear from them. He said they were all well but had had a hard winter. His letter was dated March 7. I have written seven letter to him and got two from him. If Jack is still living, I would like to know it. You said that Sarah DePriest was sick and that George said if I was sick that he would come after me or send money to me. I don't need any money, if he has any to spare tell him to help you some. Now something to Caroline and John Riley. I want them to be pretty children and read their books and tell John Riley not to go with bad boys. Try and make a little garden if you can, it will be some help to you. Write when you can and I will do the same. So no more for the present but remain your true husband till death.

HarrisonWheeler to Minerva Wheeler and Caroline and John Riley and little Lisey, my dear little baby.-- P.S. I sent two letters by Hugh Green and told him to stop and tell you all about me and all the rest and the true state of facts. That is all, write often and soon.'

"The soldier who wrote the above letter was soon sent to a hospital where he died. Whether he ever expected to see his loved ones again when he wrote the letter is a matter of conjecture. The baby, Lisey alluded to in the letter is Nancy Elizabeth Mounts known as Aunt Lisey who now lives at 22 1/2 N. West St." (Princeton, Gibson County, Indiana--rwjr)

JASPER BLACKARD, Civil War Casualty November 25, 1963

Jasper Blackard was a Private in the Fifty-eighth Indiana Infantry Regiment, Company B. The Fifty-eighth Regiment was organized at Princeton, in October, 1861, and Henry M. Carr was made colonel. It left for the field in December, crossing the Ohio at Louisville. Being assigned to Wood's division of Buell's army, it marched, during the winter of 1861 and 1862, through central Kentucky, stopping a few weeks at Bardstown, Lebanon, Spring Garden and Bowling Green. March 1 it arrived at Nashville, remaining there until April 1, when it started for Pittsburg Landing, reaching there on the

evening of the second-day's battle of Shiloh. It engaged in the siege of Corinth and after the evacuation of that place, marched into northern Alabama, and thence to Shelbyville, Tenn. From here it moved to Decherd, where it lay for a few weeks, marching thence with Buell's army via Nashville to Louisville, where it arrived October 1. From here it immediately counter-marched to Nashville, in pursuit of Bragg's army, reaching there in the latter part of November. November 26th the regiment moved toward Murfreesboro, and the day following charged the rebels at Lavergne. It participated in the battles of Stone River, December 31 and January 1 and 2, 1863, being attached to Hascall's brigade of Wood's division of the Twenty-first Corps, losing eighteen killed, eighty-seven wounded and five missing, making a total loss of 110. The regiment remained in the vicinity of Murfreesboro until the movement against Tullahoma was commenced, when it moved with the army in that direction. It was in the brigade that was first to enter Chattanooga, and was engaged in the battle of Chickamauga, losing in killed, wounded and missing, 171, out of an aggregate of 400 engaged.

The regiment then fell back with the army to Chattanooga, and was engaged in the battle at that place on the 23d of November, and was in Wagoner's brigade of Sherman's division, in the charge on Mission Ridge, on the 25th of November, losing five killed and sixty-one wounded.

Jasper was one of those killed or mortally wounded in the charge on Mission Ridge.

The Regiment (550 men) mustered out July 25, 1865 at Indianapolis. During the term of service the regiment lost in battle and disease 268 men.

Rebecca Ann Lamb Wheeler is listed on the 1870 Census with her father's family. The marriage to Lewis Long in 1869 may be a different Rebecca Wheeler. With her father, John Lamb, she is still listed as Wheeler. Children listed after her are John, age 6, Dorry J., age 4 and Rebecca, age 5 months (born in January of 1870). A letter in the possession of Bette Millaway (descendant of Mary Jane Wheeler Davis) states that Andrew J. Wheeler died 29 October 1866, nearly 3 months before Dorry J. was born. Rebecca died when Dorry J. was 5 years old. There is therefore a question about a second marriage and who was the father of the younger Rebecca born in January of 1870. The Census still lists her as "Wheeler" as well as the three children. The Census may be in error or perhaps Lewis died before the Census and she retained the Wheeler name.

Andrew Jackson WHEELER and Rebecca Ann LAMB had the following children:

- 500 i. **John W. WHEELER**¹⁹ was born on April 2, 1864 in Gibson Co., IN.⁸⁶ He died in September 1941 in Billings, Oklahoma. Information from Bette Millaway, Corrine, Utah.

Gabarrella may not have children of her own. Children of George are by two previous marriages. John W. and Robert were Sarah Wheeler and George's children. At least three other children were by his first known wife Cynthia Ann (maiden name unknown) of Kentucky. John W. may have been a son of James Bridges listed together with DePriest family in 1860 Census.

The following was copied from "History of Gibson County Indiana" by Elia W. Peattie page 45.

SAMUEL HENDERSON DAVIS is an enterprising farmer whose life has been a busy and useful one, and who, through earnest effort has overcome the difficulties and obstacles in his path and worked his way upward to success. He was born in Pennsylvania County, Virginia, March 7, 1819, a son of Joshua and Sallie (Green) Davis, the former a native of Pennsylvania County, and the latter of Lulenburg County, Virginia. The father received a common school education and was reared by his mother for his own father had died when he was twelve years of age. When twenty-eight years of age he married Sallie Green, and they became the parents of eight children-Parthenia, Louisa and Agnes, all deceased; Samuel H., Joshua, Wm. J., Sallie Ann and George, who have all passed away. In 1826 Joshua Davis removed to Western Tennessee and in 1828 came to Gibson County, where he followed farming until his death, which occurred March 19, 1843. His wife died in October of the same year. Though he came to this county a poor man, he acquired a comfortable competence and at his death was the owner of a good farm of one hundred and sixty acres. Samuel H. Davis was a child of six years when he came with his parents to Gibson County, and here, amid the wild scenes of the frontier he was reared to manhood, experiencing the usual hardships and privations of pioneer life. He assisted in the development of the home farm until twenty-four years of age, when he started out in life for himself as a farm hand. he was married January 28, 1848, and onto the marriage were born eight children, namely: George W., Louisa, Elizabeth, deceased; John H., Mary Ann, Samuel, deceased: Ella Jane and William J., deceased. The mother of this family, who to her husband was a faithful helpmeet through many long years, is now totally blind. For a near after his marriage Mr. Davis operated the old home farm, and then purchased one hundred and sixty acres of land upon which he has since resided. The early days formed a period of hardship and earnest toil, but he courageously worked on. and as the years passed his financial resources increased, enabling him to add new comforts to the home and supply his family with better advantages. He has given to each of his children a quarter section of land at the time of their marriage, and yet retains a comfortable property, from which he derives a good income for himself. He is truly a self-made man and in his life there is much that is worthy of emulation. Mary Jane BARKER and Samuel Henderson DAVIS had the following children:

- +532 i. **George W. DAVIS** (born about 1849).
 - +533 ii. **Louisa DAVIS** (born on December 5, 1850).

BOOT PRINTS IN THE ORCHARD by Jane Power

It was a time of turmoil for the country and the hearth. As the Civil War raged, so did the battles of the home front. Lt. Achilles M. Brown was far from Crawford County with his Illinois Infantry Company. Several letters had been received indicating things were not going well back in Oblong, Illinois. Mrs. Brown was apparently socializing a little too much with Dr. George W. Routt and the neighbors were talking. Achilles resigned his commission as a lieutenant and headed home to "make things right."⁽¹⁾

Dr. Routt's background would indicate Mr. Brown had something to worry about! In 1853 Routt married Margaret Stewart⁽²⁾, but Margaret died⁽³⁾ shortly after their daughter Florence was born. George and Florence may be found in the 1860 Crawford County⁽⁴⁾, Illinois census living with Alexander Stewart.

George was forced to marry Judith Hockman on January 22, 1858⁽⁵⁾. He had "courted Judith a few months back" and she had gotten pregnant. After compromising on a bastardy suit by agreeing to marry Judith, George left the county. And stayed away. The child, Emery Birtus Routt, was born April 2, 1857⁽⁶⁾. William Hockman, seeing his sister's distress and serving Lawrence County, Illinois as constable, gathered a few friends to bring Dr. Routt to justice⁽⁷⁾. While Hockman waited on the Lawrence County line, William Blackburn went into Crawford County to Alex Stewart's home where Routt resided. Blackburn told the doctor he was needed to help a sick woman and please come with him. The following is Mr. Blackburn's account of their short journey:

"I was the man who told Routt that there was a sick woman over in Lawrence County who desired his services. He told me that he had understood that they were going to force him to marry Judith Hockman and said he was not going to do it. If any man attempted to arrest him he would shoot him down with his revolver, that he had compromised with her six months before by promising to marry her but was not going to do it. After I and Dr. Routt got down into Lawrence County we saw some of my party coming and he started off but I caught his horse by the bridle and told him to hold on that he was the man that made that woman sick, and he must now go and marry her and take care of her and would do so that night if I wished him to." On cross examination, Blackburn continued his story: "I went by myself over into Crawford County and at my request Routt went over the line into Lawrence County. I let on to him that it was a great crime he said it was not so great as I might suppose it was, that he had courted a girl over in Lawrence County at one time and that she had become pregnant and they wanted him to marry her and he should not do it. The officer and two others remained in Lawrence County consealed about two or three miles north of Chauncy until I went for Routt and got him over the line into that county and got near them. It was after night but the moon was shining. When I arrived at Alexander Stewart's in Crawford County where Routt was boarded it was about dusk. After the officer and men came up behind us after we got over the line, they took Routt. After they arrested him, referring to his threats I said to him now DocK (sic) where do you bury your dead? He replied, 'O you know we all say a great many things that we never intend to do.' I then left them and went no further with them."

Once across the line and into Lawrence County, Constable Hockman had his man. The group proceeded to Justice of the Peace, Isaac Pott's home and then on to the Hockman family home for the wedding. Justice Pott's had this to say:

"I have seen Dr. Routt twice in his life time. The first time I saw him he was brought before me on an arrest on a warrant for Bastardy to compel him to marry Judith Hockman. The suit was compromised by him promising to marry her. Shaw, myself, Brower and others were present at the time. The next time I saw him he was brought to my house at a late hour in the night. I then went with them to Hockman's one of Judith Hockman's brothers, and I then married Dr. Routt and Judith Hockman and he was discharged from the arrest. There was no coercion used on Routt if there had been I would not have married them. He was free to marry her or not as he pleased. They then returned to my house in a buggy that night Judith Hockman Dr. Routt and the babe. Routt was stubborn and set by the fire all night. The woman and the child went to bed in another room. The next morning he went into her room and talked with her. He complained to her of her not keeping her promise to him. He claimed that she was not to prosecute him. She said that she did not want to do so, but her friends compelled her."

There is no indication Dr. George, Judith and Emery ever lived together as a family. In 1860 Judith is back in court, with Aaron Shaw as her attorney, filing for a divorce on grounds of abandonment⁽⁸⁾. Seems as though George chose to live in Crawford County. George, being "thrice times called" never bothered to show up for the court proceedings; Judith was granted her divorce (calling Routt a "heartless rascal") and \$120.00 per year in alimony on April 6, 1860. Judith went on to marry Smiley Sumner on February 19, 1862⁽⁹⁾. She and Emery may be found with him in the 1870 Crawford County⁽¹⁰⁾, Illinois census.

George took as his third wife Isabella Price on March 22, 1866⁽¹¹⁾, and opened a dry goods business with Achilles Brown.

But rumors of a dalliance between Dr. George and Mrs. Brown persisted.

One fall evening in 1873, Mrs. Brown made an excuse to go out to the orchard. Mr. Brown followed her out, whereupon she came right back inside. The next morning while inspecting the orchard, Mr. Brown found boot prints he suspected of belonging to Dr. Routt(12).

Mr. Brown got his gun, went into town, met and chatted with several friends, walked into Dr. Routt's office, shouted, "I'll teach you to make a Hore (sic) of my wife," and in front of Wilson Price shot Routt in the chest. As Routt lay dying on the floor, Brown walked over and "shot him in the ear with the bullet exiting the other ear(13)." (Mr. Brown was jailed for his own protection and after several changes of venue and "oratory that made grown men weep," he was acquitted of the crime. He went back to Oblong and lived on his farm with half of his children, Mrs. Brown living in a house in town with the rest of the children(14).)

In September, 1874, Emery Birtus Routt, the almost illegitimate son of Dr. George and Judith Hockman Routt, filed suit on his father's estate as an heir(15). Smiley Sumner, his step-father, served as his next friend. Belle Routt had returned from an extended trip to Texas to guard her dower. Emery presented several depositions to prove his parentage and we are told Judith had passed away the previous year on October 22.

Next we find Emery Routt paid taxes on his farm in Larna, Illinois in 1879(16). He then married Alice May Fitch(17) (daughter of Charles DeWitt Fitch and Cynthia Longmore). They moved to Gage County, Nebraska(18) where their seven sons were born -- one of which was my grandfather, Ralph R. Routt. The family moved to Ft. Worth, Tarrant County, Texas in 1890 and many descendants reside in the old Handley township area today.

The following was copied from "History of Gibson County Indiana" by Elia W. Peattie pages 43 and 44.

MONROE KEY. - Among those whose devotion to the duties of public and private life have made them valued citizens of Gibson County is numbered Mr. Key, a prosperous and popular farmer of Patoka township. On southern battlefields he demonstrated his loyalty to the Union, and in the more quiet walks of business life he has displayed those sterling qualities of integrity and straightforwardness which everywhere command respect. Mr. Key is a native of Gibson County, born September 4, 1841. His father John L. Key, removed from Scottsville Kentucky, to this county in 1808 and followed farming and merchandising. Leasing his farm for ninety-nine years, he afterward removed to Georgetown, Illinois, where he died in 1874, at the age of seventy-four years. His wife, who bore the maiden name of Mary Latham, died in Gibson County in 1880, aged, seventy-four years. Their children are Monroe, Mrs. Mary Murphy, and John. The father had five children by a former Marriage, of whom four are living, as follows: S. C. of Concordia, Kansas; William, also of Concordia; Marion, of Pike County, Indiana; and Hannah, wife of J. W. Harris, of Patoka. Monroe Key was educated in Patoka and at the age of twenty years enlisted in the Union army as a member of Company C, Fifty-eighth Indiana Infantry. On the 12th of March, of that year he was married in Princeton. In July, 1865, he was discharged and mustered out at Indianapolis. During the first year after his return home Mr. Key engaged in the lumber business. He then learned the carpenter trade, and followed contracting and building from 1867 until 1888. In the latter year he was elected Sheriff of Gibson County, and in 1892 was reelected, serving for four years. He was one of the most efficient officers ever in that position and his promptness in carrying out the law won him the highest commendation. Since his retirement he has engaged in the operation of his farm, which comprises two hundred

and forty acres of rich and valuable land. Mr. Key was married March 9, 1871, to Eliza Summers, and their children are Charles S., Nellie, Annie and John L. In Politics Mr. Key is a staunch Republican, and is a member of the Grand Army of the Republic. His life has ever been honorable and upright, displaying the same fidelity which he manifested on southern battlefields when upholding the cause of the stars and stripes.

He was married to Eliza A SOMERS (daughter of John SOMERS\SOMMERS and Anne MCCRACHEN) on November 9, 1871 in Gibson Co., IN.³⁴

Eliza A SOMERS⁷ was born on June 24, 1847 in No. Ireland. She died on September 9, 1939. She was buried in Oak Hill Cem., Patoka, Gibson Co., IN.

Mrs. Eliza Key Celebrated
92nd Birthday June 24

Relatives and friends of Mrs. Eliza Key celebrated her ninety-second birthday Saturday at her beautiful country home south of Patoka.

A bounteous dinner was spread at the noon hour. Mrs. Key's maiden name was Eliza Somers. She is the widow of the late Monroe Key and was born in Ireland, June 24, 1847. She with her parents and brother immigrated to the United States when she was a small child and lived in Cincinnati, Ohio, for some time. Later, while still a small child, she lived at Princeton with her foster parents, Mr. and Mrs. Willis Hargrove, who after a while became Patoka residents where Miss Somers was married to Monroe Key November 9, 1871, in their home which is now Sibert Inn. Mr. and Mrs. Key made their first home across the street from the Sibert Inn where were born their six children: Charles S., Patoka; Miss Nellie, residing with her mother; Carrie and Una who died in early childhood; Anna, who departed this life October 27, 1934; and John L., Sr., living in Terre Haute.

Mrs. Key has four living grandchildren: Monroe Key of Hazleton; John L Key, Jr., stationed at Hawaii, Oahu, and serving in the division of the field artillery of the U. S army; Patricia Carolyn Key of Terre Haute; and Louise M. Key of Indianapolis. A grandson, Charles W. Key, was killed on Highway 41 three years ago.

Mrs. Key has lived a very active life and while at present her physical condition in some ways is not as good as once was, yet, her eye sight and hearing seems to be unimpaired, and her mind is clear and alert as I younger days. She enjoys telling experiences of her many years and relishes a good joke as much as anyone. She is cheerful and it can truly be said she is 92 years young.

Mrs. Key was the happy recipient of many lovely flowers and other gifts.

Guests for dinner were: Hostess Mrs. Eliza Key and daughter, Miss Nellie: Mrs. Mary Eskew of Kings Station; Mrs. Alice Stermer, Mrs. Fannie Jones and Mr. and Mrs. Charles S. Key, all of Patoka; Mr. and Mrs. Monroe Key of Hazleton. Those who called to pay their respects: Charles Stermer, Sr., Mrs. Harvey Witherspoon, Mrs. Horace Witherspoon and Mr. and Mrs. Wallace Harris of Patoka, Mrs. Mary Helen Montgomery of Kings Station.

Monroe KEY and Eliza A SOMERS had the following children:

JAMES W. KEY.

The life history of James W. Key, one of the well known and highly esteemed venerable citizens of Gibson county, now living in honorable retirement, shows what industry, good habits and stanch citizenship will accomplish in the battle for success in life. His record has been one replete with duty well and conscientiously performed in every relation of life. He has come down to us from the pioneer period and has noted the wondrous transformation from that time to this, playing his part in the drama of civilization. He has thus been an advocate of wholesome living and cleanliness in politics as well and has always stood for the highest and best interests of the community in which so many of his active years have been passed and which has been honored by his citizenship.

James W. Key is a native of Gibson county, born on the 10th day of March, 1832, near Hazelton. He is a son of William and Sarah (Bruner) Key, both of whom were natives of Kentucky and were among the earlier settlers of Gibson county. They were married in 1831 and William Key died August 12, 1836, leaving his young widow and three small children, the eldest of whom was James W., the subject of this sketch. William Key was born in 1804 and his death occurred on August 12, 1836. His widow afterward became the wife of John Ewing, who was of Irish stock and a pioneer settler in Gibson county, Indiana, owning a good farm in White River township. Mr. Ewing died on November 27, 1859, and was survived many years by his widow, who died on August 5, 1896, when past eighty-eight years of age. To Mr. and Mrs. Ewing were born two children, namely: Mary, who became the wife of Samuel Hargrove, of Pike county, and who died on March 11, 1885; she was the mother of two children, Minnie and John E. The other child, John W. Ewing, who was born February 14, 1850, in Gibson county, Indiana, died in February, 1909. The marriage of William Key to Sarah Bruner occurred in 1831, and at the time of his death he left, besides his widow, three small children, the eldest of whom was James W., the immediate subject of this sketch.

The subject's paternal grandfather, William Key, Sr., was a native of Kentucky, and to his marriage with Hannah Level were born a large family of children. William Key, Sr., was a man of industrious habits and was a genius in that he could do many things and do them all well. He was by trade a millwright, and after coming to Indiana made his home at Princeton. While building a mill on South Hart street, that city, he fell forty feet, sustaining injuries, from which, however, he recovered and lived to be past eighty-five years of age. In later life he took up shoemaking and coopering. He was a man of cheerful and jovial disposition and was widely known and well liked by all who knew him.

James W. Key is the only one of his father's family who is living today, and he has attained an advanced age well preserved in mind and body and with a keen interest in current events. His schooling in his youth was limited, partly owing to the limited circumstances of his mother and partly to indifferent opportunities at best. When quite young he took up the vocation of farming, which he has followed all his life and is at present living on his farm in White River township, Gibson county, in retirement from the active affairs of life, surrounded by his family.

On September 28, 1858, Mr. Key was married to Ellen J. McClure, daughter of Joseph E. and Katherine (Devin) McClure, both of whom were natives of Gibson county and passed their entire lives within its borders. To their union were born ten children, namely: James and Joseph P., deceased; Luella, Ada J., Sarah F., Katherine A. and Charles F., all of whom reside at home with the parents, the latter having charge of the operation of the farm for his father. William F. is engaged in farming in

White River township, Gibson county; his wife was Eva Gouff, of Kentucky. Margaret E. is the wife of John Stewart, a farmer of Gibson county, and Robert S., whose wife was Geneva Harvey, is engaged in agricultural work in Patoka township. On September 28, 1908, Mr. and Mrs. Key celebrated the fiftieth anniversary of their marriage in a fitting manner and are still spared to each other. They have many interesting incidents to relate of the earlier life in the county before many of our present-day conveniences were thought of. Mr. Key has lived in the same place since he was three years old and well remembers when the first railroad was built through this section and when wood was the fuel used on the locomotive. The house they occupy was built in 1874. The subject and his wife have twelve grandchildren.

Mr. Key is a staunch Republican of the old school who has always been interested in the affairs of the party, and his religious membership is with the Methodist Episcopal church, in the progress of which society's affairs he takes great pleasure.

Personally, Mr. Key is a man of clean character and has ever exerted a healthful influence in the community, giving his support to every movement which promised to advance the welfare of the community in any way. Because of his genuine worth and the success which has crowned his life's efforts, he enjoys the sincere respect of all who know him and he is eminently entitled to representation in a work of the character of the one in hand.

He was married to Ellen Jane MCCLURE (daughter of Joseph Perry MCCLURE and Catherine Ann DEVIN) on September 28, 1858 in Hazleton, White River Twp., Gibson, IN.³⁴

Ellen Jane MCCLURE^{7,16} was born about 1835 in IN.

HUGH MALONE.

The following is a brief sketch of the life of one who, by close attention to business, has achieved marked success in the world's affairs and risen to an honorable position among the enterprising men of the county with which his interests are identified. It is a plain record, rendered remarkable by no strange or mysterious adventure, no wonderful and lucky accident and no tragic situation, aside from his heroic services in the Union army. Mr. Malone is one of those estimable characters whose integrity and strong personality must force them into an admirable notoriety, which their modesty never seeks, who command the respect of their contemporaries and their posterity and leave the impress of their individuality upon the age in which they live.

Hugh Malone was born August 26, 1842, in Patoka township, Gibson county, Indiana, the son of James and Lucinda (Key) Malone. The father of James Malone was also named James. Hugh Malone's grandfather married a Miss Hunter. The grandfather came to Gibson county at a very early date and settled just north of Owensville. James, Sr., had a brother John: who accompanied him to this county. He was a prominent man of his time, being known far and wide for his geniality and wit, and as a story teller, he was often the center of an admiring group of friends. The Malones were great hunters in those early

days and their table was always supplied with the best game of which there was an abundance. In later years, James Malone, Sr., lived with his son, Absalom, in the northeast part of Owensville, his death occurring while he was residing there. In his early life he was at one time captured by the Indians and forced to run the gauntlet, composed of two rows of redskins, armed with clubs and whips, his body bearing marks of this experience to his dying day. To James Malone, Sr., were born six sons and one daughter. The subject's father was born in Lexington, Kentucky; Thomas, a blacksmith, lived in Owensville and Poseyville, Indiana; John, a farmer in Montgomery township; Al was a physician, preacher and store keeper, at Palestine, Illinois, where he was quite prominent; Elijah lived at Owensville; Eliza married William Matthews, a tailor, at Owensville; Parmelia married Owen Jones, a carpenter and expert wood worker, of Owensville. James Malone, Sr., and wife were members of the Baptist church.

James Malone, the father of Hugh, came to Gibson county with his parents when he was but three years old, and lived in this locality until his death in his sixty-eighth year. On reaching mature years he worked for nine years, at the wage of nine dollars a year, his employer being John Browder. At the end of this time he purchased a suit of clothes at an outlay of three dollars, the suit lasting three years. He was united in marriage to Lucinda Key, of Kentucky, and, settled in the Stone neighborhood, in Montgomery township, later removing to the Robb farm north of Princeton, where Hugh was born. To the subject's parents were born the following children: (1) John is a physician. As a baby he was rocked in a cradle made from a sugar trough. He attended school at Greencastle and studied medicine under Doctor West, after which he took up the practice of his profession and made it his life work. He was an orderly sergeant in the Forty-second Regiment Indiana Volunteer Infantry, but on account of disability was discharged. He died in 1892. His wife's maiden name was Harriet Trippett. (2) William was a farmer in Patoka township. He was the victim of an accident which caused his death. In cutting cord wood, he ran to get from under a falling tree and fell on an axe, so seriously injuring himself that his death resulted. (3) Hugh is the subject of this review. (4) Cynthia, deceased, married William M. Boswell and they lived in Gibson county; (5) Annie, deceased, was the wife of Isaac Mounts and lived in Patoka township. The subject's parents were faithful members of the Baptist church. His father was a Democrat.

The exceedingly limited early education of Mr. Malone was secured in the little log house of pioneer times, and he remained on the home place assisting in the farm work until his enlistment in the Union army, on August 11, 1862. He became a member of Company B, Sixty-fifth Regiment Indiana Volunteer Infantry, recruiting at Princeton, and under the command of Captain Stilwell, Colonel Foster and Lieutenant-Colonel Johnson. The command to which Mr. Malone was attached was sent to Evansville, Indiana, first being a part of the Twenty-third Army Corps, and its record of eighteen battles and innumerable skirmishes is one to be proud of. From Evansville they were dispatched to Henderson, Kentucky, and then up the Green River valley to Schuylersville, returning subsequently to Henderson, August 11th of that year the command was mounted and sent to Knoxville, Tennessee. From that place their operations extended as far as Bristol, Virginia, they being engaged at Smoky Mountain and Cumberland Gap. After being dismounted they took part in the great Atlanta campaign, and finally at the close of hostilities, took part in the Grand Review, at Washington, in April, 1865. After the review Mr. Malone was engaged in the fighting in North Carolina and was mustered out on June 9, 1865, and returned to his home.

September 7, 1865, Mr. Malone was married to Nancy C. Prichett, of Harrison county, Indiana, the daughter of John L. and Margaret (Jones) Prichett, he a native of North Carolina, and she of Indiana. John L. Prichett came to Indiana in 1862 and, in connection with farming operations, ran a mill and followed the cooper's trade. He was a very handy man with tools and his services were much in demand. He was a hard working and prospeous man, and at the time of his death was the owner of considerable valuable land. His wife afterwards lived with her son Hugh, until her death. To John L. Prichett and wife were born fourteen children, namely: Wesley, of Floyd county, Indiana; James, a saw mill operator at Fitzgerald, Georgia; Mrs. Hugh Malone; Frank, Jane and George, deceased; Bell, of Gibson county; Tena and Lydia, deceased; Charles, of Knox county, Indiana; Andy, resident of Gibson county; Annie, deceased, and Lucinda, of Gibson county.

To Hugh Malone and wife have been born the following children: (1) Lewis, of Evansville, Indiana, who married Stella Redburn, now deceased, and to them were born two children, Roscoe, deceased, and Leafy G., the wife of Ralph Zimmerman; (2) Will F., who died at the age of thirty six, married Theodosia Decker and they were the parents of children, Charlotte, May and William H.; Will F. was a farmer logger and thresher; (3) Gertrude, who married Edward Weisgarber, a farmer and gardener of Montgomery county, and they were the parents of six children. Gladys, Herbert, Ruby, Isabelle, Rudolph and Delbert.

After their marriage Mr. and Mrs. Malone located on his father's old homestead, in Patoka township, for seven years, and then went west overland with a team to Shawnee county, Kansas, where they remained for one year, returning thereupon to Gibson county and resuming the operation of the old home place. Mr. Malone, after another year, purchased thirty-seven acres of land from Thomas Morton, which he later sold and then bought his present fine home place at "Taft Town," just northeast of Princeton, where he has since engaged in gardening and the raising of fine fruit.

In the 1870 census for Gibson County, Indiana, page number 36, Mary Thomas Geisky was caring for Theodore and Dellia her younger brother and sister. Henry Geisky was a blacksmith. They were living in census house number 274. James Thomas was living in census house number 281 by his self. Key family genealogy says Cynthea did not die until 1890, other data says April 10, 1866 (from Steven K. Smith) this April date makes more sense. Josephine is listed in the 1860 and 1870 census and then no more. It is likely that she died before 1880. Mary is not listed in the census at all, but is mentioned in the History of Gibson County Indiana. This Josephine/Mary listings are very confusing. I feel sure that Josephine and Mary are two separate

persons. But Mary is not listed in the census at all, but she is listed in Stormont's History of Gibson County. This would make eight children for James and Cynthea, not seven as per Stormont's History. ??? Confusing.

Notes from W. J. Thomas

Savannah Thomas, was I believe married three times. Gibson County marriage records list her as marrying a Thorton Catt on July 30, 1863 in Gibson County Indiana. I have no other record of her until Theadore Fleming Thomas's obituary in the Princeton Clairon on July 9, 1925. She is listed as the wife of Van Pigman of Cincinnati, Ohio. A obituary in The Daily Democrat list her as Mrs. Van Tigman. Several inquires at the Ohio Historical Society, Columbus Ohio produced a death certificate for her. Her husband's name was George H. Pigman. There is also reason to believe that she had a marriage to a Thorton Bartholomew between Thorton Catt and George H. Pigman. The records at Spring Grove Cemetery Cincinnati, Ohio suggest that she had a daughter named Lillie Bartholomew. Lillie was married to a Joseph Valentine. Savannah, Lillie, and Joseph are all buried in the same lot at Spring Grove Cemetery Cincinnati Ohio.

Note 2004: The census records indicate Lillie's birth Surname was Catt. Lillie married Lymon Bartholomew.

Telephone conversation with Josephine (Gerdes) Ross, August 27, 1995 Prescott Arizona.

David left home at a very early age probably about 15 years old (1870) and joined a circus. He worked as a trapeze artist, lion trainer, and also as a blacksmith. After his marriage to Margaret Harding he settled down in Pittsburgh Pennsylvania. I have copies of newspaper or magazine advertisements from cousin James M. Thomas of Fort Pierce, Florida which indicates that he was in business as a Hot Air Balloon attraction for County Fairs and other argicultural societies. The ads show a trapeze bar hanging from a Hot Air Balloon called "The Graphic". He called himself "The Professor" and also "The Celebrated Aeronaut". Cousin Josephine (Gerdes) Ross has fond memories of David and Margaret since she lived with them during the summers on their farm. He was good with children. He entertained her by producing a quarter from behind her ear. A little magic. He operated a Skeet Shooting Club on weekends on the farm. He worked in the City-County Building in Pittsburgh, Pennsylvania. His death certificate says he was a Real Estate broker.

The census for 1860 is in very bad shape, with the ink faded badly and very hard to read. Our Grandfather is listed as Auson D. or Austin D. He is not called David, but the D. must be for David. The birth year 1855 is right. He is called David in the History of Gibson County Indiana.

I, W. J. Thomas, have talked to the Curator of the Barnun and Bailey Circus Museum in Sarasota, Florida and also to Circus World Museum in Baraboo, Wisconsin neither have a record of David. I have also talked to Mr. Steve Gossard a Professor at Illinios State University in Normal Illinois who has a hobby of keeping information on trapeze acts in circus's. No record. Professor Gossard had me to look for a microfilm copy of The New York Clipper (1850-1920) a newspaper which was devoted to the entertainment business. Only 5 copies exist. One was in the Fine Arts Library at The University of Texas, so I made a trip to Austin in November of 1997. I looked at ten years of articles, from 1870 to 1880 about everything from Circus's to Opera's. Again no luck. David might have been a member of a larger group and only the groups name was used. I think David must have quit when he and Margaret were married in 1882.

I have elected to use the middle name Henry for him which I found on a baptismal record of the Thomas children at the Diocese of Pittsburgh to keep him separate from his son whom I am going to call David James. A question to Josephine Ross about the proper middle name for the son David, she said to take your choice Joseph, James or John. I think James after his Grandfather would be the proper choice.

Conversations with Josephine (Gerdes) Ross, Prescott Arizona.

The third child of five children of Joseph Harding of England and Jane Bridget Boyd of Ireland. She married David Henry Thomas on June 28, 1882 in Sacred Heart Church Sunnyside Pittsburgh Pennsylvania. From Josephine Ross, "She met David at a Ice Cream Social at the church". She has two brothers Thomas born in New York in 1848 and John born in 1856 in Pittsburgh. Two sisters Jane born in 1861 and Sarah born 1863 both in Pittsburgh Pennsylvania. Josie Ross says Jane married a William Meechan (sp.?) and lived in McKee's Rock's Pennsylvania and was in the insurance business. I think Sarah married a O'Leary and they were the parents of John O'Leary who with his wife Mary visited Mom and Dad in the nineteen fifties. They lived in Stubenville Ohio.

I, W. J. Thomas, have very little information on the Harding family, but they are supposed to be kin to President Warren G. Harding. Probably a distant cousin.

THEODORE FLEMING THOMAS

A review of the life of the honored subject of this review must of necessity be brief and general in its character. To enter fully into the interesting details of the career of Theodore Thomas Fleming, touching the struggles of his early manhood and the successes of his later Years would far transcend the limits of this article. He has filled a large place in the ranks of the public-spirited citizens of his day, and that he has done his part well can not ha gainsaid, for his record has been such as has gained for him the commendation and approval of his fellows. His career has been a long, busy and useful one and he has contributed much to the material. civic and moral advancement of the community, while his admirable qualities of head and heart and the straightforward course of his daily life has won for him the esteem and confidence of the circles in which he has moved.

Theodore Fleming Thomas was born May 22, 1857, in Princeton, Indiana, the son of James and Cynthea (Key) Thomas, the former having been born in London, England, and the latter in Gibson county, Indiana, near the town of Princeton. The Christian name of subject's paternal grandfather is unknown, although efforts have been made a number of times to ascertain it, there being considerable of an estate to which subject would be entitled were he able to clear up this genealogical phase. It is only known that the grandfather was a resident of London, England. James Thomas, father of the subject of this biography, was a prominent civil engineer in England, having been foreman during the construction of one of the large bridges built over the Thames river. The family at that time consisted of two brothers and a sister. When James Thomas and his brother came to America the sister remained in England. On arriving in New York, the two brothers separated, subject's father coming to Princeton, Indiana, at an early date, where he located and engaged in the manufacture of firearms, he being an extraordinarily proficient gunsmith. In those pioneer days, before the advent of labor-saving machinery, almost everything was done by hand, and, it must be admitted, done in a more thorough and workmanlike manner than is the case nowadays. James Thomas, it is affirmed, made the best of guns complete, lock, stock and barrel, and built up a thriving business for those days. His natural genius as a mechanic won him a reputation far and wide, and a few of the firearms made by him are still preserved and highly prized by their owners. He was thus actively engaged until the time of his death, at the age of seventy-six years, his death occurring while he was living with his son at Owensville, Gibson county.

James Thomas was twice married, and to the first marriage were born two children, Franklin and Helen. Franklin was a gunsmith and lived at Washington, Indiana, where he died in 1862, single. He willed ten thousand dollars to the Cumberland Presbyterian church. He made lots of guns and was a celebrated workman. The daughter, Helen, died at Sparta, Illinois, several years ago.

To James and Cynthea Thomas were born seven children, namely: Henry died in 1874; Mary who married Henry Geisky, is now deceased; David is making his home in Pittsburgh, Pennsylvania; William is deceased; Susannah married Harry Pigman and lives in Cincinnati, Ohio; the subject; Dellia married Frank Kightly and lives in White River township, Gibson county.

The subject spent his boyhood days in Princeton, where he attended the district schools, after completing which he took up the task of learning the blacksmithing trade in the shop of Thomas Ewing and Henry Geisky. Upon completing his apprenticeship, he went to Louisville, Kentucky, where he worked at his trade for three years, learning the construction of engines and general machine work. Returning to Princeton, in 1882, he saw an opening for his talents in the town of Hazleton, and there he started in business on his own account. He has steadily increased his business, now handling farm implements of all kinds and having a machine shop in connection, where all varieties of repair work are done.

In November, 1878, Theodore Fleming Thomas was united in marriage with Berminnia Shreves, of Decker Station, Knox county, Indiana, daughter of John W. Shreves, a native of Scotland. To this union have been born nine children, namely: Oliver Morton resides in St. Louis and is superintendent of the Western Union Telegraph office there; Fay E. married Cleveland Morgan, of Atlanta, Georgia, where they reside; John F. is connected with his father's business; Louis R. is train dispatcher for the Cincinnati, Hamilton & Dayton railroad at Indianapolis; Leslie A. is now in Evansville, Indiana, and is assistant foreman of the Vulcan Plow Company; Franklin L. is employed by the Chicago & Eastern Illinois Railroad Company as assistant agent and operator at Hazleton, Indiana; Blanche, May and Dale are still under the paternal roof.

Fraternally, Mr. Thomas is a member of the blue lodge of the Masonic fraternity, while in the Independent Order of Odd Fellows he has been through all the chairs and has been honored by selection a number of times as delegate to the grand lodge. He is a member of the city council, of which body he has served as president. Politically, he was a staunch Democrat, while in his religious belief, he was a loyal member of the Methodist Episcopal church.

Additional notes from W. J. Thomas :

I have made a search for any descendants of Theodore and found only one. John F. Thomas was the third child of Theodore and Berminna Shreves. Berminna (Minnie) was of Decker Station, Knox County Indiana. Her father was a native of Scotland. John was in the farm implement business in Princeton with his father. John married Elsie McNeese and they had at least one child, a girl, named Iris, she married a Henry E Hauck, they had a daughter named Mary Ann. Mary Ann is unable to tell me anything about the Thomas family. Mary Ann lives in Avon Indiana.

He was married to Berminnia (Minnie) SHREVES (daughter of John W. SHREVES) in November 1878. **Berminnia (Minnie) SHREVES**³⁹ was born about 1861 in Decker Station, Knox Co., IN.

County marriage records also list her as Delilah Thomas. Her obituary in the Princeton Clarion list one son Purvis Briner of Hazleton Indiana and two grandsons Eugene and George Briner and two granddaughters Anne and Norma Briner. She is buried in the I. O. O. F. cemetery at Hazleton, Indiana. Her second marriage on April 28, 1903 was to Francis J. Kightly. Francis J. Kightly had several marriages before he married Dellia. The Thomas, Key, Briner, and Kightly families are all old (circa 1800-1830) settlers of Gibson County Indiana.

FRANK J. KIGHTLY - In a brief sketch of any living citizen it is difficult to do him exact and impartial justice. Not from lack of space or words to set forth the familiar and passing events of his of his personal history, but because a modesty that shuns anything egotistic prevents the enterprising business man from setting forth in bold outlines the history of his useful career. In Mr. Kightly, however, Gibson County recognizes one who has been an important factor in its development. He was born in Evansville, Indiana, August 13, 1849, a son of Josiah Kightly, one of the prominent business men of Hazelton. His father was born in Chatteras, England, in January, 1822, and at the age of twenty-three years sailed for the United States, landing at New Orleans. He made his way to Evansville, Indiana, where he secured employment with the firm of Babcock Brothers, in whose service he remained for seventeen years. In April, 1862, he came to Hazelton, where he embarked in merchandising, carrying on his store alone until 1875, when he formed a partnership and thus conducted it until 1884. He has large real estate interests in Hazelton, and owns valuable farming land in Gibson and Knox counties. From 1882 until 1888 he served as County Commissioner, and was a painstaking and trustworthy official, whose devotion to the public welfare was most marked. Josiah Kightly was married in Evansville in 1848, to Elizabeth Furnis, who died in 1867. The children of that union were Frank J.; William and Sarah J., both deceased; Mary E.; W. R.; and John R., deceased. In 1869 the father married Sarah Rowe, and their child is Lucy, wife of William Ennis, of Princeton. The grandfather of our subject was William Kightly, an English farmer. Frank J. Kightly spent the first thirteen years of his life in the city of his birth, and then removed with his father to Hazelton. At the age of seventeen he started out in life for himself. and for four years worked as a farm hand at sixteen dollars per month. He then began farming on his own account, and has met success in his chosen calling. Industry and enterprise are his two dominate qualities and combined with sound judgment in his business affairs have brought to him a handsome competence, so that he is now numbered among the prosperous farmers of White River township. His political support is given the Republican party. Mr. Kightly was married at the age of thirty, September 2, 1879, to Mrs. Lue Edwards, a daughter of Adam Miller, and widow of Jesse Edwards. By her former marriage she had two children-Willis and Lillie, the latter wife of Columbus Austin.

FRANCIS J. KIGHTLY.

The life history of him whose name heads this sketch has been for more than three score years closely identified with the history of Gibson county, Indiana. Throughout the years his life has been one of untiring activity and it has been crowned with a degree of success obtained by comparatively few who aspire to leadership in their calling. Years of conscientious work as a farmer have brought him not only a comfortable competence, but the knowledge that he has been of great benefit to the social and moral welfare of his community as well. By a straight forward and honorable course he has been successful to a marked degree and his life affords a splendid example of what an American youth plentifully endowed with good common sense, integrity and determination can accomplish when accompanied by good moral principles. As a citizen he is public spirited and enterprising, and as a friend and neighbor he combines the qualities of head and heart that have won confidence and commanded respect throughout the county. His entire accomplishments represent the results of the utilization of the innate talents which are his and the directing of his efforts along those lines where mature judgment and rare discrimination have led the way. As a representative of one of the oldest families of the county, he has a heritage of all those good qualities which go to make up a good citizen.

Francis J. Kightly, the son of Josiah and Elizabeth Kightly, was born August 13, 1849, in Evansville, Indiana. His parents were both natives of England, the father's birth occurring January 1, 1822. His father was twice married. After the death of his first wife, October 29, 1865, he married Sarah Wroe on April 8, 1867. To the first marriage were born the following children: Francis Josiah, the immediate subject of this sketch; William Wroe; Sarah Jane; Mary Elizabeth; Samuel Wroe; Emma K. and John Russell. The second union was blessed with the following children: Lucy, Alice May, John William. Mr. Kightly's second wife died January 11, 1898. The sketch of William S. Ennes, elsewhere in this volume, gives additional facts of the Kightly family.

Francis J. Kightly, the eldest son by the first marriage, was educated in the district schools of Gibson county, and in his

Descendants of Ralph KEY

younger days worked on the farm and has spent his whole life in agricultural pursuits. As a farmer he has adopted all of the modern improvements in that line of endeavor and has five hundred acres of as well improved land as can be found in the state. At the present time he has several tenants on his farms and has retired from the active duties of farm life.

Mr. Kightly has been twice married. His first wife was Lucinda Edwards, of this county, to whom he was married on September 1, 1880. After the death of his first wife he was united in marriage, on April 28, 1903, to Dell Briner, the daughter of James and Cynthia (Key) Thomas. Mr. Thomas is a native of England and his wife a native of Kentucky.

Mr. Kightly has been a life-long Republican, but the fact that his township and county is overwhelmingly Democratic has kept him from being an office holder. He has been a member of the Independent Order of Odd Fellows at Hazelton for more than thirty-five years, and has always taken a prominent part in the deliberations of that order. He has always affiliated with the Methodist Episcopal church at Hazelton and has been a liberal contributor to the support of that denomination. Mrs. Kightly is a member of the General Baptist church.

Mr. Kightly comes of a splendid family, one of the oldest in the county, and has always been strong for right living and industrious habits, for education and morality, for loyalty to the government and for all that contributes to the welfare of the community. Sheer force of personality and determination, coupled with soundness of judgment and keen discrimination, has brought him the success which he so rightly deserves. He has proved an honorable member of the body politic and in every relation of life has never fallen below the true dignity of manhood, nor in any way resorted to methods that invited the censure of his fellow citizens. As the scion of a most excellent family he has maintained the prestige of all the honored descendants of that family.

J. W. CUNNINGHAM.

Among the honorable and influential citizens of Gibson county, Indiana, is the subject of this review, who has here maintained his home for many years, winning a definite success by means of the agricultural industry to which he has devoted his attention during the years of an active business life. His career has been without shadow of wrong or suspicion of evil, and thus he has ever commanded the confidence and esteem of his fellow men.

Joseph W. Cunningham was born on July 2, 1853, at Giro, White River township, Gibson county, the son of John and Phoebe (Key) Cunningham, the former a native of White River township, Gibson county, and the latter born on North Hart street, Princeton. John Cunningham was a son of one of Princeton's township's early settlers, who came from Georgia about 1803, settling east of Hazelton, in the midst of heavy timber, which he cleared from the tract of land which he had secured and developed a splendid farm. His first home was a log cabin, and in this the family lived until able to erect a more substantial and attractive home. He was the father of five sons: Stewart, Samuel, Joseph, John and Giles, all of whom became farmers in White River township, except Joseph, who finally located at King's Station, this county. They also had two daughters, Cynthia, the wife of Joseph Hayes, and another one who became the wife of Joseph Decker. John Cunningham received only a common school education, and as a young man engaged in the mercantile business at Buena Vista, Indiana, and also became connected with the pork packing industry. He shipped large quantities of pork, produce, corn, walnut lumber, etc., to New Orleans on flat boats, and acquired a considerable quantity of valuable farm land. He died in 1860 while making a trip south with produce. His widow afterwards married David Robb in 1864, and they located seven miles north of Princeton, on the old Robb farm, where they both died. To John Cunningham and his wife were born the following children: Favilla, deceased, the wife of Jasper N. Davidson, of Princeton; William Green, deceased, who married Mary Hitch, now living in Patoka; Joseph W., the immediate subject of this sketch; Arminta, deceased; John, who died at the age of twenty-one years. To Mr. and Mrs. Robb were born two children, Anna, the wife of Charles Parrett, of White River township, Gibson county, and Nora, the wife of Oscar Spore, who lives south of Princeton.

Joseph W. Cunningham received the advantages of a common school education at Patoka and Deckard, Indiana. He lived at home with his stepfather and mother until he was twenty-three years of age, when he located on the Barnes place in White River township, to the operation of which he devoted himself continuously, and with splendid success, until August 6, 1913, when he retired from the farm and moved to Princeton, establishing himself in a home at No. 219 South Main street. He is the owner of four hundred acres of land in White River township, which has been maintained at the highest standard of agricultural excellence, being numbered among the best farming tracts of the county. In addition to agriculture, Mr. Cunningham was engaged for many years in the buying of grain and stock and also assisted in the organization of the bank at Patoka, being at this time one of the directors of that institution. Starting in life with practically no assistance, he has achieved this splendid success entirely by his own efforts, and is entitled to his due share of credit for what he has accomplished.

When twenty-three years old Mr. Cunningham was united in marriage with Nan Tribbett, a native of Gibson county, Indiana, who was born on the old Tribbett farm north of Princeton and whose death occurred in 1906. On November 11, 1908, Mr. Cunningham married Christine Bennett, who was born in Jacksonville, Morgan county, Illinois, but resided in Gibson county at the time of her marriage. She is the daughter of Isaac and Martha (Latham) Bennett, her father a native of Morgan county, Illinois, and the mother of Gibson county, Indiana. By his first marriage, Mr. Cunningham became the father of the following children: Byron, who died April 12, 1910, was a school teacher for many years, and later cashier in the Patoka National Bank at Patoka. Gerald, who was educated in the schools at Patoka and the public schools at Louisville, Kentucky, and Indianapolis, Indiana, is now a successful dentist at Princeton. Roy T. graduated from the Patoka schools, and later attended a technical school at Boston, Massachusetts, in which he took the electrical course, and also took the musical course in the conservatory at Warren, Ohio. He went to Washington, D. C., where he became the leader of the Fourth Regimental Band, being assigned to Fort Monroe, Virginia. There he took up military studies and was one of the class of four who graduated, receiving his commission as second lieutenant in the coast defense department. He has been stationed at Fort Morgan for the

last two years, having charge of the Thirty-ninth Regimental Band. He is an excellent musician, being a splendid performer on almost all the band instruments. George, who is unmarried and remains at home, is the owner of a farm in White River township, in this county, and is interested with his father.

In politics, Mr. Cunningham has always been allied with the Democratic party, and has always taken an interest in Democratic affairs in this locality. Religiously, Mrs. Cunningham is a member of the First Presbyterian church at Princeton. Mr. Cunningham is a man of splendid influence in his community, having been a very industrious man and having had an honorable career, setting a worthy example to the younger generation of this community and giving his own children a splendid training. He is regarded as a public-spirited man, and can always be counted on to support the right side of any movement involving the moral, educational or social welfare of his fellow citizens.

CHARLES K. PARRETT.

It is with pleasure that the biographer has an opportunity to place before the readers of this work the life record of the honorable gentleman whose name initiates this paragraph, for he is deemed eminently worthy of representation along with the best and most industrious citizens of Gibson county, owing to the fact that he belongs to the energetic and enterprising class that has made this favored section one of the most noted and richest in the great Hoosier state. Enjoying distinctive prestige as a farmer, he has achieved marked success, while his practical intelligence, mature judgment and sound business principles have had much to do in molding public sentiment in the community where he has long maintained his home.

Charles K. Parrett, who, for the past twenty-five years, has resided on his fine farm of three hundred acres in White River township, Gibson county, is a native of this county. He was born on May 4, 1867, a son of R. M. and Ann E. (Hudleson) Parrett, both natives of the Hoosier state and she of White River township. R. M. Parrett came to Gibson county before there were any railroads completed in this section of the state. He desired to attend DePauw University, then known as Asbury College, at Greencastle, Indiana, and made the journey from his home in Evansville to Greencastle on horseback. There he studied theology and was later ordained a minister in the Methodist Episcopal church. He was well known throughout Gibson county, having followed his calling in various sections. To him and his wife were born ten children, of which the subject of this sketch is the eighth in order of birth.

Charles K. Parrett received his elementary education in the common schools of Gibson county, later attending the normal school at Danville, Indiana. On February 23, 1888, he was united in marriage to Anna Robb, daughter of David and Phoebe A. Robb, born February 23, 1866. To their union were born three children, namely: Nora, wife of Ross Key, who resides on a farm in Patoka township, Gibson county; Eva M., at home, and Ruth, the youngest daughter, who is attending high school.

As an agriculturist, Mr. Parrett is numbered among the best in the county, his thorough methods and up-to-date ideas marking him as a man of mature judgment and wise discrimination. He is a man of good business principles and has so conducted his affairs as to reap a gratifying return for his labor. He is a man who takes an interest in the financial affairs of his neighbors and friends and his advice and material assistance is often sought along this line. In addition to carrying on general farming along modern methods, he pays special attention to raising high grade cattle and hogs. The farm he occupies is his old family homestead, endeared through many years' associations.

Mr. Parrett is a stanch Republican of the old school and has taken an active interest in politics, while not wishing office for himself. The family takes a part in the affairs of the Methodist Episcopal church, of which Mr. Parrett is a member, and does much to further the interests of that society.

Because of the part Mr. Parrett has taken in the upbuilding and progress of the community, he has merited the high esteem in which he is held among his fellow men. He has given his support to all movements which have had a tendency to advance the moral, educational or social interests of the people and among those who know him best, he is considered one of the best men in this section of the county.

Patoka sisters recall family, county history

By SUE CARNAHAN SMITH

History is a required class in Indiana schools. Most students read of events which took place long before their birth with great boredom. They have nothing with which to relate the dates, places, or wars.

There are two sisters in Gibson county, however, who are well-versed on their family's past and make history appear to be a modern class.

Mae Parrott and her sister Ruth Garrett live in their family home in Patoka. Their grandfather Richard M. Parrott bought the house and built the upstairs on August 1, 1865--the abstract on the house goes back to 1807.

A man named Griffith obtained the land and the abstract in 1807 for Revolutionary War militia service.

Richard M. Parrott came to America from England where his father was a minister. The crossing took six weeks, longer than expected--one sister was born on ship.

By government appointment, he was made governor of the Idaho territory. By the grace of God he became a missionary with his headquarters in what is now Idaho.

Richard and his sons built the first Methodist Church in Evansville--he had five daughters, all who married well, and five sons, three of whom became preachers and two who became lawyers.

Their grandfather and a man named Wright collected money, labor and materials to build a Methodist Church in Patoka. The day the church was to be dedicated, people ferried across the Patoka and White Rivers. That same day, however, word came that President Lincoln had been shot.

Miss Parrott enjoys talking about her family's past. Dates, names, and places are easily remembered from frequent recollection. Her favorite memories, however, seem to stem from the building across the way from her home--in the former orphans' home.

Lucius French built the home in 1888. The bricks were made and burned on the grounds. The basement had brick walls and floors. The house was built spaciouly to accommodate French's nine children.

Hard times hit French, however, and the Old National Bank in Evansville took over the house. Gibson county bought it for use as an orphans' home in 1894.

"The building contained the Orphans' Home from 1894 into the 1950s," Mae said.

"On Sunday afternoons, we'd roll the organ out on the porch. I'd play and everyone would sing. We weren't good, but we were loud," she recalled.

At the home the older children would work for a little spending money. Sometimes the younger boys would attempt the work at Parrott's house, too.

"We'd strike off squares in the lawn and the boys used a push mower to cut the grass. Each square was worth 25 cents. And we'd always have cookies and lemonade for them, too.

"We always had too many vegetables in the garden. When we'd tell them they could have them--and never before--the children would get the excess vegetables and ripe pears," Mae said.

The old home had the "most beautiful woodwork and oak stairs." The floors and stairs were said to shine and never have dust on them.

"The children were proud of the home. It was nicer than what they were used to," Mae said. "They never tore up the inside.

"Occasionally I would take two high school-age girls to town at night. Their beaus couldn't walk them home alone, though. They had to walk with all the children," she said.

The boys left the home by the time they were 17; the girls left by age 16.

"Some of the children come back to see us, yet," Mae says, "but it's hard to remember their names. I remember their nicknames."

The entire Parrott family enjoyed the children at the home. Mae's and Ruth's father, Charles, ordered barrels of food from a wholesale firm in Chicago. The food was shipped by train to Patoka and hauled from the train to the home by their father. It was after an order of food came in that Ruth and Mae first heard of Jell-O.

"Before 1894 (when the county purchased the home), old people and youngsters were kept together in the poor house," Mae recalled sadly. "It was located across from the south gate of the (Gibson county) fairgrounds."

The home had it's own schoolhouse at first. Later, though, the children attended Patoka schools. They always had "nice teachers."

The sisters miss the children and the sound of their laughter as they play. They do, however, keep busy.

The sisters raise a large vegetable garden; they gather 60 dozen eggs each week from 140 chickens-some of the eggs have traveled as far as Alaska. From their flower garden come flowers for shut-ins and for their church each Sunday.

Mae claims they are lucky to have lots of friends and neighbors and no enemies. She also feels they are never slighted. During the long, cold winter, Mae and Ruth hauled water from their cistern when the city water line froze.

Considering Mae was born in 1891 and Ruth seven and one-half years earlier, the two sisters are extremely active.

Death of Jeremiah A. Key

Special Correspondence to the Mirror

Jeremiah A. Key born in Crawford county, Mo., October 5, 1826, departed this life at the home of his son Mr. Samuel A. Key, of Chandler, Oklahoma, on October 14, 1909, age 83 years, 9 days. He was sick but a few hours and was conscious to within a few hours of the end and suffered little or no pain, but peacefully went to sleep.

In 1849 he was married to Jane A. Craig, and seven children were born to their union, three of whom are now living and reside in Oklahoma, and were at their fathers funeral. His wife died a number of years ago and since then "Uncle Jerry" has made his home with his sons; principally with his son Sam A. The other two are John T. and David M. He was a member of the Presbyterian church of long standing.

From "History of Franklin, Jefferson, Washington, Crawford and Gasconade Counties", Biographical Appendix, Goodspeed Publishing Company, 1888.

J. A. Key is the eldest in the family of eleven children born to Obadiah and Mary A. (Carter) Key, natives of Kentucky, who settled in Washington County, MO., when they were children. Immediately after their marriage, in 1825, the parents settled in Crawford County, which has since been their home. Politically a Democrat, Obadiah Key served as county judge and magistrate. He was a good wagon-maker, and both he and wife were members of the Cumberland Presbyterian Church. Mr. Key died at the age of forty-three years, and his wife at the age of fifty. J. A. Key was born in what is now Crawford County in 1826. He was reared on a farm, and his education was acquired by not more than a twelve months' attendance at school. In early life he hauled goods from St. Louis to Steelville until the building of the railroad, and then learned the wagon-maker's trade, at which he worked more or less until within the last ten years. In 1849 he married Jane A. Craig, who was born in Maries County, MO., in 1829. They have had seven children, three of whom are living: Samuel A., John T. and David M. Mr. Key owns 314 acres of land, is a member of the Masonic fraternity, and a Democrat in politics. For two years he assisted in conducting the business of the Farmers' Joint Stock Company. Mr. and Mrs. Key are members of the Cumberland Presbyterian Church.

He was married to Jane Angelina CRAIG (daughter of CRAIG) on November 14, 1849.

WILLIAM AND MARY HALEY

The clan of Haley originated in the Northern portion of what is today the Irish Free State, also known as the Irish Republic. There were many ways of spelling 'Haley'. The Haley shield is silver with a gold collard, rampart tiger centered upon it.

They began arriving in America long before the Rev. War and scattered through the colonies all the way from Maine to Georgia. They are sure to have reached Tn. and Ky. by way of Wilderness Road. This road, which extended from N.C. and southern Va. across the Alleghenys into Tn. And Ky., was just a narrow mountain trail Daniel Boone blazed through the Cumberland Gap, following the old Warriors trail. Over this trail came thousands bringing with them live stock and tools ready to build a new home in the wilderness.

In the 1780 census, there were only 138 heads of families in the U.S. named Haley. The Haleys of Crawford Co. are descendants of William Haley and Mary Haley who came to Mo. from Tn. Descendants are. Wilson, the oldest, went to Ca. before the Civil War, died age 80, never married. Henry, born Tn. 4-24-1819, died at his home 3 miles west of Steelville, 1823-1879, married Emiline Amanda Key. "Lidge" Joel, born Tn. 1824, d. 1863, Springfield, Mo. Elizabeth, Lucinda married a Dunlap, lived Tx. her entire married life. William, b. 12-15-1830 d. 10-23-1907, Crawford Co.; 2-15-1854 to Louisa J. Runnela, both buried Morrison Cemetery, Crawford Co. John, b. c1831 Tn., moved to Ar. and was 'shot down in his door yard by Bushwhackers', left wife and two children. James, b. c1833 Tn., married 4-9-1854 to Mary Thompson, b. c1834, Ar. Jackson b. c1832 in Tn. C. R. "Cindy" Lucinda listed as #6 after sister Elizabeth. If C. R. and Cindy are same, there is one missing of the 14 children of William and Mary Haley. Sammie, b. c1841 in Tn., "joined the Federal Army and fought in the Battle of Pea Ridge near Springfield, Mo. When the war ended, he was mustered out of the army a very bitter man and left for parts unknown. Never heard from. Marion, b. c1841, a twin to Sammie, joined Union Army and was killed in Battle of Pea Ridge near Springfield, Mo. Harrison Clay, b. 8-13-1844 in Tn., died Steelville at home of daughter Docia, 8-6-1931, married Sarah Elizabeth Palmer 9-16-1866. Sarah "Sally", b. Mo. 2-11-1847, d. 3-26-1919, both buried New Home Cemetery.

It is thought that the William Haley listed in the 1850 mortuary census as "William Haley, age 62, married, d. 4-1850, farmer, disease - dyspepsia, 42 days ill" was head of this family.

1885 Feb 19, THE MIRROR, Death of Wm. T. Key

Our town and the community has suffered a serious loss indeed in the death of another prominent and highly respected citizen, Mr. W. T. Key, who quietly passed from this life to the christian's reward, at 11:15. o'clock on Friday, Feby. 12, 1885. in the 55th year of his age. The deceased was born on the place now owned by N. W. Gibbs, of Crooked Creek, on the 6th of May, 1830. He was the second son of the late Obadiah Key and a nephew of Judge Wm. Key, who died a few months ago. He was married to Miss Catherine J. Wheeling, daughter of James Wheeling, dec., when he was twenty-five years old. She bore him five children, of whom there are now living two sons, James M. and Andrew, and a daughter - Lucinda, wife of Basil Haley, of West Plains. Mr Key was a man of most excellent qualities. It is absolutely true of him that he had not an enemy in the world,

Descendants of Ralph KEY

while he was loved and respected by all who knew him. Since his 18th year, he had lived, an upright, earnest, Christian gentleman, and a member of the Cumberland Presbyterian church. He was a Mason in good standing, and was buried by the order, with impressive ceremonies, at the Steelville Cemetery from the C. P. church. Rev. W. T Rodgers preached the funeral sermon, and the large building was crowded with sorrowing friends, who testified by their presence their respect for his memory. He had lived in this county all his life, excepting about a year spent in Illinois, during the latter part of the war of the Rebellion. He lived on Steelville valley, on the farm now owned by Joel Beezley, until about six years ago, when he moved to his place, and built the hotel, near the depot, bearing his name. He had been in the mercantile business with Mr. J. C. Whitmire about three years, and was much respected for his courteous spirit and principles of fair-dealing and business integrity. To his bereaved wife and mourning children condolence and sympathy are extended. He was sick with pneumonia but twelve days, and passed quietly away. "He rests from his labors, and his works do follow him."

KEY

When the Keys first came to Crawford Co., they settled at Elm Tree, now known as Keyville. In the early 1800's. The Key family originally came to this part of Mo. from Tn. and Ky. They were told of a land with clear, cool streams and rich fertile land, good for hunting, farming and clear living.

Jerimiah Key and Sarah Livingston Key lived in this area all their life. Their son, William Jesse married Elnora R. Quinley, daughter of Peter M and Mary Elizabeth Farnwalt Quinley. They (William Jesse & Elnora) raised six sons, Henry, Rudoph, Ross, John, Harold and Lawrence; three daughters, Sarah Elizabeth, Minnie and Mary Gladys.

William Jesse, "Billie", as he was known, was a good furniture maker and was known throughout the community as a helping hand with just about everything that needed to be done. My mother still has a large table that was made by him. In 1916 Billie was charged with first degree murder but was acquitted of the charge.

Elnora "Norie" as grandma was known, was the 8th (?) child of Peter M. and Sarah Quinley. She was born during the time her father was employed at the Meramec Iron Works and her birth is listed there. In 1880 Peter was listed as running a boarding house and six of the children were still at home. It was also stated that 25 to 30 people were living at the boarding house, near Sligo, Mo. William Jesse Key lived out his life in and around Keysville and lived with his daughter and family part of the time. He is buried at Keysville Cemetery. Elnora was b. 12-23-1872 and d. _-23-1955, buried in Freeman Cemetery, Cherryville. - Submitted by Sarah J. Gatrell

Having sold my Blacksmith and wood shop to Mr. Obadiah Key, all persons indebted to us for work in the shops will please come forward and settle their accounts; and while I am thankful to our customers for past patronage, I ask a liberal share of the trade in the future for Mr. Key.

I now call the attention of the public to my stock in Hardware, Stoves, Plows and a general line of Farm Implements. Come and see me before buying elsewhere - J. P. Webb

 Having bought of J. P. Webb, his Blacksmith and Woodwork tools, I will remain at the old stand and invite all my old customers to come and bring their work and I will do my best to give satisfaction. All old accounts will be collected by J. P. Webb. Thanking the people for their past favors and soliciting a continuance of the same I remain.

1889, Dec 19, CRAWFORD MIRROR, p5 - Mr. Marcus L. Butt, an old time resident of this county. died at his residence; near Riverside mill, on Friday, December 13, 1889, aged 59 years. He was born in Casey county Kentucky, coming to Missouri with his parents when but nine years old. He was married March 8, 1866, to Matilda Key, daughter of the late Elijah Key who bore him seven children, all now living. Mr. Butt was a soldier in Co. A, 7th Mo. Cavalry, and was a pensioner for disability from disease incurred in the service. He had been in feeble health for a long time, but was not confined to his bed until two days before his death. His fatal illness was an acute attack of his old billious trouble. He made a profession of religion when eighteen years of age and joined the Methodist church, but for the past six years had been an active member of the Crooked Creek congregation of the Cumberland Presbyterian church, and was perfectly resigned to the last change that came so suddenly to him. He was a man of much intelligence and of upright character, an active enthusiastic. republican, and was at one time his party candidate for the legislature. His death will be widely mourned, and his stricken family recieve general sympathy in their great loss.

1926, Dec 3, STEELVILLE LEDGER, p1 - Mrs. MOLLIE FERGUSON PASSES AWAY.

Our people were greatly shocked last Thursday when the news was wafted over the community that Mrs. Mollie Ferguson, wife of the late Eugene A. Ferguson, was dead. She passed away at the Soldiers Home in St. James, Missouri, where she had made her home for the past several months.

The subject of this sketch was born near Sligo, MO., February 19, 1852. Died December 16, 1926, age 74 years, 9 months and 27 days.

She was first married to Chas. C. League and resided at Keysville, Mo., where Mr. League engaged in the mercantile business until his death.

Some years after his death she was married to E. A. Ferguson with whom she lived happily until his death a few months ago.

Mrs. Ferguson had been an invalid for a number of months sulted in breaking her hip But she was ever cheerful, never complaining of her infirmity.

This city numbered her among its most highly exteemed citizens, and her death is mourned by all.

She was a sister to Mrs. Joseph Bowers of this city and an aunt to Mrs. Lillie Hopkins to whose home the remains were brought last Thursday. They were viewed by friends there until Saturday when they were conveyed to the Baptist Church where her pastor Rev. G. Owens Baxter delivered a touching discourse, reciting at length the many noble qualities of this good woman.

Mrs. Clara Hunter of Chicago a daughter of her late husband, and Harry LaRue, a nephew, St. Louis who was raised by her, were in attendance at the funeral.

Folowing the funeral discourse, the remains were taken charge of by undertaker L. J. Jonas and conveyed to their last resting place in the Steelville cemetery, where many relatives and friends gathered to pay the last tribute of respect to a noble woman.

The Ledger joins with friends in extending sympathy to the bereaved family.

She was married to Charles R. LEAGUE on October 17, 1871. **Charles R. LEAGUE**⁴⁴ died on September 11, 1875.

She was married to Eugene A. FERGUSON on April 16, 1885. **Eugene A. FERGUSON**⁴⁴ was born in October 1850 in TN.

Your correspondent had the pleasure of witnessing the marriage of Mr. Thomas H. League to Miss Jennie Key at the residence of Judge Key on Sunday last. Rev. J. M. Ashlock performed the ceremony at 2 o'clock on Sunday, May 21 1882. After the solemn rites were said and an appropriate prayer offered by the reverend gentlemen, congratulations of friends were offered and the company sat down to an elegant dinner, which was not neglected by guests. Then followed a spirited debate between Mr. Herman Ferguson and Dr. Parker, on the subject of wifely obedience. The doctor to my mind won the day. The following guests were present: Rev. J. M. Ashlock, Herman Ferguson, Joseph Vaughn and family, Miss Annie Joiner, and John Lawrence.

Virginia Melvina (Jennie) Key, the daughter of Judge Wm. Key and Elvira Dunlap Key, was born in Crawford county

Descendants of Ralph KEY

22 Mar 2005

Missouri, June 3, 1854. Her girlhood life was spent in Crawford county, for many years a resident of Steelville, and in later life a long resident of Festus where she was a faithful member of the Methodist church. At her death she was a member of Grace Presbyterian church, St. Louis, this church affiliation being occasioned by her residing with her daughter, Mrs Flint, and her son DuBart, who are members of the Grace church.

Her education was completed in 1881 at Carlton College, Farmington, a famous Missouri Educational institution of that time. Her family was one of the pioneer families of Crawford county--Judge Wm. Key being a prominent politician and state representative for several terms.

May 2, 1882, she was united in marriage with Thomas H. League, of Washington county, a well known educator of his time, and during his residence in Festus, taught for many years in Jefferson county public schools. He preceded her in death seven years ago October last. To this union three children were born: Mrs. Myrtle League Welsh, of Sikeston, Mrs Gertrude League Flint and Thomas DuBart League, of St. Louis. Beside her three children she is survived by two grandchildren: Mrs. Helen Welsh Johnson and Virginia Flint of St. Louis.

Her death occurred at the residence of her daughter Mrs. Flint, 6136 Waterman Blvd., St. Louis, at three o'clock the morning of Monday, December 14, 1931, living to the age of 77 years, 6 months and 11 days.

Her remains were taken to Festus Monday afternoon, where her funeral was conducted at the Methodist church at 2:30 o'clock Tuesday afternoon by the Rev. C. C. Barnhardt of St. Louis, assisted by Rev. O. H. Duggins, pastor of the church.

Those in attendance at the funeral from a distance were: Mr. and Mrs. Wm. Y. Key of Chicago; Mr. and Mrs. Wm. Snelson, Rhoderick Snelson and Mrs. Minnie Carrier, of Granite City, Ill, Wm. League and Mr. and Mrs. Frank League, of East St. Louis; Mrs. S. S. Lance and Mrs. Wm. C. Todd, of St. Louis; Mr. and Mrs. Lawrence Conatser, Mrs. J. L. Tanner and Mrs. Handy Smith, of Sikeston and Norman Drake, of St. Louis.

She was married to Thomas H. LEAGUE (son of Charles Christopher LEAGUE and Jane HOLMES) on May 21, 1882. **Thomas H. LEAGUE**⁴⁴ was born about 1831 in MO.

Benjamin Franklin Key, a former citizen of Crawford county, died at the home of his daughter, Miss Amy Key in St. Louis, November 27th, 1929, at the age of 73 years, 7 months and 13 days. His remains were brought by Undertaker L. J. Jonas, to Steelville, where last Saturday afternoon they were laid to rest in the Steelville cemetery. The funeral services held at Steelville Presbyterian Church, were conducted by Rev. Sam L. Roper. There was a large assemblage of relatives, old neighbors and friends in attendance at the services.

He is survived by four daughters and three sons as follows: Mrs. Brickey Pounds, Cuba, (Crawford Co., MO); Miss Amy Key, St. Louis; Mrs. Goldschmidt, St. Louis; Mrs. Kasper Sherman, Tea, (Gasconade Co), Mo.; Young Key and Eaco Key, of Chicago; and Floyd Key, St. Louis. He also leaves a sister, Mrs. T. H. League, of St. Louis. He also has many nephews, nieces and other relatives surviving him.

Mr. Key spent more than fifty years of his life here in Crawford county and was regarded by everyone as a high class citizen. His friends throughout this _____ were many and his passing from this life brings great sadness to all.

He was married to Ella E. LARUE (daughter of David LARUE and Emeline J FERGUSON) on October 9, 1884 in Crawford Co., MO. **Ella E. LARUE**⁴⁴ was born on June 22, 1864. She died on July 24, 1885. Benjamin Franklin KEY and Ella E. LARUE had the following children:

It becomes my painful duty, to record the death of a loving sister. Mrs. Caroline Roberts, aged forty-eight years, died at her home in Jackson county, Arkansas, October 15, 1880. Mrs. Roberts was well known in this vicinity and highly esteemed by all who knew her. She was the eldest daughter of the widow Sarah Arthur, and leaves a husband, four children, and many other relatives and friends to mourn her death. We deeply sympathize with the bereaved companion and family but will say, grieve not for your dearest; her troubles are over and she is at rest. Oh! how sad it is to know we can never meet with that dear sister on earth again; but she is not lost, she is now with the angels of light. Let us follow her example, take her advice and prepare to meet her in heaven where parting shall be no more. Weep not, bereaved ones, for we too will soon be laid in the moldering grave, to await the time when we shall meet that dear one to part never again.

Oh, now she is an angel
 And with the angels stands,
 A crown upon her forehead,
 A harp within her hands.

1879, Nov 13, CRAWFORD MIRROR, p1 - We also had the pleasure, while on our visit, to try our skill at fishing. This we did by means of a canoe (dugout) and a three pronged gig, with a handle of fifteen feet long. We soon learned that we were not an expert at gigging fish, though they were almost without number, as, also, were the strikes made by ourself in trying to get them; through the assistance of our friends, Wes. Isgrig and W. H. Arthur, we managed the first day to get a pretty fine layout of "shad," weighing from one to three pounds. Out second attempt at the sport proved not so encouraging to our friend, Mr. Arthur, who, in trying to save himself from falling out of the canoe, quietly sat down just over its edge and measured the depth of the water in sitting posture which struck him just under the chin. The water being moderately cold, the event satisfied his curiosity in the fishing business, and fully compensated ourself for the time spent. After a hearty laugh, and feeling thankful that it was not ourself that had been ducked, we, repaired to his house where a change of clothing was had.

Mr. Editor: There has been some statements made in the Sentinel and Mirror in regard to the removal of the Fair View Sunday School, which are incorrect. The facts are briefly these:

22 Mar 2005

On the 4th Sunday in May last the Fair View Sunday School met the fourth time this season. The school was opened by singing by the class just organized with Thos. Harmon as leader. Mr. Paul, our superintendent, suggested that we elect Jonas Harmon for our superintendent for the year. Mr. Harmon arose and said that Brother Osborne objected to our having Sunday School and singing both before preaching that morning. So the school went out of doors to consult about what was best to be done and it was decided that if they did not invite us to remain at the preaching hour that we would hold the Sunday School at Little Spring. At eleven o'clock the class was requested to sing. Mr. Arthur arose and said that the singing class and Sunday School had been denied the privilege of holding session that morning. Mr. Osborne said that it came to that, that it was he that had objected it. Mr. Arthur replied that we did not wish to be in anyone's way, and that the school would meet at Little Spring next Sunday. No one objected to the removal or invited the school to remain. There was no division, as Mr Osborne's people had not taken an part in the school this year, and the school has been quite prosperous and interesting through the summer, since that time.

1884, Sep 18, CRAWFORD MIRROR, p5 - We have seen no finer specifness of lead ore than those taken from the land of W. H. Arthur, of which mention was made last week. A tunnel has been run into the hill only about twenty feet, and yet a fine vein of galena is already uncovered, which increases in thickness as it advances. The ore is found in the solid rock specimens of which can be seen in this office.

W. H. Arthur has opened a second lead prospect which he declares to be even more flattering than the first. He has taken about 75 pounds of fine ore in a short tunnel driving into the east side of a hill about one hundred yards north of his residence.

1885, Goodspeed's "History ... Crawford ... and Breuer,s "History ... reports that W. H. Arthur was one of the 17 original members of the Cuba Post of the Grand Army of the Republic (Post No. 263 organized in 1885).

1892, Jul 23, CRAWFORD DEMOCRAT, p5 - Sheriff Arthur came very near meeting with a fatal accident last Saturday night. He was on his way home from Cuba riding horseback, and in some way his horse fell with him which resulted in the breaking of his collar bone, two or three ribs and otherwise cutting and brusing him up. He was rendered unconscious by the fall and lay in this condition for two or three hours. It was about 10 o'clock when the accident happened and he did not arrive at his home in this city until 4 o'clock the next morning.

1897, Mar 18, CRAWFORD DEMOCRAT, p5 - We are glad to learn that W. H. Arthur is in good health & enjoying himself. He is now located in Oaxaca, Mexico.

1899, Oct 7, CRAWFORD MIRROR, p5 - Mr. W. H. Arthur who has been here visiting his mother and children has returned to Oaxaco, Mexico, where he and his son, Dr. C. H. Arthur, are interested in mining.

DEATH OF WILLIAM HENRY ARTHUR.

William Henry Arthur, was born in Crawford county June 4, 1838, and died at the home of his daughter, Mrs. W. H. Clark, in Muskogee, Okla., Sunday, May 2, 1920, age 81 years, 10 months and 28 days.

"Uncle Henry" as he was familiarly known was well known throughout our county, and held in high esteem by our citizens as an honorable citizen. The deceased was twice elected sheriff of Crawford county and in that capacity distinguished himself as a man of sterling worth and integrity. He enlisted in the army in the first call for volunteers during the Civil War and served throughout the campaign.

In early years the deceased was united in marriage to Elizabeth Harmon, who preceeded him to the Great Beyond many years ago. To this union three children were born, viz: Dr. Charles H. Arthur of Mexico City, Annie L. Clark, of Muskogee, Okla., and Dr. Willis B. Arthur, who died Dec. 24, 1917. For many years after the death of the wife, he made his home in Steelville with his daughter and her husband, Mr. and Mrs. W. H. Clark and on their removal to Oklahoma, he accompanied them, where he had made his home until death.

About eight years ago "Uncle Henry." while visiting friends and relatives in this county fell and fractured a hip. From this

injury he recovered sufficiently to go about on crutches, but in the last few months was compelled to resort to the wheel chair. While on crutches "Uncle Henry" made several trips to his old home county visiting friends and relatives.

The remains were brought to Steelville Tuesday noon and after a short talk at the grave by Rev. Roper, the interment was made in the Steelville cemetery beside the grave of his wife.

The floral offerings were many and beautiful.

To the bereaved relatives, we extend our heart-felt sympathy.

Died at her home on Crooked Creek, Nov 2nd 1892, Maggie eldest daughter of William and Eliza Grason aged eight years. She was sick but a short time still she seemed to realize that she was going to die. She talked to her mother in a sweet childlike manner about dying and said she was going home. Maggie was a bright little girl, the sunshine of her home. Deep sympathy is felt for her grief stricken parents. She was buried on Thursday in the Keysville church yard. Rev. Ferguson conducted the religious services.

Ora Key Dies in St. Louis After Brief Illness

Friends of Mr. Ora Key were shocked to learn last Friday and Saturday that he was desperately ill and no hopes were entertained for his recovery, more particularly as he had been about town the first of the week and only took to his bed Thursday. An abcess had developed in his brain, probably from catarrh and though it broke and discharged he got no relief and after a period of semi-consciousness and raving he lapsed into unconsciousness from which he never rallied. Several physicians were called but could do nothing for him so it was decided as a last to take him to St. Louis for consultation with brain specialists and hospital treatment and an operation if they thought it would avail. Dr. G. L. Matthews, of Casco, Mr. W. P. Key, his father, and Harrison Gibson took him to St. Marys infirmary Sunday evening. Further examination proved the case hopeless and that aerobra spinal meningitis had developed. As this is regarded as a contagious disease Mr. Key was removed to this infectious hospital and died there Tuesday morning at 11:20 o'clock. The body was prepared and placed in a hermetically sealed casket and brought out to Owensville Tuesday night. A number of the young man's friends met the train and took the casket to Koch's undertaking establishment where it remained until Wednesday morning when it was conveyed to the Gibson cemetery between Jake Prairie and Oak Hill and interred that afternoon. As the weather was so inclement, the creeks so high and as the casket could not be opened, it was thought best not to take the remains to the home but instead the neighborhood was notified and the funeral held as soon as possible after arrival at the cemetery.

Ora was a son of Mr. W. P. Key, of Jake Prairie, where he was born and raised. About three years ago

he came to Owensville and attended High School for a short time and later took up the study of optical work. When proficient he bought out M. L. Greenstreet and still later purchased an interest in the jewelry store, from Oliver Greenstreet. Ora was a bright young man, always cheerful and considerate, of whom everyone speaks well. He leaves a large circle of friends and acquaintances who deeply mourn his untimely death. Besides his father he leaves his step-mother, who loved him as her own son, one step-brother and two step-sisters, also other relatives and many friends in Crawford county. His age was 23 years, 2 months and 16 days.

In his passing Owensville loses an intelligent and likeable young man, cut off in the flower of youth.

We extend sincere and heartfelt condolence to the bereaved family.

MARY SUSAN ADAMS KEY

Obituary

DEATH REMOVES ONE OF OUR PIONEER CITIZENS

Born: July 27, 1852

Died: October 4, 1931

Age: 79 Yrs., 2 Months, 7 Days

Died at the home of her daughter, Mrs. H. P. Gibbs, in this city, Sunday, October 4. 1931, Mrs. Susan Key in her 80th year.

After a long and well spent life her spirit has returned to the God who gave it. Thus closes the life of one of God's noblest characters--loved and honored by all who knew her.

"So he giveth his beloved sheep. Her children and her grandchildren shall rise up and call her blessed."

Her Christian life was beautiful from its beginning to its close, and through all the vicissitudes and sorrows that mark her pathway, her faith in God never wavered. But she has left us, and today the autumn leaves fall upon another grave that hides from view all that is mortal of a true and noble woman.

Mrs. Key was the mother of a large family, five girls and one son surviving her. Mr. Key died 32 years ago and to her was left the burden of rearing her children and providing for their wants. But she was equal to the occasion, for in no land will you find a family of children who have met life's problems with greater success, and to their credit may it be said that her life has been one that brought joy, not heartaches to a loving mother.

The children left to mourn her going are: Mrs. H. P. Gibbs and Mrs. W. H. Cook of Steelville; Otto Key of Sligo, (Dent Co, MO); Mrs. Walter England of St. Louis; Mrs. Roy Palmer of Crocker, (Pulaski Co.), Mo.; Mrs. Sam Veatch of Granite city, (Madison Co), Ill. All of them were here to attend the funeral.

Mrs. Key was a native of Crawford County, being born in the Pleasant Point neighborhood where she spent the greater part of her early life. She was a member of the Presbyterian Church, and on Tuesday her pastor, Rev. Sam L. Roper, paid his last tribute of respect in a word picture of this Christian woman. Following the discourse which was largely attended the remains were taken charge of by Undertaker Jonas and conveyed to the Pleasant Point cemetery where they were laid to rest by the side of her husband.

Andrew Washington KEY and Mary Susan ADAMS had the following children:

- +1005 i. **Ida Alice KEY** (born on November 10, 1870).

WILLIAM C. MCFETRIDGE. --A little more than forty years ago--January 28, 1855-in White River township, Gibson County, was born the gentleman whose name begins this sketch, and who, through the greater part of his life has been numbered among the leading farmers of the community. His grandfather was one of the first settlers of this county, emigrating from South Carolina. His father, John Quincy McFetridge, was born in Gibson County in 1828, and spent his entire life here, a prosperous and progressive farmer. He married Cynthia C. Hargrove, who still survives him, his death occurred in 1890. Their children were William C.; Fannie, wife of Henry Steelman; Mollie E.; Laura, wife of William McGee; Edgar and Minnie. William C. McFetridge is indebted to the district schools for his educational privileges. He pursued his studies during the winter season, and in the summer months assisted in the labors of the home farm until his marriage, when he located on a farm which he had previously purchased and which since been his home. It comprises two hundred and thirty-four acres of valuable land, and the well tilled fields yield to the owner a golden tribute in return for his care and cultivation. In December, 1882, Mr. McFetridge wedded Fannie E. Knaub, daughter of Norman Knaub, of German lineage. They have five children--Charles W., Myrtle, Pascal R., Lester and Ernest. Mr. McFetridge is a supporter of the Populist party. He belongs to the Modern Woodmen of America and the Methodist Church. Coming of a family of pioneers, like his ancestors he has aided in the development of the county, by his faithful performance of the duties of citizenship, and by his earnest support of all measures calculated to prove of public benefit.

He was married to Fannie E. KNAUB (daughter of Norman Kieth KNAUB and Caroline A. MCCARTNEY) on December 6,

BYRON S. SPAIN a leading farmer and influential citizen of White River township, is a descendant of one of the first settlers of Gibson County. His great-grandfather, Abraham Spain, was born in Dinwiddie County, Virginia, February 23, 1770 and was married to Betsey Allen, who was born in 1773, and was relative of the daring Colonel, Ethan Allen, who commanded the Green Mountain boys during the Revolutionary war. With their seven children, Mr. and Mrs. Spain started for the territory of Indiana in 1813, but circumstances led them to change their plans, and they went to Rutherford County, North Carolina. Two years later they again started for the Hoosier State, and eventually arrived in Gibson County, then forming a part of Knox County. On the journey they had a horse team and ox team and a cow. They located on Congress land, and the husband developed a farm. He died in 1813, and lies buried in the Holcomb cemetery, thirteen miles south of Princeton. Archibald W. Spain, the grandfather was born in 1798, and died in 1870. He married Sarah Garwood, and became a prosperous farmer. One of his ten children was William A. Spain, the father of our subject. He married Jemima McFetridge. He was born May 4, 1828, and died in 1886, leaving an estate of more than five hundred acres, which he had accumulated by his own well directed efforts. His children are Byron S.; Daniel C.; Pleasant N.; deceased; J. W.; Dora J., deceased wife of William Carpenter; Emma B. and Harrison M., who have also departed this life; Florence E., wife of Charles Johnson, of South Dakota; Mary A., wife of Ellis Tichenor; William A.; Charles A.; and Lillie, twins; and Purvis A. Byron S. Spain was born December 12, 1849, and was reared to Manhood within a half mile of his present residence. He completed his education in Patoka, and then turned his attention to agricultural pursuits, which he has since followed. He first rented part of his father's farm for six years, and in 1878 purchased sixty-five acres of land, to which he has added from time to time as his financial resources have increased until he is now the owner of a valuable property of two hundred and seventy-five acres. He early formed habits of industry, which have had an important bearing upon his life, and making good use of his opportunities he has prospered from year to year. On the

Seven children graced the home of Mr. and Mrs. Spain-Maggie M., wife of David Hazleton; Fred P., William W.; Nellie D.; Allen G. C.; Bessie and Ruth. Mr. Spain is a Democrat, and was the party's candidate for Sheriff in 1884, at which time he was defeated by only forty-six votes, although the county as an acknowledged republican majority of two hundred. He is a worthy representative of an honored pioneer family and well deserves representation in this volume.

BYRON S. SPAIN.

To write the personal record of men who have raised themselves from humble circumstances to positions of responsibility and trust in a community is no ordinary pleasure. Self-made men, men who have achieved success by reason of their personal qualities and left the impress of their individuality upon the business and growth of their place of residence and affect for good such institutions as are embraced in the sphere of their usefulness, unwittingly, perhaps, build monuments more enduring than marble obelisk or granite shaft. Of such, we believe, is the gentleman whose name appears above.

Byron S. Spain, who owns two hundred and sixty acres of finely located land in White River township, Gibson county, Indiana, and is now living quietly in his comfortable home, is a native of Gibson county, born within its borders on December 12, 1849. He is a son of William A. and Jemima (McFetridge) Spain, both of whom were natives of Gibson county. William A. Spain was among the earliest children born in this county, and passed his entire life here. He was born May 4, 1828, and died in November, 1886, having been engaged in farming all his life. The death of his wife occurred in April, 1911. They were the parents of eleven children, of which the immediate subject of this sketch is the eldest.

Byron S. Spain received his early education in the district schools of the county and remained under the parental roof until he reached manhood. When quite young he began to assist his father in his farm work, and has always continued in this line of business. His present spacious acres are well cared for; he employs up-to-date methods in carrying on his work, and his success attests his ability as an agriculturist. Besides carrying on general farming and the business incident to the successful operation of such a farm, he pays particular attention to the raising of a good strain of short horn cattle, Clydesdale horses and Poland China hogs.

On May 1, 1872, Mr. Spain was united in marriage with Arvilla Decker, a daughter of Henry and Margaret (Thompson) Decker. To their union have been born seven children, namely: Margaret, the wife of David Hazelton, who resides in Dalhart, Texas; Fred, who is engaged in farming in White River township; William W., who resides in Rockport, Indiana, and is cashier in the bank there; Nellie D., wife of E. E. Curtner, of Hazleton, Indiana; Allen G. C., who lives on the farm with his parents and assists in operating the farm; Bessie, who married Wilbur Fisher, of Patoka, Indiana, and Ruth, who remains at home.

Mr. Spain is a staunch Democrat, one who has always taken an interest in the affairs of his party and while not desiring office for himself, his influence is considered of value by those who have such ambitions. There is much that is commendable in his life's record, for he has been found true to every relation of life, and while energy and untiring industry have been salient features of his career, he is equally well known for his uprightness and the honorable methods he has always followed, and for his loyalty to any trust imposed in him. Because of his genial and unassuming disposition and his genuine worth, he enjoys a well deserved popularity throughout his part of the county.

He was married to Arvilla DECKER (daughter of Henry Catt DECKER and Margaret THOMPSON) on May 1, 1872. **Arvilla DECKER**⁶¹ was born in 1852. She died on January 22, 1920. She was buried in Oak Hill Cem., Patoka, Gibson Co., IN.

OBITUARY, HENRY GIBSON WHEELER DIED FEBRUARY 14, 1895

[Father: William H. Wheeler]

[Mother: Sarah Ann Neill]

[Grandparents: Payton Wheeler and Catharine Key]

[Great Grandparents: James and Elizabeth Welch Wheeler]

Thursday morning, about 8 o'clock, Henry Wheeler, an old and respected citizen, departed this life, after a sickness of several weeks with typhoid fever, aged nearly 56 years. His life was spent in this county, being mainly engaged in farming, though at one time he was engaged in the sawmill business. In 1860 he was married to Miss Mary B. McClure, who with one son--Lon, now is business in Hazleton--survives him. At the time of his death Mr. Wheeler was and had been for many years a member of Enon G.B. Church. He was a man of positive character who made warm friends and will be long and sincerely mourned by a large circle of friends and acquaintances. The funeral was held Saturday morning, interment being in Odd Fellows Cemetery.

After many days suffering with typhoid fever, all that was mortal of Henry G. Wheeler, at 7:40 o'clock this morning, ceased to be and his soul took its flight to God, who gave it. He had been quite low for many days and the family and friends had hoped for the best but the weary body could not withstand the ravages of the dread disease.

Mr. Wheeler was born April 26, 1839. In 1860 he was united in marriage to Mary B. McClure and of this union two children, a son and daughter were born. The daughter, Alma, was called home when just budding young womanhood; the son, Lon, a prominent young businessman of Hazleton, together with the wife and mother, still surviving.

Mr. Wheeler was a member of the Enon General Baptist church, having joined that church many years ago. He was a man of excellent business qualifications and possessed of an indomitable will. While possessed of some peculiar traits of character--as who is not--he was a man of many generous impulses, a good neighbor and a kind and indulgent husband and father.

The stricken mother and son have the sympathy of a large circle of friends in their bereavement and by none is sympathy more sincerely extended than by the NEWS.

ALMA WHEELER (1861-1879)

Gibson County, Indiana

Father: Henry Gibson Wheeler

Mother: Mary B. McClure

Alma Wheeler died August 14, 1879

Our community was startled, Tuesday, by the report that Miss Alma Wheeler, the beautiful and accomplished daughter of our respected citizen, Henry G. Wheeler, living about 2 miles south of town, had been thrown from a buggy and seriously, and probably fatally injured.

Mr. Wheeler had started, Monday, to go over to Pike Co., along the line of the new railroad for the purpose of purchasing timber, and took his daughter along for company. When they arrived at the farm of Henry Brenton, about 4 miles from Petersburg, Mr. Wheeler left his daughter in the buggy and went up to Mr. Brenton's house to see him about some timber in that vicinity. During his absence a flock of geese came up behind the buggy making a great noise, at which the horse took fright and started to run. It seems Miss Wheeler held on to the horse until he had run about a hundred yards when coming to an embankment she was thrown out striking her head on the ground with great violence. She was still entangled in the vehicle, and in this condition was dragged a distance of about 50 yards further. When her father reached her she was insensible, and on examination she was found to be very badly cut and bruised about the head and face, and was bleeding profusely from the mouth and ears. She was immediately placed in a conveyance and taken to Petersburg and medical aid summoned. This unfortunate affair occurred about 5 o'clock Monday evening, and at 9 o'clock yesterday morning there was no improvements. There is no hope of her recovery.

Miss Wheeler was a young lady held in high esteem by a large circle of acquaintances about Princeton. She was one of the graduating class of 1878, of Princeton High School, and her sad fate makes a gloom ending of what promised to be a bright and happy life as well a life of usefulness.

Roy,

I have an 1870 census for Robert and Nancy Short in Scott Twp. of Vanderburg Co. It shows--
Robert Short, 29, Farmer, Ind
Nancy, 28, Ill
Elisabeth, 25, Ill
Walter 2, Ind

The Elisabeth puzzles me. With no last name, you would assume that it was Short, but Robert's sister Elizabeth was 13 years older than him. Did Nancy Wheeler have a sister Elisabeth, and were they born in Illinois?

The only other info I have on Robert is from the Mt. Vernon Democrat 6/16/1887, when his brother John M. Short died. It's sort of amusing, and I'll type it here, for your file. It indicates that he had a wife then.

"On Thursday morning last, the body of John Short, of Point township, was being brought to the city for burial and as the funeral was crossing the Templeton bridge, about two miles south-west of here, Robert Short, a brother of the dead man, became temporarily insane, jumped headlong into a ravine 30 feet deep, sprang to his feet and seizing his pocket knife cut an ugly gash in his throat. His friends sprang to his side and took his knife away from him but could not hold him. He ran a long distance through thickets and wheatfields and as he reached the river bank became rational. In the meantime a large number of his soldier friends searched for him, but in vain, and concluded he had died, but in the evening he came marching up Second Street to learn what was the matter. He did not remember anything about the sad affair and when told what he had done appeared much distressed. His wife and friends consoled him the best they could, and he began to regain his strength at once. He has our sympathy."

Here are the census listings for William O. Short in the 1860 and 1880 censuses--

1860 Vanderburg Co (Scott Twp.)

Oldham Short, 29, farmer, Ind.

Dotia, 25, Ind.

William Fulweiler, 7, Ind. (Don't know who this child was--Is name familiar to you?)

1880 Barton Co MO (Golden City)

Short, William O, 49, minister, Ind, NC, Ind

Short, Dotia C., 46, Ind, Ind, Ky

I'm interested in the William O. Short in Barton Co MO in the 1900 census, but I don't believe it was the same guy. The Methodist Archives told me William was born July 18, 1830, which agrees with the 3 censuses (1850, 70 & 80). The Methodists have no record of him after 1880. Normally, they put obituaries in the Methodist annual report for deceased pastors, but there is no record of his death with them.

There were 3 other Short families in Barton Co. in 1880, one the man born in Del., another in Ind., and the other in Ky. Puzzling! I may do a little more exploration on the net in Barton Co. There is so much more stuff coming online all the time. By the way, I have Wm. Oldham's Methodist assignments from his ordination in St. Louis. You may know that, in Evansville, the family were members of Kratzville Methodist Church, which disbanded in 1902, and no one knows where their records went. Shame!

Jane Wheeler Warrick Boling sent me quite a bit on the Wheelers, back when she and I were working on our Kirkpatrick/Massey families. I know how Dotia and Nancy fit into the Wheelers, but was hoping for more on their later lives.

Thanks again for your help. If I can help you anymore with the Shorts, let me know.

NAPOLION B. WHEELER (1849 - 1893)

Napoleon B. Wheeler was the son of James and Elenor Milburn Wheeler. His father died when he was about 3 years old. His mother married Thomas Williams 18 July 1854. He was living in White River township in 1880 at a Hotel run by Robert A. Hindman. He worked as a railroad engineer. He married Emeline Briscoe 12 October 1873. He died June 1893. The following is taken from a Princeton newspaer dated June 15, 1893--

Instantly Killed

The fatal accident that befell N. B. Wheeler, which is briefly referred to by our Hazelton correspondent, is a most distressing affair. He had been to Wheatland on business and was on his return to Hazelton. He boarded the south bound limited express which leaves Vincennes about 11:30 and makes no stops until it reaches Princeton. But the train slows up a little at Deckers before crossing the White River bridge and Mr. Wheeler being aware of that fact, and being himself a railroad engineer, thought he could easily leave the train at that point and walk the short distance from there to Hazelton. But in attempting to carry out his purpose he was thrown against a small house used by the bridge watchman with such force as to crush his skull, causing instant death. Mr Wheeler was about 40 years old and was engaged in the photograph business at Wheatland. He was a son of Mrs. Ellen (Elenor) Wheeler (Williams), and has several relatives in this place. He leaves a wife and one son.

He was married to Emeline BRISCOE on October 12, 1873 in Gibson Co., IN.^{70,73} **Emeline BRISCOE**¹⁹ was born in Gibson Co., IN. Napoleon B. WHEELER and Emeline BRISCOE had the following children:

Wheeler, age 71 years, died Wednesday afternoon at 3 o'clock at the home of his daughter, Mrs. [Emma] Hallie Lynch, near here. Mr. Wheeler suffered a fractured hip several weeks ago and the shock of this is believed to have caused his death. The funeral services will be held Friday morning at 10 o'clock at the Methodist Church in Patoka. Burial will be in the Patoka Cemetery. Surviving to mourn the death are two daughters, Mrs. Lynch of this place and Mrs. Sam Crowder of Patoka, together with three sons, Theodore, Harry and Jerry. The following obituary furnished to Bette Millaway by Katherine Tyree (page 138). "Wednesday, July 14, 1909 -- Falls on Street -- Mrs. J. R. Wheeler victim of heart trouble. Heart and over-exertion, probably brought on attack. Funeral will be held at Patoka. Mrs. John Riley Wheeler was sized with an attack of heart trouble while walking along main street of Patoka about 3 o'clock Monday afternoon, the attack proving fatal. Mrs. Wheeler was removed immediately to the home of her daughter, Mrs. [Minnie] Samuel Crowder, where medical attention was given by a Patoka physician. But she never rallied from the attack and death came about 6:30 o'clock. Mrs. Wheeler was about 52 years of age and is survived by as husband and several children. She had come to Patoka yesterday from her home near Gordon Hills to do some shopping and it is supposed that the intense heat and over exertion brought on the attack. The funeral will be held at the home of her daughter Mrs. Crowder at 4 o'clock this afternoon and the burial will be in the cemetery near Patoka. [Sons, Theodore, Harry and Jerry]. This is my father's (Theodore) mother."

The 6th child of Golden and Elizabeth (Ruff) Heaps was Charles Golden Heaps born 6 September 1859 in Gibson County and he married Elzina Wheeler on 7 Oct. 1879 in Gibson County. Elzina (Elzinie) Wheeler was born 18 August 1861 in Gibson County the daughter of Andrew Jackson and Narcissus (Mitchell) Wheeler. Narcissus Mitchell was born at Princeton Indiana in 1833 and married Andrew Jackson Wheeler ca. 1855. Andrew Jackson Wheeler was born at Hazleton Indiana in 1831.

The first child of Charles Golden and Elzina (Wheeler) Heaps was Joel Olephant Heaps born 13 September 1880 in Gibson County. Charles and Elzina (Wheeler) Heaps left Gibson County Indiana ca. 1886 for Nebraska taking Charles two nieces Lena Ann and Hattie Harris with them. They settled in Adams County NE.

Thanks for the info on Charles G. Heaps. The G. is for Golden. His father was Golden Heaps b. at Doddington of Cambridge of Cambridgeshire England. Golden was b. ca. 1820 - 22. He m. Elizabeth Ruff on 15 Nov. 1846 at Doddington. Golden and Elizabeth were the parents of 9 children. The first was Harriet Heaps christened on 5 Sept. 1847 at Llandilo Fawr. Carmarthen Wales. (She was my ggrandmother). The 6th child was Charles Golden Heaps b. 6 Sept. 1859 in Gibson County IN. He m. Elzinia Wheeler on 7 Oct. 1879 in Gibson County. I see one child of Charles and Elzinia was Ada b. in Gibson County. Strange that I have never found a record of that birth.

Harriet Heaps m. John D. Harris in Gibson County in 1865. I have been looking for over 20 years for the parents of John D. John D. and Harriet (Heaps) Harris first daughter was Salina (Lena) Ann Harris b. in 1866. Harriet d. in Gibson County in 1879. Lena is my grandmother. Golden and Harriet (Heaps) Harris youngest child was Hattie b. May 1878.

Then, sometime in the 1880's my grandmother (Lena) with Hattie went to NE. I never could figure out how a young woman of about 20 and her sister about 8 could just up and go to NE. Then, I found that her uncle Charles Golden and his wife Elzinia went sometime in the 1880's and assumed that my grandmother and her sister went with them. My grandmother worked in Adams County NE (Hastings) for Harrison Swartz. Harrison's wife d. about 1890 and my grandmother m. him. I can't figure out where Hattie was living at this time. Wonder if she stayed with Charles? Wonder if Charles ever lived in Adams County? Anyway, my mother Dora Swartz was b. in Adams County NE in 1895. The family returned to Gibson County in 1900. Hattie never came back. Somewhere, probably in Adams County she m. Albert McIntire. When my grandmother d. in Jan. 1945 her obit listed her sister Hattie McIntire as living in Ekalaka MT. Haven't been able to find anything else about her. As far as I know my grandmother never saw her sister again after she returned to IN in 1900. Yes, I could have asked my grandmother all kinds of questions when I was a child but never did. My mother d. on 17 July 1946 when I was 14.

There were two Andrew Jackson Wheelers living in Gibson County. The one who m. Elzinia I believe was b. in 1825 and the other was b. in 1831. The Andrew Jackson Wheeler b. in 1831 m. Sarah Balch. I believe the two Andrews were first cousins.

[My Note: Jackson Wheeler did not marry Sarah Balch; married Sarah C/S/eals]

Here is some more on the family of Charles Golden and Elzinia (Wheeler) Heaps. Another child by the name of Clarence Rex was b. 20 June 1901 at Broken Bow in Custer County NE.

John Franklin Heaps son of Charles Golden and Elzinia (Wheeler) Heaps was b. 15 Aug. 1885 at Broken Bow. He m. Katherin Mary Bamesberger on 14 Jan. 1912 at Broken Bow. A daughter of John Franklin and Katherin Mary (Bamesberger) Heaps was Virginia Frances Heaps b. 2 March 1914 at Weissert, Custer County NE. A son of John Franklin and Katherin Mary (Bamesberger) Heaps was Robert Edward Heaps b. 5 Jan. 1916 at Broken Bow.

William E. Heaps son of Charles Golden and Elzinia (Wheeler) was b. 8 March 1888 at Broken Bow.

Margaret Elizabeth Heaps daughter of Charles Golden and Elzinia (Wheeler) was b. 27 Oct. 1890.

Charles Leon Heaps son of Charles Golden and Elzinia (Wheeler) was b. 5 Sept. 1897 at Broken Bow.

A Clarence George Heaps b. at Broken Bow f. was Earl Heaps and mother Velma (Smith) Heaps. My guess is that this Clarence wasn't b. at Broken Bow. A Clarence Heaps m. Grace Hyde and had a son Clarence Shayne Heaps b. 20 Jan. 1935 at Freedom, Lincoln NE. (My guess is that this isn't Clarence Rex Heaps.)

A Clarence Joseph Heaps b. 11 July 1905 at Freedom, Lincoln NE son of Joseph and Mary Ellen (Nelson) Heaps m. 7 April 1934 to Grace Hyde at Auburn, Uinta WY.

Hope you can untangle the above.

UTAH HEAPS

The Utah Heaps are related to the Gibson County Heaps. I have the relationship in my Heaps Genealogy but I don't know if they corresponded with each other after arriving in the U.S. The Utah Heaps m. into the Mormons before they left England and with multiple wives things get confusing. The Heaps of Franklin County IN also are related and at least one went to Utah.

There were Heaps in Lincoln County NE before Charles Golden arrived in 1885 therefore maybe he wrote to some of them and that is the reason he went. I would think that he must have known someone or why would he have left IN with a wife and 2 children and go that far away? And, I believe my grandmother age 19 and her younger sister Hattie went with them. Hattie was b. in 1878 and her mother Harriet (Heaps) Harris d. in 1879. Thus, Hattie was only 6 when she left with an older sister to go to NE never to see her other sisters or her father again. Her father John D. Harris didn't die until 1895 in Gibson County. I am not sure that John D. Harris was a very nice person but my grandmother always talked highly of him. Of course she never saw him after 1885 until he died in 1895. I doubt that she came back for his funeral. John D. Harris is buried at Providence Cemetery in Center Township in Gibson County. I remember my mom taking her out there on Memorial Day to lay flowers on his grave. Well, he didn't have a marker so my grandmother would stand at the back door of the church and take so many steps and then turn right and take so many more steps and then lay the flowers down and state that is where her father was buried. No one ever told her that as she got older her steps got shorter and she was placing the flowers in a different place each year and over a period of 45 years it was anybody guess how far she was off.

Oh Well,

Onward and Upward

Dan

SYLVESTER B. ROBINSON.

Sylvester B. Robinson, a farmer and influential citizen of Gibson county, was born here September 15, 1852, the son of James A. Robinson, who was born in Warren county, Kentucky, August 20, 1826. The father of James Robinson was John, a native of Virginia, who after his marriage to a Miss Daugherty, went to Kentucky, where they secured a large tract of land on which they made their home and where he died. After his death, his wife came to Gibson county, Indiana, about the year 1847, and here she died in 1861. They were the parents of seven children, namely: Sarah, William, Earl, Milton, James A., Robert and John. This entire family is now deceased. James A., one of the sons, came to Gibson county about the year 1847 and was that year married to Louisa Benson, a native of Gibson county, born in 1833. She was a daughter of William Benson, of Hardin county, Kentucky, who had come to Gibson county and married Margaret Leach, who was born in Virginia in 1803. William Benson was originally from Virginia and came here in 1816, where he died in 1878. The wife's death occurred in 1866. Mr. Benson was a wheelwright by trade, quite skilled in that day when all sorts of farm implements and vehicles were hand made. He was also a farmer, owing and cultivating a large tract of land. Their children follow: Mary Jane, deceased; Sylvester, who died on March 31, 1914; Martha, deceased; Ellen, wife of Amasa Wilson, of Montgomery township; Louisa (mother of the immediate subject of this sketch), of Owensville, Indiana; Sarah, deceased; William C., who was killed at Kingston, North Carolina; and Lemyra, deceased.

James A. Robinson, after his marriage to Louisa Benson in 1847, located on a farm in Gibson county, where he remained until 1856, at which time he moved to DeWitt county, Illinois. He remained there ten years, and in 1866 returned to Gibson county, where he farmed until 1903. He was always anxious to introduce new and helpful methods into his agricultural work and has the distinction of having brought the first corn planter into Gibson county. He was a man of genial disposition who made scores of friends. Always a staunch Republican, he was active in the politics of his county and filled an office or two. He and his wife were the parents of nine children, seven of whom are now living. Their names follow: Martha, born September 20, 1850, deceased, the wife of Elisha L. Pritchett, a farmer, furniture dealer and funeral director; Sylvester B., subject of this sketch; George C. died in infancy; Woodfin D., born January 27, 1857, in DeWitt county, Illinois; graduated from State University at Bloomington in 1879, taught school for a while, later attended law school at Ann Arbor, Michigan, from which he was graduated in 1882, was admitted to the bar and took up the practice of his chosen profession in Princeton. In 1884 he was elected county superintendent of the schools of Gibson County. He and A. P. Twineham operated the Gibson County Leader for about a year. He was first elected judge in 1895 and served twelve years on the appellate bench. He also represented his district in the state Legislature. In 1909 he removed to Evansville, Indiana, where he took up the practice of law with a partner under the firm name of Robinson & Stilwell. His wife was Jessie Montgomery. The fifth child in this family was William C., born June 28, 1859 residing at present in Colorado Springs, Colorado. In his earlier years he was a dealer in grain at Oakland City, Indiana, and later went to Kansas, where he started in banking business, and still later to Holyoke, Colorado, where he practiced law and engaged in real estate business. He was also made judge in the county courts there. Later he removed to Colorado Springs, where he has since practiced law. He is a staunch Republican and was elected senator of his district. His wife was Lida Dorsey. The sixth child is Minnie Belle, born June 30, 1862, wife of Henry Matick, of Owensville, Indiana, a farmer and stock dealer; Dove, the seventh child, born in October, 1866, wife of Osborn Lockhart, dealer in coal and building materials at Owensville; Ada, the eighth child, born in August, 1869, wife of John A. Mauck, a salesman traveling out of Fort Smith, Arkansas, and Anna, the ninth and last child, born in 1875, wife of Orville McGinnis, of Evansville, Indiana, a graduate of DePauw University and now an attorney. He has served in office and was referee in bankruptcy.

Sylvester B. Robinson received his elementary education in the schools of DeWitt county, Illinois, later attending the high school at Owensville, Indiana, and the Normal College at Lebanon, Ohio, from which he was graduated in 1872. He taught school for five years in the schools of Gibson county and then took up farming in Patoka, township. Here he remained for two years, when he went to Miller, South Dakota, took up a homestead claim and was there three years. At the end of that time he returned to Gibson county and was interested in the coal business at Owensville for about eight years, since which time he has carried on farming and stock raising in Patoka township.

Sylvester B. Robinson was first married on August 12, 1875, to Mary Barker, of Owensville, daughter of Hiram and Eliza (Fitzgerald) Barker. He was a farmer and pioneer of Gibson county. To their union was born one child, Pearl, wife of E. D. Fletchall, of Poseyville, Indiana, dealer in live stock. To Mr. and Mrs. Fletchall have been born four children: Emily (deceased), Virginia, E. D., Jr., and Robert I. Mrs. Robinson's death occurred June 28, 1878. Mr. Robinson's second wife was Hattie Jaquess, whom he married September 29, 1892. She was a native of Owensville, Indiana a daughter of William A. and Mary A. (Pollard) Jaquess. Her father was a hotel man and was originally of Poseyville, Indiana. Mr. and Mrs. Jaquess had a family of eight children, namely: Roxanna, wife of Richey Summers, of Owensville; Emma, wife of W. A. Stewart, of Vanderbilt, Texas; Lora, wife of Henry Baird, of New Albany, Indiana; Fletcher P., a farmer of Owensville; Hattie, wife of Mr. Robinson; Retta, wife of Charles W. Heistand, of Stamps, Arkansas; Ada B., unmarried, a milliner in Connersville,

Indiana, and Minnie, the wife of U. G. Teal, of Owensville, Indiana. By his second marriage, Mr. Robinson has one son, James J., born July 14, 1893, who attended the State University at Bloomington and graduated with the class of 1914.

All through life Mr. Robinson has been a staunch Republican and has taken some active interest in politics, but has never aspired for office as have other members of his family. Religiously, his sympathies are with the Methodist Episcopal church, of which Mrs. Robinson is a member and to which he gives his support. Of undoubted honesty and integrity, Mr. Robinson enjoys the high esteem of all with whom he comes in contact. The members of the family move in the best circles of the community and because of their genuine worth and splendid qualities they enjoy the high regard of all. Mary Virginia BARKER and Sylvester B. SIMON FRENCH.

The gentleman whose name heads this paragraph is widely known in Johnson county and is one of the honored citizens of Union township, where he is living in honorable retirement after a strenuous life of activity in connection with agricultural pursuits. His well-directed efforts in the practical affairs of life, his capable management of his business interests and his sound judgment have brought to him prosperity, and his life demonstrates what may be accomplished by any man of energy and ambition who is not afraid to work and has the perseverance to continue his labors in the face of any disaster or discouragement that may arise. In all the relations of life Mr. French has commanded the confidence and respect of those with whom he has been brought into contact and a biographical history of this locality would not be complete without a record of his career.

Simon French was born March 5, 1846, on the old French farm in Patoka township, Gibson county, Indiana, and has spent practically his entire life in this locality. The father, Phillip French, was born on February 12, 1807, in the state of New Jersey. In early manhood he went to Danville, Kentucky, where he was employed at his trade of brick mason and plasterer. On October 7, 1837, in Kentucky, he married Ann DeMott, a native of that state, born on November 22, 1816, and eventually they came to Gibson county, Indiana, by wagon and he entered forty acres of wild land, on which they erected a typical pioneer log cabin. The land was covered with a dense typical growth of timber and efforts of the most strenuous character were necessary in order to put the land in shape for cultivation. Mr. French put a puncheon floor in his cabin, made a stick chimney, and in every respect their home was a typical frontier place. Mr. French cleared and improved this place and lived there until the end of his life, his death occurring on November 5, 1855. His wife survived her husband many years, dying in 1894. Mr. French was a successful farmer, raising also a great deal of live stock and, in addition to his agricultural pursuits, he was frequently employed by the neighbors as a mason and brick-layer. At the time of his death he was the owner of one hundred and forty acres of good land. He was a Democrat in his political views, and in religion his wife was a member of the General Baptist church. Widely known throughout this section of the country, he was highly respected and esteemed by his

entire acquaintance. To him and his wife were born the following children: Peter, born September 11, 1838, lived in this county and also in Kansas, where he followed agricultural pursuits. He is now deceased. He married Melinda Keys, and after he died she became the wife of Squire Weed, of Fort Branch. John J., born January 15, 1839, died in early youth. Mary Ellen, born January 30, 1840, died unmarried. Martha Jane, who died April 24, 1841, became the wife of William Landfair, of Maxim Station, Indiana. Ephraim, born November 24, 1843, died at the age of nineteen years. Simon, the immediate subject of this sketch. William, born December 29, 1850, is a farmer near Dyersburg, Tennessee. Philip B., born February 9, 1856, is a farmer in Union township, this county.

Simon French had but little opportunity to secure a school education, but, being studiously inclined, he acquired a large and accurate fund of general information, being considered a well-informed man. He remained with his parents until he was twenty-five years of age, when he was married, and soon afterwards bought a farm of fifty-three acres in Patoka township. The land was partly improved, but Mr. French at once went to work and brought it up to a high standard of agricultural excellence. He also bought the old homestead farm, on which he lived for ten years, when, in 1903, he moved to Fort Branch, where he is now living retired from active labor. He owns a number of valuable farms in this county, and has in all, in Patoka and Union townships, seven hundred acres of fine land, being numbered among the most substantial citizens of his section of the county. He has always followed farming and stock raising as a vocation, and has met with phenomenal success in both of these enterprises. Starting in life in a small way, he has, with most persistent industry, steady perseverance and good management, gained quite a competency and is numbered among the county's wealthy citizens.

In 1871 Mr. French married Louisa Davis, a native of Patoka township, Gibson county, Indiana, the daughter of Samuel and Jane (Barker) Davis, the mother a native of Owensville, Indiana, and the father of South Carolina. The latter was a farmer during his active life, his later residence being in Patoka township, this county. They were the parents of six children, namely: George; Louisa; Bentley; Mary, who lives on the old home place; Ella, who married Frank Kimmer, of Princeton, and John, who also lives on the old home farm. To Mr. and Mrs. French have been born seven children, of whom six are living, namely: Rosie, the wife of Henry Martin, a farmer in Union township, this county; Vada, who died in early youth; Jesse, who lives on a part of the old homestead farm; Samuel, also a farmer on part of the subject's farm; Stella, the wife of Owen Stephens, of Patoka township, this county; Mary, the wife of Wilbur Strickland, of Princeton, and Barney, a farmer in Patoka township.

Politically a Democrat, Mr. French has for many years been an active participant in local public affairs, though never actively seeking office on his own account. Religiously, he and his wife are earnest and faithful members of the Regular Baptist church. Personally, Mr. French is greatly esteemed by his neighbors, and his name stands for upright conduct and a high standard of manhood and citizenship.

WILLIAM S. ENNES, one of the progressive citizens of Princeton, claims Gibson County as the place of his nativity. He was born November 28, 1862, a son of Embree and Martha (Kirk) Ennes. His father was a native of the county, and died at the early age of twenty-one. In August, 1862, he had entered his country's service as a member of Company B, Sixty-fifth Indiana Infantry. He faithfully followed the stars and stripes until illness overtook him and he was brought home, but the next day he died. The paternal grandparents were John and Nancy Ennes, the former a native of North Carolina, and an early settler of Washington township, Gibson County. The Ennes family is of Scotch-Irish origin. Mrs. Martha Ennes, mother of our subject, was born and reared in Gibson County, and still makes her home here. She is a daughter of Robert and Susan (Redman) Kirk, also pioneers of this locality. William S. Ennes was an only child. He was reared on the farm in Washington township, and spent his boyhood midst play and work. His elementary education was obtained in the common schools, and he was afterward graduated on the completion of the teacher's course in the Indiana Central Normal College at Danville in 1883. In 1886 he embarked in general merchandising in Hazleton, Indiana, where he remained for a year and a half, after which he spent three years as a salesman in a hardware store in Princeton. In September, 1889, he was appointed deputy county treasurer, in which capacity he served until November, 1894, since which time he has been engaged in the real estate and general insurance business. He is a wide-awake, enterprising man, possessed of the true progressive spirit of the west. In 1889 was celebrated the marriage of Mr. Ennes and Miss Lucy Kightly, of Hazleton, Indiana, a most estimable lady, and a member of the Methodist Episcopal Church. They have two children - Vesper and Darle. Mr. Ennes is also an active member of the Methodist Church, and socially is connected with the Knights of Pythias and Masonic fraternities. In politics he is a stalwart Republican, and in the fall of 1896 became the Republican candidate for Treasurer of Gibson County, and made a very creditable race, being defeated by a very small majority, and by such means as has induced a contest of such election. Mr. Ennes is a popular young man, and all he has accomplished has been by individual effort, and to him belongs much credit for the success he has achieved in life.

WILLIAM ENNES.

Among all branches of history, there is none more instructive or more eagerly sought after than that which truthfully delineates the rise and progress of the state, county or community in which the reader lives. There is pleasure as well as profit to every

intelligent mind in contemplating the of the early settlers in every portion of the great West; how they encountered and successfully overcame every species of trial, hardship and danger to which men in that stirring period were subjected. But these things strike us more forcibly and fill our minds with more immediate interest when confined to our own locality where we can yet occasionally meet with some of the silver-haired actors in those early scenes, men whose bravery in encountering the manifold troubles and misfortunes incident to frontier times has borne an important part towards making Indiana what it now is, and whose acts, in connection with hundreds of others in the first settling of our vast domain, have compelled the world to acknowledge us an invincible people. The early, settlement of Gibson county was marked by as much heroism and daring as characterized the frontier history of any other section of the state. Her pioneers were men of invincible courage, undaunted by the obstacles which confronted them, and the results of their self-sacrificing labors are today seen in the wonderful achievements they wrought in laying the foundation upon which their successors have builded wisely and well.

William S. Ennes, ex-county treasurer and retired merchant of Princeton, Indiana, was born November 28, 1862, in Washington township, Gibson county, Indiana, son of Embree and Martha J. (Kirk) Ennes, both of Washington township, this county. The father was a son of John and Elizabeth (Key) Ennes, of South Carolina, and who were among the pioneer settlers, of Washington township. Here they secured wild land, which they cleared and made a home, reared a large family and died there. They were buried in Mt. Olive cemetery. Embree Ennes had only a limited schooling in the schools of those days and lived at home until August, 1862, when he enlisted in Company B, Sixty-fifth Regiment Indiana Volunteer Infantry, at Princeton. Shortly after joining his command, he was taken sick at Henderson, Kentucky, and his wife brought him home, where he died in 1863 at the age of twenty-one years. He was a farmer and he and his wife were members of the Methodist Episcopal church. His wife was married a second time, to John Sullivan, a farmer (deceased), of Buena Vista, Washington township, in this county. She resides in Oakland City. To John Sullivan and wife (Mrs. Martha J. Ennes) were born: Jasper S., a farmer in Knox county, Indiana; U. S., a jeweler at Vincennes, Indiana; Ada, deceased; Perry O., with the Waltham Watch Company at Waltham, Massachusetts, since 1892.

William S. Ennes, who was the only child by his mother's first marriage, was educated in the home schools and also at the Danville Central Normal College. After he left school he clerked in a hardware store at Fort Wayne, Indiana, and was also with Barrett & Stokes, hardware dealers at Princeton, Indiana. He was appointed deputy county treasurer in 1889 and was then appointed county treasurer to fill out an unexpired term in 1897, serving three months, after which he was elected county treasurer, taking office in 1900 and serving four years. After the expiration of his term he was in the grocery business in Princeton, Indiana, for eight years, selling out in 1911, and since then he has looked after his farm interests.

William S. Ennes was married November 14, 1889, to Lucy Kightly, who was born in White River township, Gibson county, Indiana, and is a daughter of Josiah Kightly. To Mr. and Mrs. Ennes have been born four children, namely: Vesper D., born March 9, 1891, who graduated from the high school of Princeton, and is now a steam fitter at Crawfordsville, Indiana; Darle, born July 11, 1893, who is attending Indiana University at Bloomington, and is in the second year; Raymond, born August, 1902, and died in October, 1902, and Lowell K., born October 4, 1903.

For the past ten years Mrs. Ennes has been on the board of charities and for the past four years has been president of guardians. She takes a great interest in lodge and charity work and is a splendid woman and mother.

The following is a story of the life of Josiah Kightly, the father of Mrs. Ennes, as written by himself just following his eightieth birthday, and dedicated to his children and his children's children:

"I was born in Chatteras, Cambridgeshire, England, in the closing hours of January 31, 1822. My father was William Kightly. My mother's maiden name was Mary Elizabeth Phillips. I was one of eight children, there being seven boys and one girl in the family. My father was a farmer and my early life, until I was ten years of age, was passed as childhood days were usually passed in that time in a farming community, helping and hindering about the home. When I was ten years of age I decided I would go to work instead of going to school. I had no trouble in securing work and I want to say right here that I have worked from that day to this (seventy years), but I now feel that I am entitled to a rest for the balance of my earthly days. As I was saying, when I was ten years old I hired to a neighbor to herd his sheep and lambs and for this I was paid sixpence a day-twelve cents in our money. After working a long time for this man, he was so pleased with my, work he told me he would give me sixpence every two weeks for my own in addition to my regular wages, which he knew went to my parents to help pay my board and clothing. I am proud to say that I saved the extra sixpence and soon had plenty of money, all of which I carefully saved until I decided to come to this country. I worked for the same boss eight years, then I went home to my father and worked for him four years, driving his team or whatever there was to do in the daytime and at night I often enjoyed myself going to see the girls.

"I had long had a growing desire to seek something better and my thoughts naturally turned to America. When I was twenty-two years old, strong and healthy, in the fall of 1844, the last of October, I bade farewell to home and kindred and set

sail on the sailing vessel 'Frankona' bound for New Orleans. Shortly after we set sail the fun began. Before we were out of the Irish channel, we--the passengers one and all--were 'pumping ship' in great fashion, for we were all sea-sick. We had a good time and sailed very fast and the rolling salt waves looked like fire. It was a beautiful sight had we been in condition to enjoy it. However, we went to bed and stayed there until the seasickness wore off. While that sickness lasted I will confess I wanted back to the old home and the friends I had always known, but after recovering from the sickness life put on many charms and from that time on I saw all the enjoyment I could out of the voyage. We were forty-seven days making the trip and during that time I saw many strange sights that were new to me. Besides having lots of fun we saw sea hogs, flying fish in great numbers, also one whale. To my practiced eye the whale looked to be as large around as a big horse and more than thirty feet long. I guess he got mad at our vessel for he went off a little ways and blew up we water as high as we could see it. While passing one of the Bahama islands our vessel hove to and there I had my first sight of a black man. That was what we called him then, but after we got to the United States I found the general term used for black man was 'nigger.' To many of us he was a great curiosity. All he had on was a gunnysack with a hole cut in the bottom through which his head came. The captain told the sailors to throw a rope down to him. He had a skiff load of fine fish and he rowed close to our ship side. They threw the rope to him and the darky filled a sack full of the fish and the sailors hauled it on deck. Then the darky came up and he was a sight for us to see--a black man in a gunny sack! The captain told the steward to take what fish he needed for the cabin and let the passengers have the rest. The fresh fish were a great treat to us. After the darkey went back to his skiff our vessel went on as best it could, but we had sea grass and hot winds to contend with, and we got along very slowly. I remember an incident that occurred about that time. There was an old dog on the vessel and one day as the first mate was on deck the old dog came along and the mate kicked

at him. The mate happened that day to be wearing a pair of old slippers and in his kick he missed the dog and the old slipper went sailing into the sea. With that the mate gave the other foot a kick and, telling both the slippers to go to Hades, he stood and watched the last slipper follow its mate. There were many nice days and many awfully rough days and nights. Some days the captain would walk the deck and call all hands to action, declaring there was a storm coming. Then all sails had to be taken in until the storm was over, then another fresh start taken and so it went until we got in sight of the light houses at the mouth of the entrance of the great Mississippi river, where we waited for tow boats to take us up the river to New Orleans. Our vessel drew sixteen feet of water over the sand bar at the mouth of the river. Our tow boat towed three ships up the river to New Orleans and we landed at the dock at four o'clock on the morning of December 12, 1844, and then we green horns began to see the sights. I worked at different occupations at New Orleans for several months and did well working, for what seemed to me, a poor boy, lots of money. In 1845, as there was much talk of yellow fever in New Orleans, I improved the opportunity to go up the river, left the city and finally landed at Evansville, where I decided to stay. I promised my friend Thomas Ruston to go back to New Orleans with him in the fall, but being assured work as a clerk in the store of Babcock Brothers in Evansville I did not go. I stayed with the firm thirteen years. I began work with them August 4, 1845, my wages being eleven dollars a month and board. After I stayed with them three years I married Mrs. Elizabeth Furnas of Evansville and went to housekeeping and my wages were increased. They were gradually advanced until I got fifty dollars per month, which was considered exceptionally good wages for those days. Having received what I consider an exceptional offer, I went to work for M. W. Foster as clerk in the old warehouse that stood on what was at that time the canal, but is now known as Fifth street. I remained there about two years, then came up to Hazleton, Indiana, where I purchased from Mr. Foster a stock of merchandise, This was in March, 1862, but I did not take possession of the stock until April of the same year.

"On the 19th of April, 1862, I moved my family from Evansville and took up my residence at Hazleton, Indiana, and began the mercantile business and here I have ever since made my home. I was then about forty years of age and will have been here forty years next April if I live to see that day. During the forty years I have lived at this place I have witnessed many changes. When I came here there was no church or Sunday school and I was lost on Sunday. When I came to Evansville and began life there Father Parrett and Joseph Wheeler were local preachers at the Locust street Methodist church, and there I attended service. In 1860, I think it was, while Brother Gillett was our preacher, we had a big revival meeting and many of the boys, myself among the number, were converted and joined the church and we truly enjoyed religion. So when I moved to Hazleton and found no devotional services to attend I interested myself in starting a Sunday school which, I am indeed glad to say, was very successful and is still showing a continued and healthy growth, both spiritually and in increased members. Since I came here there have been great chances for the better. Churches have been established and Sunday is now a day of spiritual strength and thanksgiving.

"In conclusion I want to say to my children and my friends that I know that my days on earth are drawing to a close, but my mind is serene in the comforting thought that I have made my calling and election sure with my heavenly Father and I am now ready and waiting with all I have and am to make the change from this life to a seat in Glory 'where moth and rust doth not corrupt and where thieves do not break through nor steal'--there to remain with my beloved ones gone before--forever and forever."

As the preceding autobiographical history of Mr. Kightly has treated in a general way of his life from early childhood, this sketch will deal with such details and matters as have not been there related. He was twice married, his first and second wives

being sisters. They were both born in Ramsey, Huntingtongshire, England. The death of Mrs. Elizabeth Kightly occurred October 29, 1865, and she was buried at Oak Hill cemetery, near Evansville. She was a most estimable woman, home loving and domestic in her tastes, and her death was a bereavement indeed to her husband and family. On April 8, 1867, Mr. Kightly was married to Sarah Roe of Hazleton, Indiana. Mrs. Sarah Kightly died January 11, 1898, at her home in Hazleton, Indiana, and was buried at Oak Hill cemetery. She was a kind Christian woman, a fond wife and a loving mother and her loss was deeply felt, not only by her husband and family, but by all who knew her. In each of these wives the husband found a true companion and helpmate and their deaths left him sadly bereaved. After the death of his last wife in 1898, one of his granddaughters, Miss Mary A. West, assumed the duties of housekeeper for his home. In the following August she was married to John Knaub, and those two made their home with the aged man until his final summons. In this connection it may be said that to their loving care and devotion much of the happiness of his latter days was due. He was the object of their kindness, care and solicitude and his interests and happiness were their first thought.

Coming from Evansville, where his first job of work had been the clearing of trees from the present site of the Union station to make way for a hay press, Mr. Kightly was a continuous resident of Hazleton from 1862 until his death, except six months in 1864, when, thinking he could better his conditions, he disposed of his business interests in Hazleton and engaged in the same line in Friendsville, Illinois. This being off a railroad line, he had to freight his goods from Evansville by wagon, crossing the Wabash river at Mt. Carmel, Illinois. He soon became aware that, for his business, he should be located on some railroad, and coming back to Hazleton, he repurchased the store he had owned there and settled down to make that place his permanent home. Having made this decision he began to invest his savings in land in that section of the county and before his death he was owner of several hundred acres of the best land in Gibson county. For many years Mr. Kightly passed his life peacefully and quietly as a country merchant, but in 1875 his landed interests having become of large proportions, he retired from his mercantile business and devoted his time to looking after his farm. Ever an ardent Republican, he did not refuse when in 1882 his party asked him to fill the office of county commissioner, and served two terms. During his term in office the magnificent county court house at the county seat was built and to his watchful care may be credited much of the good work there is to be seen on that building. He was the same careful, conservative business man when looking after the affairs of the county that he was in his own personal affairs, and he retired from that office with the confidence and respect of all with whom he had official dealings. Mr. Kightly was ever interested in the material progress of his home town, and in 1903, realizing that the business of Hazleton and the rich surrounding country lacked the advantages of a bank near at home, he was one of the first to set about the establishment of an institution of that kind. The result was that the Citizens State Bank of Hazleton, Indiana, was founded. He was elected its first president and took an active interest in its affairs until a short time before his death. At the time of his death he was a member of the order of Odd Fellows and until his death was a strong defender of the principles of that order. In personal appearance Mr. Kightly was about five feet four inches in height, weighing about one hundred and sixty-five pounds. His complexion was normally fair, but owing to his love for outdoor life he was continually tanned until he had a swarthy appearance. He was always close shaven. He was very energetic and active and fond of walking and horseback riding and it was his great pleasure in his old age to mount his favorite horse "Molly," a beautiful black, and ride to his farm dally. He loved his home and was a hospitable and entertaining host. Faithful and constant in his attendance at his church his life was that of an honest man who desired to serve his Maker and his deserving fellow men. He was a Methodist and gave freely of his time and means to further the advancement of that church and the gospel in general. He was honest in all of his dealings: was charitable, but was disposed to know that his charity was well directed. He wanted to live in peace with all mankind and yet was quick to resent an attempt to perpetuate upon him a wrong. In all his dealings he tried to observe the precepts of the Golden Rule, nor did he look with any degree of charity upon a dishonest act. Personally, Mr. Kightly was sociable and genial with all, and, while possessed of a quick and violent temper, he was quick to recover from such outbursts and, if in the wrong, to make ample apology. He looked on the habit of worrying as a sin and his philosophical advice to the man who worried might well be followed by all. To such an unfortunate he would say: "Don't worry; if what you are worrying about can be helped, go to work and help it; if it can't be helped, what is the use of worrying?" No more truthful and sensible advice was ever given.

In 1850 Mr. Kightly had taken out his naturalization papers in Vanderburg county, Indiana. He never returned to his English home and never saw any of the family of his youth except his sister and his two brothers, John and Francis, who later came to this country. At his death in 1907 Mr. Kightly left the following surviving children: Mrs. Lucy Kightly Ennes, of Princeton, Indiana, wife of William S. Ennes, who served two terms as county treasurer of Gibson county, Indiana, being elected by the Republican party; and Francis J. Kightly, one of White River township's most progressive farmers, who lives on a splendid four-hundred-acre farm two miles southwest of Hazleton, Indiana. In his later life, Mr. Kightly celebrated each birthday anniversary by having his children and his children's children meet with him to observe the day. On these occasions he delighted in gathering about him his descendants and relatives and relating humorous and often pathetic incidents through which he passed his younger days. He knew that his period on earth was drawing to a close, yet his desire as he grew older was to make those about him joyful and contented. Often when the cares of the day were heavy he would lie down upon his couch, draw his familiar old cap down over his eyes and softly croon or sing his favorite hymn, "Blessed be the Name of the Lord," until the tired eyes would close and sleep would softly hold him in its gentle embrace.

Mr. Kightly had all his life been of rugged and sturdy constitution and as age fastened its ruthless hand upon the sturdy frame the vital tissues of life began to wither and give out. His last sickness, if sickness it could be called, was of comparatively short duration and through it all there was no suffering. It was simply the quiet, invisible dissolution of the mortal body and the end drew gradually near, January 1, 1907, he began to fail. From that time there was a gradual decline until he became perfectly helpless, though free from any suffering. His mental faculties remained strong and clear until within a few hours of his death. He knew those around him and not the least shadow of doubt clouded his mind as to the happy ending of the final summons. The last words he ever uttered on earth were a line of his favorite hymn, which he no doubt realized to the fullest extent, "Blessed be the Name of the Lord." At half past one on the morning of March 6, 1907, his spirit bade adieu to its mortal clay and joined the loved ones who had preceded him to the golden shore. His death was peaceful and painless and the loved ones who stood about his dying bedside could not mourn as those who have no comfort, for they knew he was at rest. Another favorite hymn of his was "When I Can Read My Title Clear to Mansions in the Skies." His funeral took place on Thursday, March 7, 1907 at two-thirty P. M., and it was one of the largest ever held in Hazleton. It was from the Methodist Episcopal church and the services were conducted by Rev. W. W. Reynolds, pastor of the Methodist Episcopal church, assisted by the presiding elder, Rev. Dr. J. W. Duncan, of the Methodist district, and the Rev. J. R. Edwards of the General Baptist church.

The life history of Mr. Kightly would not be complete without mention made of one who for many years made her home with him, his only sister, Mrs. Mary Ann Knowles. She married in England and was the mother of three children, all of whom died in infancy. Her marriage proving an unhappy one, she came to this country in 1863, and from that time to her death she lived with her brother. By her gentle ways and kindly heart she became established in the affections not only of the family, but of all who knew her. "Aunty Knowles," as she was known to all, was a mother to the children of the family, when they were indeed motherless, and to her brother in his many bereavements she was a tower of strength and a source of great comfort. She died at the home of her niece, Mrs. Lucy Ennes, at Princeton, Indiana, whom she was visiting in 1892, lacking one month of being eighty years old. Her body was laid at rest at Hazleton, Indiana.

CYRUS N. ESKEW.

The science of agriculture--for it is a science as well as an art--finds an able demonstrator as well as successful practitioner in the person of Cyrus N. Eskew, who is widely known in Gibson county, maintaining a very productive and desirable farm in Patoka township. He comes of a very highly honored pioneer family, members of which have played well their parts in the general development of this favored section of the great Indiana commonwealth.

Cyrus N. Eskew was born on February 5, 1857, in Boone township, Warrick county, Indiana, the son of John and Annie (Carter) Eskew, both born and raised near Bowling Green, Kentucky. John Eskew came to Indiana in early manhood with his parents. James Eskew and wife, who obtained a wild tract of land in Boone township, Warrick county, to the clearing and cultivation of which they devoted their sole attention. James Eskew followed farming throughout his active life, and was a man of sound principles, persistent industry and genuine worth. John Eskew was reared on the paternal farm in Warrick county, and had but little opportunity to go to school, his early years being required in the strenuous labor of the frontier farm. However, he was ambitious to secure an education, and by hard and persistent home study he became a well-informed man. After his marriage he acquired a tract of land adjoining his father's farm, which, when cleared, developed into a splendid farm. In the spring of 1869 he located near Oakland city, Gibson county, where he lived until his death, which occurred in January, 1911. His wife had died many years before, passing away in 1860. For his second wife he married Martha J. Wakeland, the widow of Samuel Wakeland, who is now living near Oakland City. By his first wife John Eskew is the father of the following children: Delia C., who died March, 1912, was the wife of Daniel Tracer, a farmer in Gibson county; Julia also deceased, was the wife of Shedrick Parker a Gibson county farmer; Thomas B., who is a farmer in Warrick county, Indiana, married Melinda Robison; Cyrus, the immediate subject of this sketch; Jasper, a farmer at Francisco. To John Eskew's second marriage were born four children, namely: Sylvester, deceased; Sarah J., the wife of William Collins, a farmer near Oakland City; John Franklin, a farmer near Oakland City, who married Mattie Spore, and Emma, the wife of James Harbison, who lives near Francisco.

Cyrus N. Eskew had but little opportunities for securing an education and remained under the parental roof until nineteen years of age. He then began farming on his own account near Patoka, but four years later moved to Patoka and there followed agricultural pursuits for a like period. Mr. Eskew maintained his residence in Patoka until 1888, when he moved to King's Station, Indiana, where he rented land and farmed for eighteen years. At the end of this period he bought the sixty-four acre tract on which he now lives and also forty-three and one-half acres in another tract, and has since given his attention to its operation. He has also for the past three years been engaged in the grain and coal business at King's Station, in which he has met with pronounced success, his treatment of his customers being such as to retain their friendship and patronage. By his persistent efforts and good management Mr. Eskew has been enabled to gain a distinctive success in the various lines of effort to which he has applied himself and won a large following of warm and loyal friends since locating in Gibson county.

On December 14, 1882, Mr. Eskew married Mary C. Harris, who was born in Patoka, the daughter of John Wesley and Hannah (Key) Harris, the father born in 1833, near Chattanooga, and the mother a native of Gibson county, Indiana. John W. Harris came to Gibson county in 1860, settling in Patoka, where he followed the trade of carpentry. Mr. Harris was a member of the Baptist church, his wife holding membership in the Methodist Episcopal church. The Harris family has for many years been prominent in the various localities where its members have lived, and was among the early settlers of Harrisburg, Dauphin county, Pennsylvania. Prior to her marriage to Mr. Harris, Mrs. Harris was the wife of William Johnson, of Patoka, and to them were born three children, Alice Melinda, the wife of William Stermer, of Patoka, Lizzie Etter, the wife of Newton Etter, and Charles, who died in 1912. To Mr. and Mrs. Harris were born the following children: Mary C. (Mrs. Eskew); Fannie, the wife of John Jones, of Patoka; John, who has been a member of the fire department of Memphis, Tennessee, for several years, married Kate Burbank; Frank, of Indianapolis, a traveling salesman, married Pearl Hitch; Nora is the wife of Preston Milburn, of Patoka; Wallace, a grain dealer of Patoka, married Stella Trippert, and Minnie, who died in early youth. To Mr. and Mrs. Eskew have been born two children, Estella M., the wife of Arch Whittaker, a farmer at King's Station, and they have two children, Mary Helen and John L.; Marjorie Geraldine is at home with her parents. Estella, who graduated from the Princeton high school with the class of 1903, was a teacher for three years. Mr. Eskew has always taken a deep interest in educational matters and has served efficiently as school director at King's Station, and as a staunch Republican he has always been active in the support of his political party. He and his wife are members of the Methodist Episcopal church, to which they give earnest support. They are well known throughout the community and enjoy the friendship and esteem of all who know them.

PRESTON MILBURN.

The following is the sketch of a plain, honest man of affairs, who by correct methods and a strict regard for the interests of his patrons has made his influence felt in Patoka and won for himself distinctive prestige in the business circles of that city. He would be the last man to sit for romance or become the subject of fancy sketches, nevertheless his life presents much that is interesting and valuable and may be studied with profit by the young, whose careers are yet to be achieved. He is one of those whose integrity and strength of character must force them into an admirable notoriety which their modesty never seeks, who command the respect of their contemporaries and their posterity and leave the impress of their individuality deeply stamped upon the community.

Preston Milburn, a successful merchant and prominent citizen of Patoka, was born in Lynn county, Missouri, on May 1, 1867, the son of Captain Augusta and Belle (Devin) Milburn. The father was born on the old Milburn homestead in Gibson county, Indiana, on December 23, 1838, and the mother was born in Gibson county about 1841 on the old Tichenor homestead. The father was a farmer, and was a veteran of the Civil war, having served as captain of Company C, Fifty-eighth Regiment Indiana Volunteer Infantry, in which he saw service from 1861 to 1865. At the battle of Missionary Ridge he was severely wounded, the bullet striking his nose and passed through his face and right jaw, coming out through the neck. He was in the battle of Shiloh and all the other important battles in which the Fifty-eighth Regiment took part.

He received his education in the public schools at Patoka, and in 1866 the family went to Missouri. In 1874 they returned to

Gibson county, where he followed farming up to the last few years, when he retired from active labor and his death occurred in August, 1907. His wife died in 1899. They were the parents of five children, of whom, Preston, the subject of this sketch, was the first born, the others being Alexander D., deceased; Harvey; Sue, the wife of Oscar Witherspoon; and Mary, the wife of D. R. Trippett, of Memphis, Tennessee.

Preston Milburn, after completing his education in the common schools, engaged in teaching for five years in White River township, and then for some time was employed as clerk in a store at Patoka. On May 1, 1897, he became postmaster of Patoka, in which position he served for eleven consecutive years, giving eminent satisfaction not only to patrons of the office but to the postoffice department. Since March 10, 1904 Mr. Milburn has been engaged in the general mercantile business in Patoka, he and his brother, Alexander D., buying the property from F. A. White. Eventually his brother died, February 27, 1910, and the subject has since conducted the business on his own account. He has been very successful in his enterprise and has also, acquired the ownership of a farm of three hundred and forty-five acres of bottom land in White River township, which has proven a comfortable source of income.

On June 10, 1896, Preston Milburn married Nora Harris, the daughter of J. W. and Hannah (Key) Harris, of Patoka, and to them have been born three children: Alexander, Almyra and Josephine.

Politically, Mr. Milburn has been a life-long Republican, and has taken a deep interest in the success of his party. Religiously, he is affiliated with the Methodist Episcopal church to which he gives earnest support. Fraternaly, he is affiliated with the Modern Woodmen of America and the Free and Accepted Masons at Patoka. His career has ever been an honorable one, his relations to his fellowmen have always been above reproach, and his good name beyond criticism. He wears the proud American title of "self-made man" and being in the most liberal sense of the term the architect of his own fortune, he may well feel a sense of pride in his achievement and the honorable position to which he has attained among the enterprising citizens of the county, in which the busy years of his active life have been passed.

Note written by John L Key

Up to the present time we have not been able to trace back any farther than Wm Key Sr (Br 9-17-1767). Have found that he had two Bros., Landon & Jack. That one went to Ky and the other to Ill (from Mrs J W Key)

William was supposed to come to this country from England and it is supposed he brought his wife Hannah Lovell from England. Although there was a Lovell family which was prominent in the early history of Boston

His second wife Delilah Johnson (married at 16 years of age) was from a wealthy southern family and was disowned for marrying a working man (northerner & tradesman). Her brother Alex was the only member of the family who ever came to visit her and he came once every year by horseback bringing his saddle bags full of various articles for the children. She was a rather small woman and was younger than her step-daughter Nancy (Ennis). She made her wedding trip on horse back carrying her step-son George (a baby) buried in Humphry Cemetery, Hwy 41 north of Patoka.

Ross Key Dies; Hurt in Crash One Week Ago

Ross Key, 83, a well-known Gibson County farmer, died today at a.m. in the Gibson General Hospital.

Mr. Key was born north of Princeton March 31, 1878, and lived in Patoka Twp. all his life. He was a member of the Patoka Methodist Church.

Mr. Key had been a patient at Gibson General Hospital since Nov. 1 when he was injured in a car-truck accident north of Princeton on U.S. 41. An autopsy was to be held this afternoon to determine the cause of death.

The decedent was hurt when the car he was driving was struck broadside by a gravel truck when he pulled onto the highway from Lyles Rd.

Surviving are the widow, Nora Parrett Key; a daughter, Esther at home; two son, Richard and Robert both residing west of Princeton; a sister, Mrs. Ida White also of Princeton; and four grand children, Robert, Evelyn, Martha and James Key.

The funeral will be Friday at 2 p.m. in Colvin and Son Chapel with Dr. L. C. Jeffrey officiating. Burial will be in I.O.O.F. Cemetery.

Friends may call at the funeral home after 3 p.m. Thursday.

Catherine Ford listed Arthur Albert Key as a possible son of Clarence. The census records support this belief. At one time I had listed Constance Ramone Titcomb, wife, and son Lowell Thomas in this line. However, the Utah cemetery records indicate the father of the Arthur who married Constance as George Key. Because of this, I have elected to remove Constance Ramone Titcomb, wife, and son Lowell Thomas in this line.

He was married to Emilie (Amilie Bessie) (Ruegg) DE LESDERNIER (daughter of Johann RUEGG and Louisa ZOLLINER) on April 20, 1914 in Houston, Harris Co., TX.

Emilie (Amilie Bessie) (Ruegg) DE LESDERNIER³⁹ was born on July 19, 1881 in Basel, Switzerland. She died on February 4, 1963 in Houston, Harris Co., TX. She was buried on February 6, 1963 in Forest Park Lawndale Cem., Houston, TX.

Mother's headstone at Forest Park Cemetery on Lawdale lists her as Emily Elizabeth Thomas. I have been unable to confirm the middle name of Elizabeth. Ruth (Thomas) Maxwell says that she thought mother told her that her middle name was Elizabeth, hence she had Elizabeth put on her headstone.

Mothers's Geburtsschein (Birth Certificate) from Basel Switzerland says only Emilie Ruegg. Also a letter from Staatsarchiv Des Kantons Zurich list her as Emilie Ruegg born 19 July 1881 in Basel Switzerland.

Dad used to call mother Bessie, which I guess is short for Elizabeth. I think mother just assumed the middle name Elizabeth. William James THOMAS Sr. and Emilie (Amilie Bessie) (Ruegg) DE LESDERNIER had the following children:

- +1677 i. **Ruth THOMAS** (born on July 24, 1921).
- +1678 ii. **Elisabeth 'Betty Jane' THOMAS** (born on February 8, 1923).
- +1679 iii. **William James THOMAS Jr** (born on December 29, 1926).

John F. Thomas was in the farm implement business in Princeton Indiana with his father.

As a child in the 1940's, I (John Key) frequently visited the John Thomas blacksmith shop in Hazleton, IN. I remember being impressed by the forge and the large drop hammer which was driven from a line shaft. In my time the lineshaft was powered by an electric motor. However, in earlier times the line shaft would have been driven by either steam or an early gasoline engine. The forge and hammer was used to shape plow points. Many times I was allowed to crank the fan which pushed the air through the forge. Later the shop was sold to the Scott's who changed the business to a welding shop which derived much of their business from the Autolite battery factory in Vincennes. The business was finally closed and the building torn down.

1890, May 1, CRAWFORD MIRROR, p5 - Mrs. Belle Key, wife of S. A. Key, died at her home near Pleasant Point. on Sunday, April 27, 1890, a victim to consumption. She was a daughter of the late Preston Dunlap, who died from the same disease. Mrs. Key was a very worthy lady and her untimely death, will occasion grief to a wide circle of acquaintances. She leaves a large family of young of young children to the care of her bereaved husband. She has two brothers in the west, one of whom recently visited her.

1890, May 8, CRAWFORD MIRROR, p3 - Obituary

Died, at her home in Crawford county, Mo., Sister Belle Key. She was the daughter of Samuel F. and Amanda Dunlap. She was born Dec. 2, 1851, departed this life April 27, 1890, aged 36 years, 4 months and 25 days. She was married to Samuel A. Key Feb. 20, 1873. Unto them were born four sons and two daughters.

Sister Belle suffered severely for several months with consumption, but she bore it all with the greatest patience. I visited her frequently and I always found her resigned and Christian-like. To know her was but to love her. I heard so man of her neighbors say, in speaking of her affection, "She is such a good Christian woman." She was held in high esteem by all. Truly death loves a shining mark.

Sister Belle was a loving and indulgent mother, a faithful and affectionate companion. But dear husband and children, there is an aching void the world can never fill. God's grace alone can heal the wounds. Linger not in your thoughts around the tomb where sleeps that dear body; the immortal and loving mother and companion is with God in Heaven. As Stephen looked up steadfastly into Heaven and saw the glory of God, he exclaimed: "Behold, I see the Heavens opened, and the son of man standing on the right hand of God." So it was with Sister Key. By faith she looked into the opened Heavens and not only saw Jesus at the right hand of God, but realized the fulfillment of the promise of the blessed Savior, when he said: " I will come again and receive you unto myself, for where I am there ye may be also."

Dear brother, death has robbed you of your companion, but only for a time. She awaits you on the evergreen shore. After a while God will say: "Thy work is done!" and then you will be permitted to join her. No more to suffer; no more to be separated.

Dear children, mamma is calling you Heavenward. Retain her life in your hearts; live as she did then when death shall release you from the cares of life, you will be permitted to meet her "over there,"

Descendants of Ralph KEY

Afflicted and grief-stricken father and mother, I know how you feel in all this. But there will come "by and by" a release from all this and you will enter upon "the rest that remain for the people of God."

Brothers, live so as to meet those dear sisters gone before.

W. D. Hawkins

IN MEMORY

In memory of John Thomas Key (1853-1930) and dedicated to my father Everett Oscar Key (1876-1962), this record has been prepared of all the decedents of John Thomas Key, known to many of his friends as Dock key.

I wish to give due credit to all who contributed, in so faithful a manner, to the necessary information in compiling this record. Rosa may Waller was very helpful in collecting the names and dates of the families, Also the records prior to 1853, the birth date of John Thomas Key, was taken from records that had been handed down to Andrew Finley Key by his father Samuel Andress Key who had received them from his father Jeramiah Andrew Key as these were the oldest sons in their respective families.

John Thomas Key was a successful farmer in Crawford County Missouri near Steelville for many years, however, on January 24, 1901 along with his older brother Samuel Andress Key, their families, and several other families, moved to Chandler Oklahoma and settled on farms in the new country which had just been opened for settlement only a few years. The families were moved by coach while their stock, farm implements and household goods came by box car. Other families made the move by covered wagon.

On the day that these families got off of the St. Louis & San Francieto train at the Chandler depot, the conductor and others marveled that so many passengers were coming to Chandler that day. The conductor even joked about it and checked to make sure if there were any more to get off the train.

(picture not reproduced here)

The kodak picture that we are attempting to print; above is John Thomas Key (Dock) on the right and Samuel Andress Key, (Sam) on the left.

I trust that this record will give such joy to this generation and to the generations to come later, and that someone will bring the record up to date periodically as time goes on.

1901, Aug 15, Crawford Co. Democrat, James M. Key's bank in Andrews, Indiana fails.

1901, Aug 16, CUBA TELEPHONE, p3 - Is "Banker" James Key a Forger?

James Key, a former resident of Steelville, was arrested in Andrews, Indiana last Monday charged with forgery. In May 1900, he opened the Commercial Bank, a private institution, at Andrews and seemed to do a thriving business for a small town. The Andrews Signal says that \$25,000 is a low estimate of the loss of depositors and correspondents. The Capitol National Bank of Indianapolis caused the arrest of Key, charging that he had put up forged notes as collateral. He was bond over to the circuit court and lodged in jail in default of \$10,000 bond.

1901, Sep 13, CUBA TELEPHONE, p3 - Jim Key Goes to the Pen.

Andrews Signal: J. M. Key, the bank wrecker and forger, plead guilty, in the circuit court at Huntington last Tuesday to the charge of forgery and was sentenced by Judge Branyan to two to fourteen years in the penitentiary at Michigan City. The sentence is all that could be given him and is satisfactory to the people of Andrews. It was thought by some that Key might be paroled at the end of the two years and that he would be practically free, but it is now understood that he cannot be paroled as long as other charges hang over him and if such is the case there will be no cause for complaint, as he can be kept in the pen the balance of his life, which would not be longer than he deserves.

He will be held at Huntington a few days on account of several civil cases that have come up in connection with the bank failure.

Biographical Sketch of James M. Key, Crawford County, Missouri

From "History of Franklin, Jefferson, Washington, Crawford and Gasconade Counties", Biographical Appendix, Goodspeed Publishing Company, 1888.

James M. Key, a merchant of Steelville, was born in Crawford County, November 25, 1856, and is a son of William T. and Catherine J. (Wheeling) Key, natives, respectively, of Crawford and Washington Counties, MO. The paternal grandfather came from Kentucky, while the maternal grandfather was born in Dublin, Ireland, and came to America when quite young. William T. Key was a blacksmith and a wagon-maker by trade, and also engaged in merchandising. He died in 1884, at the age of fifty-four years, being a member of the Cumberland Presbyterian Church, of which church Mrs. Key is a member.

Of their five children three are living, one son being a jeweler at Willow Springs, MO. James M. Key was reared on a farm, received a limited education, and when twenty-two years of age was engaged as a clerk in Steelville, where he was employed three years, and then was called to clerk for the Midland Blast Furnace Company. He was soon after made assistant bookkeeper, and later, for two years, had entire charge of the books. Failing sight compelled him to seek an other occupation, and for two years he was a traveling salesman from St. Louis. In 1885 he opened a store in Steelville, and has since done his share of the trade. In 1884 he married Mrs. Mary E. Jamison a native of Crawford County, who is a member of the Cumberland Presbyterian Church. In politics, Mr. Key is a Republican.

He was married to Mary E. PUMPHEY (daughter of J. R. PUMPHEY) on March 4, 1885 in Crawford Co., MO. **Mary E. PUMPHEY**⁴⁴ was born in December 1855 in MO.

1947, Mar 20, CRAWFORD MIRROR - DEATH OF HARVEY EUGENE ROBERTS

Harvey Eugene Roberts was born near Wesco, Mo., on March 27th 1879, and departed this life at his home near Steelville, Mo. on March 14, 1947, age 67 years, 11 months and 16 days.

In 1904 he was united in marriage to Ida Frances Alcorn. To this union two sons and one daughter were born. Namely: Pearl, Bradford and Willard. The daughter preceded him in death several years ago, also his wife in 1933. The daughter left two children who were reared by the grandparents.

Mr. Roberts was a hard working man until his health became so he was unable to do manual labor. He was a kind neighbor ready to help anyone who needed assistance. He was saved years ago in a Harbor meeting being held at Dillord, and since his health failed, he was a great reader of the Bible and left the assurance that he went to rest, as he said a few days before his

death that he was ready to go.

He leaves to mourn his departure his wife, two sons and an adopted granddaughter, Thelma Roberts Huggens, who reside at Seattle Washington; five other grandchildren and one great-grandson, also, four brothers, Oscar and Austin of Wesco, Mo., and Finis of Cuba, Lute of Sullivan; also one half-brother, Frank King of Kirkwood, Mo., and a host of nieces and nephews.

"Gene," as he was familiarly known, will be greatly missed by all who knew him, especially by his two sons who were near him at all times; also his little grandchildren who were around him, but God knew best and took him home to rest. May we all be ready to meet him where parting will be no more.

Funeral services were conducted at Dillard Sunday, March 16, by the Rev. Geo. W. Campbell, assisted by Rev. Geo. W. ____ . Internment was made in the Dillard Cemetery under direction of Thomas S. Halbert, funeral director.

She spent her lifetime in the Steelville community except for some 15 years when she and her family resided in Detroit, Michigan.

WILBUR F. FISHER.

The men most influential in promoting the advancement of society and in giving character to the times in which they live are two classes, to-wit, the men of study and the men of action. Whether we are more indebted for the improvement of the age to the one class or to the other is, a question of honest difference in opinion; neither class can be spared and both should be encouraged to occupy their several spheres of labor and influence, zealously and without mutual distrust. In the following paragraphs are briefly outlined the leading facts and characteristics in the career of a gentleman who combines in his makeup the elements of the scholar and the energy of the public-spirited man of affairs. Devoted to the noble and humane work of teaching, he has made his influence felt in the school life of Gibson county and is not unknown to the wider educational circles of the state, occupying, as he does, a prominent place in his profession and standing high in the esteem of educators in other than his own particular field of endeavor.

Wilbur F. Fisher, superintendent of the schools of Gibson county, was born on July 21, 1876, at Patoka, this county, and is the son of John B. and Sarah Jennie (Marsh) Fisher, the father a native of Patoka and the mother of Mt. Carmel, Illinois. Both are now deceased. John B. Fisher was a farmer by vocation, and was a veteran of the Civil war, having served for thirty-nine months in the Seventeenth Regiment Indiana Volunteer Infantry. He took part in the great battle of Chickamauga, and many others of almost equal prominence, and was with Sherman on his celebrated march to the sea and at the fall of Atlanta. He was a man of prominence in his community and served efficiently as a justice of the peace. His death occurred on November 1, 1910, having survived his wife a number of years, her death having occurred on March 26, 1883. They were the parents of the following children, Carrie, Herbert, Harry, deceased, Ralph, Roy, deceased, Wilbur, Henry and Chester, deceased.

Wilbur F. Fisher received his education in the common and the high schools of Patoka, and then was a student in Indiana University. He had taught some before entering the university, and after attending that institution he took up pedagogical work, in which he has during the subsequent years achieved a pronounced success, being numbered among the leading educators of southwestern Indiana. His work embraces six years in the common schools in White River township, this county, and ten years in high school work, four years as superintendent at Hazleton, Indiana, and six years as superintendent at Patoka. While incumbent of the latter position, Mr. Fisher was elected county superintendent of schools on June 5, 1911, and is the present incumbent of this position. As a teacher, Professor Fisher met with merited success and in his capacity as principal of schools he has met with a series of successes and advancements. He pursues his present calling with all the interest of an enthusiast, is thoroughly in harmony with the spirit of the work, and has the proper conception of the dignity of the profession to which his life and energies are so earnestly devoted. As superintendent of schools, his work has been characterized by greater efficiency and closer grading in the schools. He has done much to raise the general standing of education and scholarship in Gibson county, and his work stamps him as a man of unusual ability. A polished gentleman and possessing the traits of character necessary to insure success, the services thus far rendered bespeak for him a wider and more distinguished career of usefulness in years to come. Unlike so many of his calling who become narrow and pedantic, the Professor is distinctly a man of the times, broad and liberal in his views, and has the courage of his convictions on the leading public questions and issues upon which men and parties divide. He also keeps in touch with the trend of modern thought along its various lines and, being a man of scholarly and refined tastes, is acquainted with the literature of the world in general, while his familiarity with the more practical affairs of the day makes him feel at ease with all classes and conditions of people whom he may meet. Deeply interested in the work to which his life is devoted, Professor Fisher has not been unmindful of his duties as a citizen, and to this end takes an active part in public matters and lends his influence and support to all matters having for their object the advancement of the city and the intellectual and moral good of the people.

Wilbur F. Fisher was married October 25, 1907, to Bessie Spain, who was born near Hazleton, Indiana, the daughter of Byron S. Spain, a prominent citizen of that community, and to this union has been born one child, Jennie Louise. Religiously,

Descendants of Ralph KEY

Professor Fisher is a member of the Presbyterian church, while, fraternally, he is a member of the Free and Accepted Masons. He is a Democrat of the Bryan type and takes a deep interest in the success of his party. Personally, Professor Fisher is a popular man, possessing to a marked degree the characteristics which win and retain warm friendships. He is a member of one of the old pioneer families of Gibson county, his paternal grandfather, Jonathan Fisher, being one of the first settlers of Patoka, and here the family early became prominent and influential in local affairs. Jonathan Fisher engaged extensively in the pork packing business and ran a flat boat down the Mississippi river to New Orleans, Professor Fisher's father assisting him in this work. He married Polly Milburn and reared a family of eight children. From such sterling stock, the subject of this sketch inherited qualities which have enabled him to gain success, namely, perseverance, industry, and the strictest ideals of integrity and honesty. By his kindness and courtesy he has won an abiding place in the esteem of his fellow citizens and by his intelligence, energy and abiding spirit has made his influence felt among his associates during his residence in this county, and as a result occupies no small place in the esteem of the public.

MAURICE WHEELER -- DEATH OF A LITTLE CHILD

Infant son of Mr. and Mrs. Lon Wheeler called away.

The angel of death laid hands on Maurice Wheeler, little son of Mr. and Mrs. Lawrence Wheeler, of this city Saturday evening and a happy home was left in sadness. The little son was just ten months old. Death occurred at Hazleton where the father is engaged in business, and resulted from congestion of the lungs after a sickness of several weeks during which time every effort known to human skill was made to restore the little one to health. The remains were brought to this city this morning and the funeral held at 3 o'clock today at the Wheeler home in West Broadway. The little casket was draped with beautiful floral offerings presented by friends. Rev. Dr. T. G. Cocks of the First Methodist church, conducted services. During his remarks he paid a most touching tribute to the little one departed saying, "Ten months ago today our Father favored this home with his divinest blessing. His gift of baby Maurice on the 21st of June last welcomed with joy and thanksgiving by his parents. And the little one immediately found the tenderest place in the hearts of all who became acquainted with his infantile loveliness. Every claim which could endear a child to those around it belonged peculiarly to this one. Sunny tempered, happy hearted, patient in spirit and of a most loving disposition, he was the perfect embodiment of the Redeemer's thought of such is the kingdom of heaven."

After the services the little body was tenderly laid to rest in the Odd Fellows cemetery. In this sad hour the bereaved parents have the sincere sympathy and condolence of their large circle of friends."

WILBUR F. FISHER.

The men most influential in promoting the advancement of society and in giving, character to the times in which they live are two classes, to-wit, the men of study and the men of action. Whether we are more indebted for the improvement of the age to the one class or to the other is, a question of honest difference in opinion; neither class can be spared and both should be encouraged to occupy their several spheres of labor and influence, zealously and without mutual distrust. In the following paragraphs are briefly outlined the leading facts and characteristics in the career of a gentleman who combines in his makeup the elements of the scholar and the energy of the public-spirited man of affairs. Devoted to the noble and humane work of teaching, he has made his influence felt in the school life of Gibson county and is not unknown to the wider educational circles of the state, occupying, as he does, a prominent place in his profession and standing high in the esteem of educators in other than his own particular field of endeavor.

Wilbur F. Fisher, superintendent of the schools of Gibson county, was born on July 21, 1876, at Patoka, this county, and is the son of John B. and Sarah Jennie (Marsh) Fisher, the father a native of Patoka and the mother of Mt. Carmel, Illinois. Both are now deceased. John B. Fisher was a farmer by vocation, and was a veteran of the Civil war, having served for thirty-nine months in the Seventeenth Regiment Indiana Volunteer Infantry. He took part in the great battle of Chickamauga, and many others of almost equal prominence, and was with Sherman on his celebrated march to the sea and at the fall of Atlanta. He was a man of prominence in his community and served efficiently as a justice of the peace. His death occurred on November 1, 1910, having survived his wife a number of years, her death having occurred on March 26, 1883. They were the parents of the following children, Carrie, Herbert, Harry, deceased, Ralph, Roy, deceased, Wilbur, Henry and Chester, deceased.

Wilbur F. Fisher received his education in the common and the high schools of Patoka, and then was a student in Indiana University. He had taught some before entering the university, and after attending that institution he took up pedagogical work, in which he has during the subsequent years achieved a pronounced success, being numbered among the leading educators of southwestern Indiana. His work embraces six years in the common schools in White River township, this county, and ten years in high school work, four years as superintendent at Hazleton, Indiana, and six years as superintendent at Patoka. While incumbent of the latter position, Mr. Fisher was elected county superintendent of schools on June 5, 1911, and is the present incumbent of this position. As a teacher, Professor Fisher met with merited success and in his capacity as principal of schools he has met with a series of successes and advancements. He pursues his present calling with all the interest of an enthusiast, is thoroughly in harmony with the spirit of the work, and has the proper conception of the dignity of the profession to which his life and energies are so earnestly devoted. As superintendent of schools, his work has been characterized by greater efficiency and closer grading in the schools. He has done much to raise the general standing of education and scholarship in Gibson county, and his work stamps him as a man of unusual ability. A polished gentleman and possessing the traits of character necessary to insure success, the services thus far rendered bespeak for him a wider and more distinguished career of usefulness in years to come. Unlike so many of his calling who become narrow and pedantic, the Professor is distinctly a man of the times, broad and liberal in his views, and has the courage of his convictions on the leading public questions and issues upon which men and parties divide. He also keeps in touch with the trend of modern thought along its various lines and, being a man of scholarly and refined tastes, is acquainted with the literature of the world in general, while his familiarity with the more practical affairs of the day makes him feel at ease with all classes and conditions of people whom he may meet. Deeply interested in the work to which his life is devoted, Professor Fisher has not been unmindful of his duties as a citizen, and to this end takes an active part in public matters and lends his influence and support to all matters having for their object the advancement of the city and the intellectual and moral good of the people.

Wilbur F. Fisher was married October 25, 1907, to Bessie Spain, who was born near Hazleton, Indiana, the daughter of Byron S. Spain, a prominent citizen of that community, and to this union has been born one child, Jennie Louise. Religiously, Professor Fisher is a member of the Presbyterian church, while, fraternally, he is a member of the Free and Accepted Masons. He is a Democrat of the Bryan type and takes a deep interest in the success of his party. Personally, Professor Fisher is a popular man, possessing to a marked degree the characteristics which win and retain warm friendships. He is a member of one of the old pioneer families of Gibson county, his paternal grandfather, Jonathan Fisher, being one of the first settlers of Patoka, and here the family early became prominent and influential in local affairs. Jonathan Fisher engaged extensively in the pork packing business and ran a flat boat down the Mississippi river to New Orleans, Professor Fisher's father assisting him in this work. He married Polly Milburn and reared a family of eight children. From such sterling stock, the subject of this sketch inherited qualities which have enabled him to gain success, namely, perseverance, industry, and the strictest ideals of integrity and honesty. By his kindness and courtesy he has won an abiding place in the esteem of his fellow citizens and by his intelligence, energy and abiding spirit has made his influence felt among his associates during his residence in this county, and

as a result occupies no small place in the esteem of the public.

A couple of weeks ago her only sister Edna went to pay her a visit, and was with her to the last. Her remains were brought home and on Saturday buried beside her mother at the Steelville cemetery. The little daughter is a healthy and promising babe and will be cared for by Mr. Key and family. A great host of friends join the MIRROR in sympathy and condolence for the young husband in his great breavment.

- +3075 i. **William Marvin KISSINGER** (born on May 23, 1893).
- +3076 ii. **Adah Ellen KISSINGER** (born in 1890).

She was married to Henry Franklin HODGE (son of Lewis HODGE and Willie CAVENDOR?) on August 5, 1896 in Henrietta, Clay Co., TX. **Henry Franklin HODGE**⁴⁵ was born on April 17, 1850 in TN. He died on January 8, 1913 in Bellview, Clay Co., TX.

Written by Mozelle HODGE HINCH at 1993 Hodge Family Reunion in Lubbock, Texas:

"Ernest Linwood Hodge, first child of Henry Hodge and wife Annie (Aidor) Reeves (?). The Hodge family, from Scotland, had settled in Tennessee. Henry Hodge, his wife who was pregnant, her mother and maybe others, decided to move to Texas. They were caught in a big blizzard in Izzard Co., ARK so had to stay for the winter, at least, and their first baby, Ernest Linwood, was born there. When they came on to Texas they settled in Bellevue Perhaps others of the family had come to Texas earlier and were living in Clay Co, causing them to come to Bellevue. Henry was a pharmacist and had a drug store in Bellevue. Henry and his first wife had five children: Ernest, Perse (boy), Ruth, Murl, Bill (girl). Henry's first wife died of tuberculosis. When all the children were young, Henry remarried a woman with five children: Dovie, Homer, Bernard (adopted by Wetsel), Elizabeth (adopted), Lucille.

"Items about my father (Ernest), that he told me: He learned to ride a horse before he could walk; he couldn't digest food when he was very young, and a friend in Bellevue started caring for him, feeding him yams, and he said that saved his life. He married Nina Hallum and they had three children, all girls: Dorothy, Mozelle, Patricia. I'm the middle one. My father, Ernest Hodge, was always a cowboy Before he was in ranching he bought and sold cattle, making enough money to buy himself a ranch near Shannon (where we lived) and Antelope, in the southern part of Clay County. He and other cowboys drove the cattle to market over one of the old cattle trails. In later years he sold the ranch and bought a cotton gin in Shannon (maybe too much exercise on the ranch?). Then sold that gin and bought one in Bluegrove, where there was a better school for us. Then we moved to Henrietta."

Elmira Kelley, daughter of James "Jim" Madison Kelley & Missouri Texanna (Wear) of McKinney, Collin Co., TX. They settled in Jackson Co. OK. Both John and Lizzie are buried in Springlake Cemetery, Lamb Co. TX, 1 mi. east, 1 mi. north from the Springlake-Earth School which is 1 mi. east and 1 mi. north of Earth, TX.

The first daughter died, at the age of one year, six months, when they lived at Quanah, TX or Eldorado, OK.???? Morene, Cecelia, Jim, Opal and Floyd were all born on the farm near Eldorado, OK. In 1914, the family moved to the Meridian Community, Roger Mills Co., OK. In 1916, Maydelle was born. The children attended Meridian School and the Community Church.

As early settlers, they farmed on Oklahoma School land, purchased from a Mr. Wicker who had purchased the land from the Oklahoma School Land Commission. The Webbs bought his equity of 172 acres.

This was a close-knit, happy, hard-working family. They participated in church and school functions. Mrs. Webb's cooking was highly praised by visiting Baptist and Methodist ministers. She died in 1939, Lubbock, TX, at the home of daughter Morene Webb Ginn. Mr. Webb preceded her in death in 1959, Earth, Lamb Co., TX, at the home of daughter Cecelia T. Webb Roberts.

Morene married Clarence Ginn in 1921 and settled in Floydada, TX. They also lived in Muleshoe, TX, then back to a farm near Lockney, TX. Two girls, Lovelle and Faynelle were born to this union. Clarence died in 1961 at Lubbock, TX. Morene lived in Valencia, CA, then Plano, TX, with daughter. She died in 1985 in Plano.

In 1922, Celia married Corbett L. Roberts. They farmed about five years in Sweetwater, OK, then moved to Earth, TX where they farmed. Corbett barbered in town when he wasn't working on the farm. Later, Celia worked in the post office in Earth. Celia died in 1978 and Corbett in 1980, both in Lubbock, TX, where only daughter lived.

Jim married Hazel Creswell Nov., 1929. They lived at Sweetwater, OK two years, then near Hammon and Cheyenne, OK, before moving to Stratford, TX in 1950, then retired in Canyon, TX.

Opal married Floyd Burnett Sawyer in 1928. Their sons, Dale and Leonard, were born in Leedey, OK. They also lived in Elk City and Sayre, OK, then Abilene, TX where Opal died in 1964.

Floyd Webb married Gwendolyn Rainey in 1934. They lived two years on the home place in Meridian, OK and later moved to Clinton, OK. They had one son, Floyd II. After Gwendolyn's death, Floyd married Mrs. Helen Muray of Okla. City. They resided part time in Okla. City and Duncan, OK.

Maydelle married Armon Jones in 1937. They lived in Elk City, OK, then Ft. Worth, TX. They had two sons.

None of the family lives in Meridian now, but they always felt a part of the community where they made many lovely, lasting friends. BUTT-DRYSDALE

Georgia May Butt first opened her eyes to the light of day on 5-1-1884, in Crawford Co. Her parents William Marshall Butt and Micky L. Stafford were descendants of the early settlers of the County Butt, Edwards, Key, and Stafford families. When Georgia was young her family lived near Grandin, Mo., where her father was a sawyer for the Missouri Mining and Lumber Co. On 5-21-1903, in Bradley Co., Ar., Georgia married sawyer Samuel Harrison Drysdale, b. 1-24-1882, a native of Ripley Co., where they made their home. Early in 1925, Samuel took a job for the Western Cartridge Co., maker of Winchester Ammunition in Alton, Madison Co., Il., where the family spent the next eight years. Samuel became disabled from a collapsed lung and severe arthritis and was unable to work. He hired a moving truck, put his possessions and children in the back and moved all to a partially finished frame house out in the woods Northwest of Fairdealing, Mo. Sam finished the house and built a fruit house and a log chicken house where he raised Rhode Island Reds, Georgia making clothes for the children from printed chicken feed stacks. They always had a big garden, and took eggs to town to barter for other foodstuffs at the local grocery. Georgia was a good cook, never using a cookbook. In the evenings she would sometimes read from the Bible to her husband, who had never learned to read. Sam liked to tell stories to his children and grandchildren and would keep them up after dark telling tales of wolves and panthers.

Ten children, Cecil William on 12-21-1905, Geneva May on 10-17-1909, Fred Lee on 4-15-1911, Micky Louise on 12-1-1913, Marie on 3-14-1915, Elsie "Tootsie" Elizabeth on 7-12-1913, Bessie Ruth on 5-29-1922, Margaret Josephine on 12-16-1924, and Samuel Harrison on 3-17-1926, and one stillborn child.

Cecil's and his wife Marion had no children. Geneva became Mrs. Kenneth Clark, and moved to Long Island, N. Y., She had two children: Sydney Ann and Drysdale "Dale". Both Fred and his wife Frances Young, who died on 5-20-1985, had over forty years of service at the Western Cartridge Co. They had no children. Louise married Raymond Anthony and is now deceased. Elsie married Byron Lotschaw and lives in Tacoma, Wa. Ruth married Tom Ackerman and lives in Lake

Mary Gladys Harrington, daughter of the late William and Elnora Quinley Key, was born at Keysville, Missouri on February 4, 1904 and passed away for the promises of eternity at the Phelps County Hospital, Rolla, Missouri on Thursday, March 9, 1972 at the age of 68 years, 1 month and 5 days.

Following the death of Mr. Harrington, she continued her work as a licensed practical nurse until retirement. After retirement she moved to Cuba, Missouri to be near her sisters, and many happy memories were shared until death caused an earthly parting.

Those who remain to mourn her passing are; her son, William Thomas Osendine of Rockford, Illinois along with her daughter-in-law, three grandchildren and three great grandchildren. Surviving also are her living sisters; Mrs. Elisabeth McMillen of St. James, Missouri and Mrs. Minnie Clay of Cuba, Missouri. The following is a collection of information provided by Barbara Jean Ennes Schwarzkopf

ENNES, Sallie - Age 34, Female, Wife, Keeping House - Place of Birth, Kentucky - Father's Place of Birth: Illinois

Sometime between 1870 and 1880, Joseph's first wife may have passed away. He still has all of the children - plus three of Sallie's children, as noted below. His two oldest daughters are no longer listed. Nancy may possibly be buried in the same cemetery as her grandmother, Nancy Key Ennes. The Mt. Olive Cemetery lists a Nancy O. Ennes, age 24 yrs., died 28-Nov-1879. (usroots.com/~jmurphy/gibson/gibcem/was_mount_olive.htm)

ENNES, Walter Rufus - Age 3/12 (three months), Son

Walter was my grandfather. He was born March 21st, 1880 and was premature. He was told that he was so little he could "fit in a teacup" and the whole family took turns feeding him with an eyedropper until he was able to nurse. They kept him beside the parlor stove, and someone was with him at all times. There was one more child, my grandfather's younger sister, Leila. She was born in 1881 or 1882.

Grandpa said that his father, Joseph, was 6' 6" and had bright red hair. When grandpa walked down the street with him, everyone would stop and say, "How's the weather up there, Joe?"

Sometime in the 1880's, most of the family moved to Oakland City in Gibson County. I believe Jimmy (James) married and stayed on the farm or bought another farm in Pike County. A search of the cemetery records for Pike Township, Clay County, Union IOOF Cemetery, shows that James E. Ennes, born 6-16-1861, passed away on 9-21-1913. His wife, Julia A., born 5-17-1856, is buried next to him. She passed away 5-11-1948.

Also in the same cemetery are the following:

ENNES, Kenneth, 1-9-1909 - 1-26-1909 - son of Chester & Ella Ennes
ENNES, "Johnny", 11-29-1884 (possibly another child who died at birth?)
ENNES, Everett, 4-21-1914 - 19 yr - son of Scott "Ernes"

My grandfather, Walter, passed away in 1956. However, I believe he told me his father, Joseph, passed away when he was 12 years old, which would be in 1892. His family then moved to Indianapolis, where he lived near Lockerbie Street where the "Hoosier Poet" James Whitcomb Riley lived. Riley is famous for his poems about children - "Lil' Orphan Annie" - "The Ol' Swimmin' Hole" etc. Grandpa told me Riley didn't like children - he would always yell at the kids when they went past the house playing or rolling hoops, so they used to tease him by running sticks across the iron fence along the property. A few years ago, my husband and I were on a walking tour of Woodruff Place, an old neighborhood near Lockerbie Street. We met a lady who had worked for the physician who took care of James Whitcomb Riley in his old age. She told us he had stated on several occasions that Riley "hated children" but she didn't believe him. The ironic twist to the story is that Riley Hospital for Children in Indianapolis, a widely respected, world-renowned institution, is named for him. Of course, he was a bachelor; so

maybe children "got on his nerves" when he was an old man.

Walter met his wife, Elva HEINEY, when her family moved in next door to them. At the time, he was going to dental school. He fell madly in love, but Elva didn't want to wait to get married, so he had to quit dental school and get a "real job." They were married on May 7th, 1904.

They lived in a number of places in Indianapolis, always buying a house, fixing it up and selling it - then buying another "fixer upper." In those days, the profit you made was all yours. Grandpa could do anything - carpentry, cabinetmaking, electrical wiring, lath & plaster, brick laying, etc., etc.

A daughter, Hazel, was born in 1905, Helen in 1908, and Harold Eugene, my father, on September 2, 1911. At the time my father was born, my grandparents were working as tenant farmers on a 5,000 acre ranch owned by a "lady" named Jennie Conrad in Jasper County, Indiana. Ms. Conrad had inherited the ranch from her father.

Jennie Conrad was apparently a real "character." She always carried a buggy whip, and was not hesitant to use it if she felt someone wasn't doing their job.

The family also lived in Kankakee and in Momence, Illinois during this same period of time. They returned to Indianapolis sometime before 1920. Grandpa worked in the Cord Automobile Plant, operated several different "mom & pop" general stores, worked for Link Belt Co. (which is still in existence), and any number of different jobs. But grandpa always preferred farming to anything else. In the 30's, grandma & grandpa and my father were living on a farm about 20 miles north of Indianapolis. Grandpa was working part time for Link Belt and my father, Harold, was working as a box boy at L. S. Ayers Department Store in the afternoon. They only had one old car between them, so they would drive in in the morning, grandpa would go to work at Link Belt, and dad would spend his morning in the public library until it was time for him to start work at Ayres. When grandpa got off work, he would walk/hitchhike home and have the cows milked before dad got home.

Walter and Elva are buried in Acton Cemetery, Acton, IN (now part of Indianapolis). Walter died in 1956 and Elva in 1964.

My father, Harold, married Carolyn COOMBS in 1941. I was born the following year, May 14, 1942 (Barbara Ennes). I don't know all the details, but my father and mother divorced in 1944. The charge was neglect and desertion. My father got custody of me, and I never saw my mother again.

Harold remarried in 1950, Mary Lou FERRIS. There were no children from that union. Harold was a radio and television electronics engineer. He worked for WIRE Radio in Indianapolis and for Dage Electronics in Beech Grove, Indiana. In December, 1954, we moved to Michigan City, Indiana, because Dage moved their offices there. In May, 1958, we moved to Pittsburgh, PA. Father became Assistant Chief Engineer at WTAE Television (Channel 4). Harold and Mary Lou moved back to Indianapolis in 1973 when he retired.

Harold also wrote a number of textbooks on radio and television electronics which were read world-wide. He received thank-you letters from many countries, including Japan, Switzerland and Germany.

When my father passed away in 1980, the Society of Broadcast Engineers formed the Ennes Educational Foundation Trust. They "wanted to recognize Harold Ennes with a memorial that reflected his devotion to educational training in the field of broadcast engineering. The Harold Ennes Scholarship Trust awards scholarships to individuals interested in careers in broadcast engineering. In recent years, the Trust has expanded its purpose to include the presentation of educational programs and underwriting publication costs of technical books having to do with broadcasting." (<http://www.sbe.org/ennes.html>)

Harold died in February, 1980, and Mary Lou in September, 1994. They are also buried in Action Cemetery.

On September 2, 1967, Barbara Jean ENNES married Kenneth Curtis SCHWARZKOPF in Pittsburgh, Pa.

Kenneth Curtis Schwarzkopf, II was born September 13, 1969; and Karen Virginia Schwarzkopf was born July 19, 1973.

In September, 1974, we moved to Indianapolis, IN.

Kenneth II was married in March, 1992 to Annaliese VALENTINE.
Aaron Thomas Schwarzkopf (male) was born December 18, 1992.
Kenneth II and Annaliese were divorced in 1995.

Kenneth II married Lisa HUGHES in April, 1997. Lisa had two children by a former marriage - Alex (currently Age 8) and Nichole (currently Age 5)
 Sidney Ann Schwarzkopf (female) was born May 4, 1998.

Karen Schwarzkopf is still single - trying to avoid her brother's fate. (Also, she's very picky.)

I hope this very short narrative helps to fill in the gaps of a very small segment of the family. Please let me know if I appear to have left anything out.

Again, thanks so much for your information. It has really helped me in tracing my father's family.

A Letter Written by Marion to Papa

The other night Reed and I decided to really stay up late and watch the late, late show on T. V. Only recently having had it fixed, after about three months inaction, it had again become a novelty. Jim happened to be off spending the night with a little friend and mother had gone to bed early - worn out from a day devoted to feeding and keeping the three of us happy. So you see, Reed and I were, for all practical purposes, close together in our companionship.

The same day, I had received a letter from Papa asking for a contribution to his book, "A Retired Minister's Scrapbook." Perhaps it was fate that brought as the show of the night, "The Country Pastor." A story depicting the life of a small town preacher and his family - their life and struggles together to maintain the home life of the manse, and at the same time to fulfill so well the special calling that belongs to that particular profession. It is not an easy life, and as I look back over the years in our home life I more than ever am filled with a deep respect for parents who have reared five children, given to all a college education, and in many instances furnished financial aid when most needed.

Papa wrote in his request that I might tell something of Oklahoma - he even gave me the title. He suggested that I might elaborate on my own work, terming it as he did, "My Success in the Insurance Field." Success is such a vague term and I fear that its meaning has become synonymous with financial gain. And if such be the case, mine isn't of the success category. Rather, would I go back to reminiscing some of my associations with Papa. I can't say that we were ever very close. Like so many ministers, I believe Papa devoted more of his time and energies to the needs and cares of his parishioners than to his own family. But in so doing there was a strength and love that each of us children gained by realizing the importance of being a preacher, of bringing peace of mind and soul to others even at the personal sacrifice of family life. Not that we were forgotten, because that was far from true. I have some very fond memories of association with Papa.

I remember as a boy of 13 - 14 of spending the summer with Papa as he held "protracted" meetings in the rural churches of Congasee Presbytery, South Carolina. It was most embarrassing to be the personal reference in a sermon - but that was soon overcome by the fun of the days. I guess preacher's families must have always been hungry, for eating out seems to hold such a prominent place in my recollection. Or was it that those with whom we ate were just so generous in their helpings?

A few years ago - it was our first spring in Oklahoma - I took a week off from work and went to Memphis for a trip with Papa. He wanted to go down into his old home country of Central Mississippi. It was a most refreshing trip. I remember the morning after the first night when we stopped at Woods Junior College. Papa wanted a shave and shoeshine before we really got back into the clay hills of Choctaw County. We had gone into a barbershop in Emporia when an old-timer came up and said, "Ain't you Walter Cobb?" Well, that was the best start Papa could have had. There were many others, some of whom were even beyond Papa in age and with whom he reminisced of the past when they were boys together - the Byway(?) baseball team and the homemade uniforms of Aunt Eadie, of school days at French Camp, the time the cyclone blew the house down in which they lived, the general fun of growing up together in a really rural community. We traveled what seemed to me to be all over Choctaw County. We visited the burial places of relatives gone by in cemeteries long grown over. The old house built before the Civil War where we spent one night with two maid aunts who must have lived in the one place at least 75 years. I guess in that short week with Papa, I learned more of his earlier life than I had ever known before. I think I can better appreciate now the good heritage that is mine by having a share in his past.

So you can see that any success of my own is to be found in the good Christian and moral background I have, the basis for Christian living. My daily prayer is that I may live that day in such a way that none may be hurt by my actions, that I might be proud of me as a father and husband, that I might instill some knowledge in my two sons, and that we all might grow in Christian love. Some days I fail, but that too only increases my desire for the morrow to be better.

Well, Papa, I hope this is something of what you wanted me to write. I have been too long at it in view of your special request. But now that I have written down these few lines, along with it goes my love and admiration and the best of wishes on your 85th birthday this coming Wednesday.

Mary-Nadine Nichols

Mary Nadine Nichols of St. James passed away Saturday, October 9, 2004 at the Phelps County Regional Hospital. She was 73 years of age.

Mary Nadine Nichols was born in Keysville, Missouri, on June 21, 1931 the daughter of the late John Thompson and Sarah Elizabeth (Key) McMillen.

Mary Nadine Nichols is survived by son: Bobbie Nichols and wife Leatta of Rolla, Missouri; daughters: Mary Rinehart and husband Robert, Donna Bock and husband Larry, Debbie Bartle and husband Marvin and Edna Dillon and husband Terry, all of St. James, Missouri.

Descendants of Ralph KEY

22 Mar 2005

Brother: Claude McMullen of St. James and sister Edna Clonts of St. James, Missouri, and sister-in-law Virginia McMullen of St. James, Jean McMillen of Fenton, Missouri. Along with eight grandchildren, many nieces, nephews and a host of other relatives and friends.

Mary was preceded in death by her parents, her husband: Rainey Nichols on June 20, 1978, one granddaughter: Tracie Lea Nichols; three infant brothers, seven brothers: Sidney, Ross, William Thompson and wife Jacques, James Lee, Justein Eugene, Lawrence Floyd and Clarence Dale McMullen; and one sister; Minnie Gray and husband Glen Gray.

Sister-in-law Barbara McMillen and brother-in-law, Thurston E. Clonts.

Mary Nadine was known to her family and close friends more by her middle name, Nadine and by Aunt Nake by many of her nieces and nephews. She was faithful, hardworking, military wife for the 21 years that her husband, Rainey was in the Navy. He was at sea on a submarine, for many months without any contact with them at all. During hurricanes, the sub would have to leave port and Nadine would prepare the family for the coming storm.

Upon Rainey's retirement from the Navy, they moved their family to St. James. They made many friends in the community and, unlike military life, many of these friends are still here today. Nadine enjoyed working on their farm north of St. James. In 1977 they built a home there.

After her husband Rainey passed away in 1978 (on the same day her mother also passed away), Nadine was left to care for the three children that were still at home. She remained at this home until 2001, when she moved into St. James.

Her family was most important to her and she was active in their lives. She enjoyed canning produce from their gardens and watching the grandkids. She loved to work jigsaw puzzles, cooking, pinochle games and occasional trips to auctions, the family reunions, and the senior bus tours with the Cuba Prestige Club. But most of all she loved and enjoyed her grandchildren.

Mary Nadine Nichols was in state at the Jones Funeral Home in St. James from 6-9 p.m. Monday, October 11, 2004.

Services for Mary Nadine Nichols were conducted at 11 a.m. Tuesday, October 12, 2004 at the Jones Funeral Home in St. James with Ken McDaniel officiating. Pallbearers were Larry Bock, Terry Dillon, Robert Rinehart, Travis Bock, Ryan Nichols, and Johnny Stroud.

BIOGRAPHY: Helen grew up on farms in central Illinois. Her family moved several times during the 1920's and 1930's, from El Paso to Lexington. She graduated from Lexington High School in 1934, after winning the faster typist contest at the County Fair that previous year. She did not like the outdoors or the farm life, and determined to work as a secretary in Bloomington as soon as she could. She had two sisters, older sis Violet (Oct. 3, 1914 - Dec. 11, 1985), younger sister Alice (Feb. 10, 1918) and a brother Raymond (March 14, 1913 who was killed in the Second World War in Germany, Jan. 20, 1945). An infant sister Mary Jane died in 1919.

Helen loved beautiful, bright-colored clothes, jewelry, and shoes. She was always decorating her home, then changing her mind and wanting it to look different. She had thick, dark hair and a thin, small frame. She loved to bake and could do pies, cakes, and exotic desserts from scratch. Her recipe book was much prized and passed on to her daughters Judy, Kathleen, and Peggy. In 1935, she began seeing a young man four years older in Lexington, Virgil Rockwell, whose family owned the first automobile in the town when his father was young. They had a sawmill business and were very impressed with the beautiful and fashionable girl who made everyone laugh with her sassy talk. She liked the idea of moving into town and getting away from the farm, and they were married in 1936 in the nearby city of Bloomington, where they secured their license at the McLean County Courthouse.

No children were born for 7 years. The young couple decided to move to Chicago in 1938 to make a great deal more money, and both worked there and lived until 1945. Virgil ran a service station at a busy business corner in Oak Park, a suburb there, and Helen worked as a secretary at Wiebolt's, a large department store home office. When World War Two began, Helen was expecting her first baby, a daughter Judith Marie born June 10, 1942 in Oak Park Hospital. Virgil made much more money at a war production factory, but he still managed the service station also. Their son Thomas Kendall Rockwell was born on May 23, 1944. They rented a large apartment on Kenilworth Avenue with a doorman, a janitor, and a cleaning service.

When the war ended, they decided to move down to Bloomington, which had about 40,000 people then, and daughter Kathleen was born in July 30, 1946 when they lived at 510 North Lee, Bloomington. Virgil began a trucking business and was gone much of the time.

The couple divorced in 1947 and Helen went to work at State Farm Home Office Insurance Company until she was married in August to Harry Buhl, a carpenter from Downs, Illinois. They had a daughter Peggy on November 24, 1948. They lived on Lee street until they bought a house at 804 W. Oakland Ave. in Bloomington in 1955, where they lived until the mid 1980's. They bought a home out in the country by LeRoy where Harry built on a large family room when he was 70 years old. He proved to be a responsible and good stepfather to Helen's three children, and they felt it was their father dying when he passed away there on August 23, 1995 from lung cancer.

Helen died three months later from a stomach tumor after having a serious stroke in 1975, but regaining her speech and being able to travel in their motor home to Minnesota, Texas, and campgrounds in the midwest. She had five grandchildren:

Judith's children: Jennifer, March 14, 1964 Santa Barbara, CA.

Gary Wayne Jones was killed in an automobile accident about a mile South of Prairie City, Illinois on February 23, 1969 at 4:30 AM on Sunday. Bill Sloan and Carolyn Lesones were passengers but not seriously injured. Funeral services were at Martin and Hollis Funeral Home in Bushnell Illinois. He is buried in Prairie City Cenetry in Prairie City, Illinois.

When Gary was four years old, I (Hildred) took him to school for the Valentines party.

When he was four we dressed him up like a little girl and knocked on the front door. Mom could not figure out who the little girl was.

He was always shivering at the lake, even when it was warm. He liked to jump off the first raft and splash us.

I took him for rides in the car in 1956 and 57. One day I drove him to the Prairie City cemetery and scared him.

He spent a summer at our house in the country at Roseville, IL. in 1963 and fed Cheryl dill pickles. She would pucker up but loved to eat them.

Gary was ashamed of Juanita and I in 1964 when we went to the carnival. My hair was in a bunny hug and Juanita was pregnant with Jenny and had her hair in rollers. He did not want anyone to know he knew us. We laughed about it later. We did look terrible.

While in Vietnam, the base at DaNang was bombed. The Macomb radio station interviewed him in DaNang. They called the family and told us he would be on the air. He had left a boy, but sounded like a man on the air. He grew up while he was gone. When he returned from DaNang, said he wanted to start going to church.

The last time I saw Gary was in Bushnell. He lived in the little house behind Mom and Daddy in Prairie City.

He was so proud of Joseph Wayne, his son. He had a big cow bell that he had for Joe so he would know where he was. Mother always said when she saw a cow bell, her thoughts always turned to Gary and Joe.

Gary was working as a carpenter for awhile, but was working for Gates Rubber Company when he was killed.
